Legion Carnival Big Success

Last night was a night of fun and frolic in Stirling when the local Legion staged a street dance and carnival. The weather was ideal — hotter than hot — the amusements were ideal — the crowd was ideal. It is estimated that at least 1500 people were present.

The Legion members are to be congratulated for their efforts in staging the event, which was a complete success in every way. Mill street, from North and Front Streets to Wright's store was fenced off with an inside section of the street marked off for dancing. Round and square dancing was enjoyed with Copeland's orchestra, of Iroquois pavilion furnishing most suitable music.

Games were played, but the "housy-housy" was not as popular as anticipated, the reason attributed was that it was too far from the main crowd. Booths were set up with refreshments to keep the people cool. An admission of 10c was charged for entering the reserved area, and from this $97 was realized. Approximately $150 was taken in for the dance and although the expenses are high, it is expected the net proceeds will be a goodly sum. This money will be used for relief purposes and other good causes by the Legion.

An important feature of the evening's program was the presentation of McKee's Cup to Rawdon Softball team, winners of the Junior Farmers' competition. This team had just defeated Thurlow players by a score of 8-7, earlier in the evening. The winning team was called to the platform and Mr. A. E. Dobbie presented the cup to manager Wm. Heath on behalf of the Junior Farmers' Club. Three cheers were given for the winners, as well as for Thurlow, the runners-up.

Contests were staged during the event and the winners were as follows:

Watermelon Contest—(eating same off table with hands tied behind back) Boys—Elvin Lalonde, Jack Tulloch; Girls—Isabelle Dunkley, Margaret Deline.

Apple Contest, (Apple floated in tub of water, hands behind back)—Boys—Elvin Lalonde, Delbert Ashley. Girls—Isabelle Dunkley, Vera Stuart.

There was an old-time fiddlers contest on the program, but there were no entries.

Step Dancing: Ladies—Evelyn Davidson, Bernadette Maloney. Men — Thos. Hanna, Jos. Broadworth. Juvenile. Finlay Scrimshaw.

A gala time was spent by old and ycung and the event added life to the village. The following were the committees in charge:

Publicity and Street—E. J. Dainard, C. Baker, W. Simpson, J. G. Butler, F. T. Hulin.

Booth—S. Williams, H. Francis.

Ticket Sellers — R. B. Duffin, O. Casement, E. Matthews.

Ticket Takers—J. Ackers, G. Heasman, A. Gordanier.

Military Police — Messrs Mosier Scrimshaw, Woods and Faires.

Contests—Drs. Pedley, Algar and Walt.

TOO MANY TEACHERS

In a remarkably short period of years a radical change has taken place in the situation as regards teaching employment in Ontario. Only a few years ago teachers were comparatively scarce and the teachers' federation has sometimes been considered dictatorial; but whereas in Metropolitan dailies it was a common thing not so long ago to see long columns seeking applications for teachers, these have dwindled to next to none at all, and in fact for the first time within memory there have been advertisements from teachers soliciting jobs. Teachers who have during the past summer graduated from Normal and other training schools are having an anxious time in their endeavor to secure positions. Vacancies are not so numerous as in former years due to the fact that jobs are hard to get and those who have positions are wisely holding on to them. There have been hundreds graduating from the training schools but possibly not one-half of them will have been placed by next week when all the schools in the country will have reopened for the fall term.

AN ODD CARROT

Harry Hulin, in digging carrots on Tuesday, came across an odd specimen. The main carrot had five sprouts from it, two large ones, representing legs, and had the appearance of three carrots with one top. Just another of Nature's oddities.

MEETING TONIGHT

A meeting of the Stirling Agricultural Society will be held in the Agricultural office tonight at 8 o'clock, for the purpose of making final arrangements for the Big Fall Fair, September 20-21. All members are urged to attend.

TWIN PLUMS

On Tuesday afternoon Mr. John McGowan presented this office with an unusual plum. There were two of the united fruit joined together, a la siamese, on one stem. This is again another demonstration of Nature's effort to eliminate the present depression.

GOES TO RED DEER, ALTA.

Miss Frieda Matthews has received appointment under the W.M.S. (W.D.) of the Presbyterian Church in Canada, as Deaconess at large in the Presbytery of Red Deer, Alberta, and will leave on Tuesday of next week for her new work. Miss Matthews, for the past fifteen months, has served as Deaconess and Senior Teacher at the Cecilia Jeffrey Indian School, Kenora.

LOCAL SCHOOLS RE-OPEN TODAY

Stirling High and Public Schools re-opened this morning for the fall term. There are two changes in the H. S. teaching staff for this year. Mr. Richard G. Lawlor, B.A. replaces Mr. E. J. Spinks, B.A., as principal and Mr. H. B. Disbrowe, B.S.A. succeeds Miss K. Harkness, B.A. as Science teacher. One change has been made on the P.S. staff, with Miss Jean Moffatt succeeding Mr. S. L. Snider.

BOWLERS AT BELLEVILLE

Two rinks of local bowlers, composed of Dr. E. A. Carleton, J. E. O'Donnell, W. H. Moise and Thos. W. Solmes, skip, and C. R. Bastedo, J. E. Munro, W. Wright and W. J. Whitty, skip, took part in a bowling tournament held in Belleville yesterday. They failed to enter the prize column. Solmes' rink won two games and lost two, while Whitty's quartette won one and lost three.

RETURNED FROM "ERIN"

The Rev. H. J. Farrell, who has been on a holiday to his home in Ireland, has just returned to Stirling. He was a passenger on the S. S. Montcalm, sailing from Belfast to Montreal. During his sojourn in Ireland he was present at the great Eucharistic Congress held in Dublin in June, at which over a million people were present at the open-air service on the concluding day.

The News-Argus joins with the residents of the community in welcoming Father Farrell back. He had a most enjoyable trip. In a future edition a description will be published of Father Farrell's trip to his native land, which no doubt will be most interesting.

CAR STOLEN IN TORONTO

Messrs Geo. Thompson and Mel. Fitzgerald, of Springbrook, spent the week-end in Toronto and Guelph, returning yesterday. While in Toronto on Monday night, Mr. Thompson had his car stolen. He left it parked near the Imperial Theatre while he and Mr. Fitzgerald enjoyed the show. When they returned the auto was missing. The police were notified and the car was found early next morning near Sunnyside beach. No noticeable damage was done. The oil and water had "boiled" out and the fan belt was broken. A brief case containing insurance papers, etc., that Mr. Thompson valued highly was the only article missing. The car had been driven about twenty-five miles.

BORN

JACKSON — On Wednesday, August 31, to Mr. and Mrs. Jos. Jackson, 10th concession, Rawdon, twins — son and daughter.

Wwks. Extensions May Be Installed

The storage tank, for the permanent waterworks, has been completed and painted and due to its location on the cemetery hill may be seen for miles around. It is one hundred feet high and ample pressure is assured on the system in any section of the installed area. Over the week-end the tank was filled with water and found to be "leakless". Services are being installed throughout the area daily. The water is now fit for domestic or drinking purposes.

The bond market has greatly improved since the waterworks debentures were first offered for sale. An offer has been made by a reputable bond house in Toronto to take the remaining debentures and those for the extension at 98.25 to yield six per cent. This speaks well of Stirling's financial condition in the eyes of outside parties. This offer is practically the same as par considering that usually a rate of from two to three per cent. is charged for selling. However, if the Council accepts the offer of this Toronto firm, it means only one and three-quarters per cent., below par, with no charge for selling.

With several enquiries for Stirling waterworks debentures, there seems to be no doubt but that the extensions will be installed before winter arrives. The Council is most anxious to have same installed, and with the debentures in demand in all probability the entire village will be given the opportunity to enjoy permanent water, by November. If such is the case, it will no doubt be good news to residents outside the present area, who desire permanent waterworks, as well as to the men who want employment.

CAR ACCIDENT ON RIDGE ROAD

A serious motor accident occurred about 1.30 yesterday morning when a new Dodge sedan driven by Mr. Gordon Wilde, druggist in Bleecker's drug Store, Belleville, collided head-on with the north end of the bridge on the Ridge Road in front of Mr. Ham. Donnan's farm. Mr. Wilde was accompanied by Miss Margaret Wright, daughter of Mr. and Mrs. John Wright, Ivanhoe. The driver escaped with minor cuts and chest bruises, while Miss Wright suffered a severe gash in the forehead, body bruises, and a wrenched ankle. They were brought to Dr. Carleton's office here for medical attention by Mr. Donnan. After having her injuries dressed Miss Wright was taken to her home while Wilde was taken to Belleville hospital for an X-ray. It is thought the car was travelling too fast to make the cuvre at the bridge, hence the crash. Fortunately a wire guard was aolngside or the auto would have tumbled into the creek, a drop of about ten feet, and undoubtedly the occupants would have been killed. The car was practically demolished and was removed to Belleville by Boyce's service truck of that city. Provincial officer Byles investigated. Miss Wright just graduated from Peterboro Normal School and was to take over her duties as teacher this morning.

ATTEMPT MADE TO ENTER PARSONAGE

During the absence of Rev. and Mrs. E. W. Rowland and family, on vacation at Varty Lake, someone made an attempt to enter or did enter the parsonage. A hole was cut in the window into the kitchen at the side verandah. At first it was thought to have been broken, but upon examination there seemed to be marks of a glass cutter showing. The outside door leading to the cellar was partially opened, but the guilty party apparently could not open it wide enough for admittance, on account of a bar on the inside. Mr. Rowland, who returned yesterday afternoon, reports no articles missing.

THANKSGIVING DAY SET

Thanksgiving Day will be celebrated this year on Monday, October 10, as an order-in-council fixing that day has been passed. Following legislation passed by Parliament, Armistice Day, Nov. 11th, and Thanksgiving Day are no longer celebrated simultaneously.

Rawdon Team Wins Trophy

The Championship Trophy which was donated through Mr. F. N. McKee by Tip Top Tailors, was won by the Rawdon team last evening at the Stirling Agricultural Grounds. This game was the final of a series of games in connection with the Junior Farmers Field Day, held recently at Iroquois Pavilion. The first game between Thurlow and Rawdon ended in a tie.

Wednesday's game was about all that could be desired and the snap-brand of playing was the main feature of the game. During the early stages of the tilt it looked as though the Thurlow outfit were away to the races when they piled up a lead of five runs and proceeded to hold the Rawdonites scoreless. However, the sixth innings yielded a harvest of four runs and in the dying moments of the seventh, with two men down and two runs needed to grab off the silverware, the Rawdon League squad proved equal to the occasion and the "mug" goes to that team. It was certainly a great game from the onlookers' point of view. They saw all kind of fast plays, and watched L. Bateman pull his team out of a tight corner by holding the Sidney Township squad to very few hits, and those well scattered. He pitched a great game. In the field, Morton grabbed several that were labelled homers and had he not been playing a wonderful game, the story might have been different. It was certainly a grand and glorious feeling to see that tising run cross the plate in the seventh, and still more grand when, a few minutes later the winning tally crossed the plate leaving the final score 8-7 in favor of Rawdon.

The Rawdon lineup was as follows: Catchers, G. Williams and W. Jeffs; Pitchers, L. Bateman and C. Smith; 1st b., M. Mason; 2nd b., W. Heath and L. Bateman; 3rd b., T. Ward; s.s., W. Ryckman; c.f., C. Burkitt; l.f., B. Morton; r.f., G. Broadworth and W. Warren.

BRIDGE TO BE FLOORED

Mr. Jas. Moore, Reeve of Elzevir, and Chairman of the County Road Committee, and County Road Supt. Simeon Fox, were in Stirling on Monday afternoon. They inspected the bridge over the dam, which is maintained by the County and decided to put a new floor on same at once. The approaches to the bridge, however, are maintained by the corporation, and the Street Committee plans to lay a couple of feet of cement at each side of the bridge and thus eliminate the bumps just as the bridge is reached.

DOG POISONERS BUSY

In the absence of Rev. E. W. Rowland, on his holidays, his pet collie dog was poisoned and died from the effects. This is the act of a person who may be termed a cur, and then that is a compliment. When Mrs. Hammond, who was taking care of the pet during its owner's absence, went to the kennel one morning to give it food, it was not there. Upon investigating the collie was discovered at the rear of Mr. Hammond's garage, stretched out. Veterinary Johnson was summoned, and upon examination stated the canine had been poisoned with a powerful poison that had strangled the animal before it reached the stomach. What a despicable trick. The dog was not a nuisance and rarely strayed away from his home. What was the motive? The penalty for such an act according to section 537 of the Humane Act, is as follows: "Everyone is guilty of an offense and liable on summary conviction to a penalty not exceeding five hundred dollars over and above the amount of injury done, or one year's imprisonment with or without hard labour, who attempts to kill, maim, wound, poison or injure any dog, bird, beast, or other animal, except cattle, which is two years imprisonment". According to the above act, the guilty party has put himself into a nasty predicament. Humane Officer Albert Hammond is investigating. He made a tour of all stores in Stirling, Belleville and Campbellford, which sell poison in an endeavor to locate who had purchased the death-dealing powder. It is hoped the guilty party will be apprehended.

COUNCIL MEETING WED.

Owing to Monday being Labor Day, and a public holiday, the regular meeting of the Village Council scheduled for that evening, has been postponed until next Wednesday evening, September 7th.

CHANGE RESIDENCE

P. S. Prin. S. L. Snowdon and family have rented Mr. J. B. Belshaw's house on Church Street, known as the Gordon house and will move October 1st. Since coming to Stirling a year ago they have resided in Mr. J. Rogers' house, Station street.

CUP DONATED

Mr. W. H. Ireland M.P.P., has donated a silver cup, value $15.00, as a special prize to be competed for at Stirling Fair. This cup will be given for the best team in harness in the Heavy Draught or General Purpose Classes, horses, harness and vehicle to be considered. Horses 60 points, harness 25 points, vehicle 15 points.

SCOUTS HIKE TO TORONTO

A.S.M. Don Ward, Patrol Leader Fred Joblin and Scouts Geo. Duffin, John Munro, Reg. Matheson and Jimmy Ward, members of the Stirling Boy Scout troop, hitch-hiked to Toronto on Friday morning. They were taken by car by Mr. E. T. Ward, as far as Brighton, where they "trusted to luck" for the remaining distance. Good luck was with them as they were given rides and landed in the city at 11.30 o'clock that orning. After attending the "Ex" they returned a la hitch hike, yesterday.

SOUVENIRS DISPLAYED

Many residents of the Community have viewed with interest the east window display of souvenirs of the Great War in Duffin's store. This array of weapons of the Allies and Germans, was made possible through the courtesy of Col. (Dr.) H. H. Alger, Major C. F. Walt, J. N. West, and Norman Sine. Most of the death-dealing weapons, with the exception of the field artillery are "on parade". This window display was made in connection with the big street dance and carnival held by the local Legion last night.

MAY PURCHASE SCRAPER

Mr. Geo. Belshaw, who was given the contract to gravel the village streets started same this week. Henceforth, it is the desire of the Council to see that all streets in the Village are kept in good condition. To accomplish this a small scraper is necessary. A used six-foot, two-horse scraper can be secured from the County Road committee for $35. At a special meeting of the Council on Tuesday night, the Street Committee and Councillor Fitchett were authorized to inspect the scraper, with power to act.

BUYS SPRY HOUSE

Mr. Thos. Cranston has purchased the Spry house, corner of Front and Station streets, the deal being made last week. This house was erected by the late Dr. Faulkner, and as well as being an old landmark, it was formerly one of the "show" residences of the community. It was built when the best of materials were put into buildings and the woodwork on the interior is practically as good as when first erected. The entire three storeys in the house have been finished. The walls of the lower hall have landscape views, etc., painted on them. This was done by the late Rev. Dowling, a former Baptist minister here, and who will be remembered by some of the old timers.

Mr. Cranston will make necessary repairs to the exterior. He will renovate the interior into three apartments, and he plans to move from his poultry farm into one of the apartments as soon as it is completed. Having had the main brooding building at his poultry farm destroyed by fire recently, it is Mr. Cranston's intention to instal incubators in a section of the basement of the house, which if done, will in no way inconvenience those living within.

This house would make an ideal tourist home, or if the village were large enough, a hospital. There are twenty-nine rooms in the three storeys.

A Holiday at Bigwin Inn

Through the courtesy of Mr. P. C. McGuire, district agent of the Mutual Life Assurance Co., the Editor and Mrs. Dobbie had the privilege of attending the Mutual Life Century Club convention held at Bigwin Inn, last Wednesday, Thursday and Friday.

We had heard a great deal about this great summer resort as a "paradise" for people of wealth, and being in the newspaper business and not in that class, it was beyond our hopes ever to enter its precincts. Therefore, when the opportunity arose we were enveloped with delight.

Leaving Stirling on Tuesday afternoon, by motor, in company with Mr. and Mrs. McGuire, we made the trip via Marmora, Peterboro, Lindsay, Beaverton, Orillia, Gravenhurst, Bracebridge and Huntsville, arriving in the latter town about 8 p.m. The motor trip was ideal. The highway north of Orillia reminded the writer of the snake trail to Bancroft, only the road was paved. We remained over night in Huntsville, at "Travellers' Rest" and ideal place for comfort and quiet. During our tour of the town we met Mr. Carl Cook, son of Mr. and Mrs. Henry Cooke, of Stirling, who is on the Royal Bank Staff there. Huntsville is an attractive town and the home of Mr. Shaw, the owner of Bigwin Inn.

After a night of rest, in the morning we joined other members of the convention and left by boat for the great summer resort. It was a three-hour trip, and for the entire journey the lakes were surrounded by virgin forests. About half-way we disembarked, where a miniature train awaited to carry us over a portage, a little over a mile, where we embarked on another boat. This train reminded us of the Toonerville trolley, with its "wee" engines. It required two of them to handle the load. At times on a steep grade, it looked as if we would have to alight and "shove", but not so, as the little "steam pushers" came through with flying colours.

During our trip on the lakes the boats made stops along the route to pick up the mail. We arrived at Bigwin Inn at 11.30, and what an imposing sight to behold.

After docking, we were shown to our rooms, which had previously been reserved, and after a wash-up

CURRENT COMMENT

Monday is Labour Day and a public holiday throughout the Dominion.

Madoc Review—Men who stand around waiting for something to turn up should begin with their sleeves.

Stirling schools opened this morning after the summer vacation. The pupils will again take up the study of the three "R's".

Here is a motto that, if adopted by everyone, would help times remain normal: "Pay as you go, and if you can's pay, don't go."

Don't forget to make plans to have your out-of-town friends visit you during Stirling's Big Fair two weeks from next Tuesday and Wednesday, September 20-21.

Men are a queer lot, in the view of the Barrie Examiner, reporting a case where a Montreal man who had not kissed his wife for a year whipped an iceman who had.

Prosperity, says one business man, will come like a thief in the night. All right, this is one time when we won't mind accommodating the thief by leaving the door open.

Some of the Old Country journals fear that the Dominions have got the best of the conference negotiations. There will be Canadians who will say that they have not obtained enough.

The majority of Summer campers have hibernated to their winter homes from summer cottages. Oak Lake, Stirling summer resort, is gradually becoming a place of "quiet" after an active summer season.

Peterboro Examiner—The Globe describes Mr. Bennett as the busiest man in Canada. But how about the editor of the Star who has to find two or three things wrong with everything the Premier does?

Tillsonburg News—The reason for the falling off in magazine advertising has been discovered by the editor of the Kingston Whig-Standard, who says they couldn't find any more celebrities to write testimonials.

The Provincial government plan on opening camps to take care of transients this coming winter. If such camps become a reality it will mean a saving to the village of Stirling as the transient accommodation cost last winter was high.

Times do change. Time was when the introduction of an organ into a church service well-nigh disrupted the church. Now when hydro is off and churches have to do without an organ the criticism is all against the lack of the organ.

It is reported that the Ontario government will open up more road camps for single men. These men are evidently coming to the conclusion that it is better to work for five dollars a month and their board than to be dependent on charity for a livelihood.

With the world wheat production over one million tons lower than last year, Canada has been blessed in having the second largest yield in its history. This along with encouraging reports in the Trade and Commerce sphere, make us believe that the proverbial corner to better times has been turned.

It is predicted that many United States companies will establish branch factories in Canada as a result of the Imperial Conference decisions. If Stirling had an active Board of Trade perhaps some of them may be induced to locate here where they can be offered every accommodation a larger place may boast.

During the past year reports have been current that the Canadian dollar bill would be made smaller in size, to correspond with the Yankee note of currency. However, it is to remain the same size for the present anyway. Right now "Bill Dollar" goes farther than it has for some time—that is, of course, if you are wise enough to spend it in Canada.

We extend congratulations to the Tweed News on its edition last week of sixteen pages—advertising the big Dollar Day held in that village on Saturday. The paper was capably arranged with the advertisements well set up. Editor Sam Currie is to be commended for his efforts. The event was a success and no doubt if Stirling merchants could band together and stage a "Dollar Day", the result would be well worthwhile.

The police of most cities, towns and states are beginning to recognize that speed in itself under proper conditions is not necessary objectionable, but officers everywhere are insistent, and rightfully so, that operators should not cut out of line and pass another car where conditions do not warrant. Generally it is not illegal to pass another car under any conditions when the passing car is able to keep to the right of the centre of the road, but on most highways of today this cannot be done.. Unfortunately the necessity of passing generally arises on a hill and this situation is brought about by trucks, buses and old model cars which are unable to maintain the uniform speed attained by higher powered modern cars on hills as well as on level road. It is true that the operators of such slower moving vehicles should be considerate enough to drive well over to the right, but they do not do it. Police should compel operators of such slow moving vehicles to keep traffic moving and not obstruct the road.

Our Fifty-fourth Anniversary

With this issue the News-Argus enters its fifty-fourth year of publication. Since it was established five Editors have occupied the editor's sanctum sanctorum, namely Mr. Thompson, present publisher of the Thorold Post, who established the News-Argus; the late James Currie, who was publisher for about forty years; Mr. A. R. Alloway, now of the Oshawa Times, who assumed ownership in 1923, selling out shortly after to Mr. Allan Donnell, now in the insurance business in Hamilton. The present editor purchased the paper and took over the reins November 1st, 1925.

It has ever been the endeavor of the publishers of the News-Argus to serve Stirling and district with a newsy paper, and we trust our efforts for the past seven years have been to the fore in this regard. Since coming to Stirling in 1925 many changes have taken place. At that time the News-Argus was composed of four pages, home print, in hand-set type; four pages being printed in Toronto and shipped in weekly. In 1926 a linotype machine was added to the equipment and in 1927 the paper was enlarged to eight pages — all home print. During the past seven years the circulation has increased one hundred per cent., and advertising space has been greatly augmented. We take this opportunity of thanking our subscribers and patrons for their loyalty, and trust we may in future serve Stirling and district with a weekly that is a credit to the community, and continue to enjoy their patronage.

School Days Are Here Again

"The whining school boy, with his satchel and shining morning face, creeping like snail unwillingly to school." That is how Shakespeare describes the school boy in describing the seven ages of man in his play "As You Like It." This morning Public and High Schools opened their doors when pupils and teachers entered the old familiar buildings to commence once again the round of duties which will last for the longest session of the year, until Christmas. We doubt, despite Shakespeare's description, whether there will be much whining or creeping to school. A happy feature of the long summer holidays children of today are given, is the fact that towards their close the child tires of the inactivity from work and tires a little of play too, so that when the opening day arrives the majority are ready and willing to proceed in pursuit of their studies for three months.

To some, the five and six year olds, particularly in the rural sections, school opening presents a new and wonderful adventure. The school building they have often admired is to be entered and explored. The realm of story book, the intricacy of arithmetical problems, art and physical training present to the starters something new each day and each week, and their first year at school is usually one of unbounded enthusiasm and delight.

May we refer just briefly to those who have been going to school regularly for some time. Some, with honor, have passed their summer examinations and proudly look ahead for new and greater fields to conquer, while others, perhaps a little crestfallen through failure to pass exams, are not so eager for the fray. To those who did fail and are perhaps a little downhearted, or who may have an inferiority complex regarding their own accomplishments may we say step right into the work, co-operate with your teachers and parents, for both want to help you, and your disappointment of this year will turn to glorious achievement next year.

What Others Say

WHY ARE THE EDITORS OF CITY DAILIES BUYING WEEKLY NEWSPAPERS?

(Bowmanville Statesman)

Among the newspaper fraternity it has often been a subject of discussion as to which gets the most joy and satisfaction out of life, the editor of a town weekly newspaper, or the editor of a city daily. It is often admitted that there is more glamor to the daily newspaper. There is the daily climax of going to press. There is the everlasting rush to get news while it is news, and there is that thrill experienced when one scoops its competitor.

But when one gets down to the realities of life the editor of a weekly newspaper seems to bring more satisfaction into one's life than does the daily scribe. With the former he meets, and with more leisure, the people whom his paper serves. He knows most of his subscribers personally, and is able to call them by their first name without fear of offense. He gathers his news methodically and at the weekly climax draws near he sorts his material and arranges his front page to give the more prominence to those articles that are deserving of such, with no thought of the sensational angle. In the daily field one goes through a miniature hell, we are told, to find a story to grace the headlines and often succeeds in placing in that position a story which might, the following day have been marked by the editor "inside, anywhere." The weekly usually is able to find among its treasure trove a local story well worth the top right hand position of the front page, and a story that is of utmost importance to the community.

We make these comments in view of recent press despatches telling of Rupert Davies, editor of the Kingston Whig-Standard buying for his son the Kincardine Review-Reporter, and of A. R. Kennedy, editor of the Stratford Beacon-Herald, placing his son at the helm of the Brussels Post.

Perhaps these successful daily editors believe, as we do, that more down right unadulterated satisfaction and joy of service is gained in life in the weekly newspaper sphere, or else they realize, as has often been stated, that from the offices of the town weekly newspaper come the country's greatest and most influential newspaper moguls.

GREATER THAN 1926

(Financial Post)

The formula makers regarded the 1926 Imperial Economic Conference as one of the greatest of the Empire congresses. Here was drafted the simple statement of the political equality of the Empire countries and their common allegiance to a single political heart. But the 1926 conference did nothing to create jobs or make the Empire's people prosperous. And the formula remained little more than a formula as was demonstrated when the United Kingdom delegation came to Ottawa with no offers or propositions to make and with nothing more than a willingness to consider what the Dominions might offer. It was still very much a gathering of a great country and the constituent parts of her Colonial Empire.

But the weeks at Ottawa did more to define practically the equality of the Empire countries than the weeks at London did in 1926. The trade agreements were the first major and practical evidence of the equality of the Empire countries. When Mr. Baldwin affixed his signature to the agreements with the Dominions he concluded the 90 years of slow death of the out-of-date Colonial Empire so far as the Dominions were concerned but he helped to bring recognition to a new giant, the economic British Empire, which has no precedent in history.

Economically there is no doubt that the Ottawa Conference was the greatest of them all. But in the light of history it may prove to have been the most significant politically as well.

MAY ESTABLISH INTERMENT FARM

Under the recommendations submitted to the Ontario Government by the Provincial Advisory Committee, and adopted by the Government, it is likely that internment farms will be established at different centres throughout the province for men who fail to qualify for relief by definite residence in any particular municipality. Communications to this effect have been forwarded to municipality heads throughout the province by Hon. J. D. Montieth, Minister of Labour. Mr. Montieth's letter, in referring to the recommendations of the Provincial Committee, reads in parts, "it is suggested that steps be taken immediately to eliminate transiency, and that internment farms be established for men who fail to establish residence."

PENSION TRICKERY

Startling newspaper reports have been circulated of late concerning frauds in the administration of pensions in this country. Under flare headlines we were told that "Many thousands of dollars have been lost by the government through the payment of war pensions to persons who have employed fraud, perjury, misrepresentation, even forgery in pushing their claims." These reports were denied a few hours later, but the stories had gained much headway in the meantime. Only a full revelation of the facts will serve to allay the impression created in the public mind. The Legionary, official organ of the Canadian Legion, deals with this matter in a clear-cut way. It says:

"The one fortunate circumstance was the fact the representatives of the various veterans' organizations were at the time in session at Ottawa discussing plans for the joint committee of the government and war veterans about to be appointed to examine into pension difficulties. They immediately issued a disclaimer, declaring that the statement constituted a reflection on the integrity of all Canadian ex-service men and their organizations which are engaged in pension adjustment work,' and demanding a full investigation, with vigorous prosecution of any well-founded cases of attempted fraud which might be revealed. No compensatory or benevolent legislation has ever been devised which has been proof against trickery, and the Pension Act is no exception. War veterans' organizations have become aware from time to time of instances where pensions have been obtained by misrepresentation and they have not hesitated in discouraging such efforts. There are too many people without recognition of their caims whom war veterans feel are justly entitled to pension, to permit exploitation by those dishonestly inclined. It is inconceivable that many such cases should escape the close scrutiny of the various branches of the government pension organization, but if such is found to be the fact, a thorough overhauling is in order. The joint pension committee has before it a heavy enough task in making a searching survey of the pension administration and endeavoring to devise measures to overcome the present difficulties, but there should be added to this burden the further task of dealing with these 'fraud' rumours. War veterans are confident, however, that, like other dragons, this one also will prove to be a phantom and largely a myth."

Hints for the Household

For the Month of September

There is nothing much more annoying than to have clean curtains blowing out of an open window either day or night. The clip clothes pins are a solution for this. Buy them in quantity at some cheap store and paint them in design or plain to match the predominating color in the room where your curtains are. And use them to pin your curtains back.

To Peel Fruit Easily

Pour boiling water over the fruit to be peeled and let stand a few minutes before peeling.

COOKING HINTS

Swiss Steak

Round steak (about two inches thick).
Little Flour.
Little Onion.
Boiling Water.

Method: Pound plenty of flour well into each side of steak. Brown the meat well in hot bacon fat in skillet. Add a little onion—cut up. Then partially cover browned meat with boiling water. Cover. Let simmer about 2 hours.

When ready to serve — season. Remove meat to hot platter. Thicken gravy and pour over meat.

Potatoes can be added to eat during the last half hour of cooking, if desired.

Tomato Cheese Salad

Tomatoes.
Canadian Cheese.
Green Pepper.
Mayonnaise.
Lettuce.

Method: Slice and chill tomtaoes. Wash lettuce. Dice cheese and cut up green pepper. Mix cheese, pepper and mayonnaise. Place tomatoes on lettuce leaves and pour over dressing.

BAKING HINTS

Baked Rice

1¼ cup of rice.
1½ cup of grated cheese.
Seasoning.
½ cup chopped pimento or green pepper.
1½ cup of Tomato juice.

Method: Cook rice in boiling, salted water until done. Add tomato juice, cheese, seasoning and pimento. Mix well and pour into buttered baking dish. Bake a half hour and serve hot.

Paper Baking Cups

This is an easy way to save washing dishes. Fluted baking dishes come in three sizes and cost very little. When cakes are baked in these they are very pretty to serve at tea parties.

Rhubarb Pineapple Pie

1½ cups of rhubarb (cut up).
1½ cups of crushed pineapple — (drained).
¾ cup of sugar.
2 tablespoonfuls of flour.

Method: Prepare regular pie crust and then fill pastry lined pan with well mixed rhubarb, pineapple, sugar and flour. Cover with top crust. Place in hot oven for 10 minutes. Then turn oven down and bake about 30 minutes longer.

OPPOSES A BLUE BOOK ON PENSIONS

Ottawa—Protesting that the publication of a "blue book" containing particulars of all pension awards now being paid under the present act would "undo all the good work Governments have done in regard to soldiers' legislation," Major John S. Roper, M.C., K.C., Dominion President of the Canadian Legion, has written a strong letter to Hon. Murray MacLaren, Minister of Pensions. In that communication the Legion executive assails any such plan as likely to provoke dissatisfaction among the ex-service men, while not serving the purpose which the Government has in view.

That the issue of such a document would lay the ex-soldier pensioners open to victimization and discrimination, is the opinion of Major Roper, who doubts its efficacy as a means of curing the so-called "pension frauds". If such fradus exist, the Legion President says, they should be investigated and the guilty parties punished. The laws of Canada provide for such things, and these laws ought to be invoked.

Major Roper enumerates a few of the objections voiced against this proposed publication. A "blue book" would adversely affect the employment of pensioners, he says, since "Governments and employers are taking into consideration the amount of pension paid. In the smaller communities the effect on the ex-service men would be disastrous."

RUNNALLS — THOMPSON

At the Seymour parsonage, Campbellford, on Wednesday morning, August 31st, the marriage of Agnes Maude, eldest daughter of Mr. and Mrs. Andrew Thomson, of Rylestone, and Francis Edward, eldest son of Mr. and Mrs. Clarence E. Runnalls, of Harold, was solmenized by Rev. F. G. MacTavish. The bride's dress was of peach georgette, with black satin slippers. She carried a bouquet of Los Angeles and golden gleam roses with baby breath and maidenhair fern. The bride was attended by Miss Helena Runnalls, sister of the groom, and wore a peach silk crepe dress, with white lace hat. The groomsman was Mr. Lindsay McKeown, of Mount Pleasant.

Following the ceremony a dinner was served at the home of the bride's parents, only the immediate relatives being present. Mr. and Mrs. Runnalls left afterwards for a honeymoon trip to Toronto, Niagara and western points. Many friends will wish them bon voyage over the journey of life.

BATEMAN — MUMBY

On the spacious verandah of Willow-Green Cottage, overlooking the placid waters of beautiful Rice Lake, near Bewdley, Ont., a unique wedding ceremony was performed at 11.00 a.m. Thursday, August 24th, by Rev. H. A. Punt, B.A., of Springbrook, when Miss Hazel May Bateman, only daughter of Mr. W. F. Bateman and the late Mrs. Bateman, of Springbrook, was united in marriage to Mr. Hiram Aubrey Mumby, son of Mr. and Mrs. Lindsay Mumby, of Rawdon Township. The bride, who was charmingly gowned in white georgette and lace, was attended by Miss Roma Mumby, sister of the groom. Her dress was of crepe romaine and lace. Mr. Lorne Bateman, brother of the bride, acted as best man.

After the ceremony, which was performed in the presence of a limited number of guests, the party repaired to the dining room to partake of a sumptuous wedding breakfast. The table decorations were in pink and white, while a large bouquet of pink and white gladioli formed a centre piece.

After breakfast the bridal couple left on a motor trip to Toronto and Detroit; the bride travelling in a suit of Franch blue, wearing a beautiful fox fur, the gift of the groom. The groom's gift to the bridesmaid was a white gold necklace, and to the best man a fountain pen.

On their return the young couple will reside on the 12th concession of Rawdon. The best wishes of a host of friends wil follow them into their new home.

Among those present were Dr. T. W. and Mrs. Thompson, of Traverse City, Mich.; Mrs. K. M. Moffatt and Miss Betty Moffatt, of Toronto; Miss Brundrette, of Port Hope; Mrs. John W. Thompson, of Port Credit; Mrs. (Rev.) H. A. Bunt and Audrey and Bert, of Springbrook.

BETHEL

On Sunday morning the Rev. Mr. Everson of Queensboro conducted the service and afterwards spent the dinner hour with Mr. and Mrs. S. Gummer.

Mrs. C. Dracup returned home on Monday night, after visiting her daughter, Mrs. Hendrie, in Toronto.

Mr. and Mrs. W. Reid spent Tuesday in Campbellford.

Mr. Clarence Allen, Annapolis Royal, N.S. and Messrs Harold Ritchie and Guy Barteaux, of Moschelle, N.S., are visiting Mr. and Mrs. Sam Elliott.

Mr. and Mrs. Allan Bailey, Mrs. Locke, Betty and Isabelle Turner, visited at the home of Mr. and Mrs. C. U. Heath on Sunday.

On Thursday evening the Bethel Unity Class and teacher, Mr. B. Tucker and Mrs. Tucker, also Rev. Mr. Joblin, enjoyed a weiner roast and corn boil at Oak Lake.

Mr. Albert Warren has returned to Bancroft to resume his duties as principal of the Public School there.

Miss Edna McKeown of Bonarlaw spent last week visiting her aunt, Mrs. Alex Martin.

The thermometer jumped this morning and as we go to press it is near the ninety mark. No doubt today will be hotter than yesterday, which was supposed to have been the warmest this year.

THOMASBURG WOMAN HIT BY CAR

Mrs. Alex Crawford, of Thomasburg, suffered painful injuries on Sunday afternoon when she was knocked down by a car driven by Arthur Blakely of Thomasburg, after she had stepped from behind a parked car to witness a parade taking place at the time in Thomasburg. Although Mr. Blakely was travelling at a slow rate of speed, Mrs. Crawford was thrown heavily to the ground, sustaining fractures in both legs. One was broken at the ankle and the other at the ankle and above the knee. She was rushed to the Belleville hospital where the fractures were X-rayed and then reduced and although suffering considerable pain is progressing as well as can be expected. The police investigated the accident and after all the details were explained, Mr. Blakely was not held nor was any blame attached in respect to the accident.

CARMEL

Miss Nina Carlisle spent the week-end with Miss Evelyn Neal, Bonarlaw.

M. and Mrs. W. Grills and Garnet and Mrs. Bartlett, English Line, visited at the home of Mr. J. Grills, on Sunday.

Mr. and Mrs. E. Pyear and family spent Sunday evening with Mr. and Mrs. W. Maines.

Mr. and Mrs. J. Dunkley, Hoards, were Sunday guests of Mr. and Mrs. C. Hoard.

Mr. and Mrs. M. Sutton, Oshawa, spent the week-end with the latter's mother, Mrs. P. Palmer.

Mrs. H. W. Sweet and daughter, Betty Joan, have returned to their home in Rochester, N.Y., after spending the past month with Mrs. Sweet's mother, Mrs. P. Palmer.

Miss Margaret Hopper, Oshawa, spent the week-end with her sister, Mrs. Keith Wickens. Mr. Allan Hopper returned home with her after spending the past two weeks.

Mr. and Mrs. J. Hagerman and Ruth, Belleville, visited Mr. and Mrs. S. Holden, Sunday evening.

Misses Dorothy Joblin and Etta Thompson spent the week-end at the home of Mr. F. Bailey.

Mr. and Mrs. D. Terry spent Sunday with Mr. and Mrs. A. Pyear.

In the report of the Weaver get-together at Mr. W. Carlisle's home in last week's budget, it was stated that Mr. W. Anderson was among those present. We are very sorry for this misprint, or error, as Mr. Anderson was not in attendance at the event.

Mr. and Mrs. Frank Harding and son, Jack, returned home to Toronto on Sunday after spending a week with Mrs. Harry Fanning, Wellman's Corners.

BRITAIN DECLINES MORE TIME ON DEBT

London, Aug. 31—Great Britain will repay the final $50,000,000 of a $250,000,000 credit received from the United States and France on Saturday, it was announced today. It was understood a Franco - U. S. offer of extension was rejected by the British government, which is anxious to liquidate the credit as speedily as possible.

SHRTAGES IN ANGLICAN TRUST MONIES

Winnipeg—Out of the tangled web of University and church funds loomed a further shortage of $800,000 in Anglican Church trust monies. Auditors gradually are learning of the defalcations, which terminated in the arrest last week of John A. Machray, K.C., bursar and chairman of the University of Manitoba and chancellor of the diocese of Rupert's Land.

The aggregate of the church funds of Rupert's Land was $1,500,000. Except for the diocese fund of $250,000 the whole amount was in the custody of Machray. University accounts have revealed a shortage of more than $1,000,000.

MOTOR TO PACIFIC COAST AND BACK

Mr. Merle Todd, of Wellmans' who is on the teaching staff of Toronto Public Schools returned last week from a motor trip of some six weeks duration out to the Pacific Coast with a friend of his. Eight thousand miles were travelled in all, the young men spending six nights, via Minneapolis, on the journey to Calgary.

The first stop of any length of time was visiting Mr. Todd's cousins, Mr. and Mrs. Neil White natives of Rawden and Seymour; later he spent some time in Fernie, B.C., with his uncle and aunt, Mr. and Mrs. Will Ingram, formerly of Burnbrae, going on to Vancouver to friends there. He was much impressed with the beauty of the scenery en route, Banff and especially Lake Louise, Jasper and Stanley Parks.

In the Okanagan Valley so beautiful with fruits, apples especially, it would only be a desert if it were not for the numerous irrigation wells.

While at Calgary he visited Mr. George Mack, a former resident of Wellmans at High River, and where he heard Rev. Alex Rannie, President of the Alberta Conference of the United Church preach, and who is a native of Menie. While there a trip was made to the Prince of Wales' E. P. Ranch, which was a most interesting sight. Turner Oil Valley was also visited, where the wet gas which contains gasoline blows continuously. From this the gasoline is extracted and the dry gas is piped a short distance from the well and burned. This presents a marvellous spectacle at night; from a certain point in the north part of the field, one can see as many as twenty-five of these wonderful flares. This is considered a great waste by the Conservation Board which has recently decreed that the gas flow must be curtailed; when Mr. Todd viewed it this had already been put into effect. He reported the crops good, especially in Southern Alberta.

Here and There

Popularity of Canadian apples abroad has notably increased, and last year apple exports to Europe from Western Canada reached a new high record of 1,174,000 boxes, as compared with 560,000 boxes in 1930. Fruit growers are anticipating an even larger crop this year.

R. Y. Daniaud, formerly Travelling Passenger Agent, Canadian Pacific Railway, Winnipeg, was appointed District Passenger Agent, Algoma District, North Bay, Ont., effective August 16th. Mr. Daniaud has had a long and successful career with the Company, and is now receiving congratulations on his most recent promotion.

Numbers of anglers returning through Ottawa and Montreal report having experienced exceedingly good bass fishing. This was the expression of a group from Cincinnati, Ohio, who recently visited the bass fishing waters of the Gatineau River, north of Maniwaki, according to A. O. Seymour, General Tourist Agent, Canadian Pacific Railway.

This is evidently the peak year with partridge, one would judge from the reports emanating from various parts of the Laurentian and Gatineau districts of Quebec, according to A. O. Seymour, General Tourist Agent, Canadian Pacific Railway. In almost every locality partridge, as the ruffed grouse and Franklin grouse are best known, are very plentiful. Most flocks hatched this year are nearly full grown.

New freight rates on live stock with low minimum weights to meet the competition of motor trucks in the transportation of animals to market have been put into effect by the Canadian Pacific and Canadian National Railways covering movement from stations within a radius of 150 miles of Toronto, and these were effective from August 15. The new rates are being tried out as an experiment, and it is expected they will result in a very substantial increase in the rail movement of cattle, sheep, and hogs.

One of the most interesting passengers arriving in Montreal by the Canadian Pacific SS. Duchess of Richmond on August 13 was "Miss England III", the world's fastest motor-boat. After the international races with Gar Wood's boat at Detroit, Kaye Don will take "Miss England III" to Toronto, where visitors at the Canadian National Exhibition will be able to see an attempt by the powerful vessel to lower her own or any other new world's record. The big speed boat was accompanied in the Duchess of Richmond by R. E. Garner, senior mechanic, and "mate" to Kaye Don during the races.

Two hundred organizations affiliated with the governing body of the Canadian Chamber of Commerce, whose seventh annual convention will be held at Halifax, September 13-15, will send members to a pre- and post-convention sea cruise and land tour with the Clarke Steamship Co., the Dominion Atlantic and the Canadian Pacfic Railways, scheduled to leave Montreal September 3 and return there September 19. The sea cruise will be on the S.S. New Northland, calling at Charlottetown, Sydney, St. Pierre-Miquelon, St. John's, Newfoundland, and Halifax, prior to the convention, and will cover the Maritime Provinces after it.

Cost of travel to Eastern Quebec, the Lower St. Lawrence and to resorts in the Maritime Provinces has been deflated this summer in a fare revolution that has never been equalled in the history of the railroads of Canada. This reduction works out at about fare and one-tenth for the round trip to any one of a score of glorious summer centres on Canada's unsurpassed Atlantic seaboard with proportionately reduced fares to many other destinations in eastern Quebec and the Maritime Provinces which are also in effect from stations in the province of Quebec, Montreal and west, and also in Ontario, Sudbury, Capreol, Windsor, Sarnia and east. This great concession by the railways of Canada is on offer during the month of August with a return limit of 21 days, excluding the date of sale. (862)

KAYE DON — THE RACER

Why is seemingly everybody looking forward to the Harmsworth Trophy races at Detroit beginning next Saturday and hoping that Kaye Don will win?

It is not alone that he is British, for while all Canadians are "pulling" for him thousands also in the U.S.A. are openly desiring to see that he will cross the line first.

But it is that the world still loves a chivalrous gentleman who not only can be a good winner, but who loses not of his equanimity oy his character when the victor's laurel has not fallen to him.

Kay Don is so tremendously popular because of his bearing in the time immediately subsequent to the disaster and his near-drowning of a year ago. Then he did not complain or whine. Victory was almost within his reach, with a knighthood from his monarch possibly as a result. It is easy enough to be a kindly, courteous gentleman when riding on the crest of victory; but it takes a man extraordinary to bear himself graciously when he has been tricked and defeated. He may not be the victor in the races this year, but of one thing the whole world is certain, he will be a good sportsman and a game loser if he isn't. And if he wins, he will be unusually acclaimed as a hero.

INSULTS PRIEST — GETS JAIL TERM

The following article relating to the arrest of a "Jehovah's Messenger" for delivery of seditious literature, in the province of Quebec appeared in a recent issue of the Toronto Telegram. Such "deliverers" have visited Stirling in the past.

Hull, Que.—Found guilty of insulting Rev. Father Joseph E. Plouffe, parish priest of St. Pierre de Wakefield, Emerie St. Amour, of Toronto, was sentenced to one month in jail. Magistrate A. Marchildon pronounced sentence.

He was charged with having stated in a public place, on Aug. 8, to Father Plouffe: "This is your parish priest, he is a hypocrite. He gets your money to stuff you."

St. Armour, who described himself as "Jehovah's Messenger", also was committed for trial under section 98 of the Criminal Code, dealing with the distribution of seditious literature. Two companions, Wilfred Spicer and William Mayse, also of Toronto, were committed for trial under the same charge.

They will be tried at the Criminal Assizes to be held here in November.

The arrest of the trio followed complaints of residents of St. Pierre de Wakefield village. Several witnesses told how the accused had attempted to sell them books and circulars advocating a change in government. When arrested, police seized a large quantity of literature from the men's automobile, which, they declare, was of a seditious nature.

APPLIES IN HIS COMMUNITY

And in every other communoty, small or large, that we have ever known. Nasty gossipers cause much bad feeling and rob their neighborhood of sweetness it might otherwise possess. Apropos of this an English correspondent sends The News-Argus the following exceedingly apt verses:

Three Gates

If you are tempted to reveal
A tale to you some one has told
About another, make it pass,
Before you speak, three gates of gold.
These narrow gates: First, "Is it true?"
Then, "Is it needful?" In your mind
Give truthful answer. And the next
Is last and narrowest, "Is it kind?"
And if to reach your lips at last
It passes through these gateways three,
Then you may tell the tale, nor fear
What the result of speech may be.

BIG DAY AT MARMORA

The village of Marmora held its Civic Holiday on Monday last featured by a field day and street dance sponsored by the Marmora Agricultural Society and Marmora Booster Club. The day passed off very successfully.

Shortly after one o'clock a calithumpian procession, an amusing feature of which was the Campbellford Clown Band, left Memorial Hall for the fair grounds, where the afternoon program was carried out.

In the men's softball tournament four teams were entered, Campbellford being pitted against Norwood, by whom they were defeated by the narrow margin of one run, the score being 7 to 6.

In the girls' softball, Rawdon team defeated Hastings by 6 runs to 5, but lost in the finals to Corbyville, the game being called at the end of the third inning. The Rawdon team was composed of H. Neal, lf; P. Shea, p; R. Spry, c; E. McInroy, 3b; M. McInroy, ss; M. McKeown, rf; H. Francis 1b; O. Stiles, 2b; R. Mumby, cf; F. Prest and L. Neal, subs.

The umpires for the games were Wm. Kerr and Jack Brady.

In the open mile race for men, Reg. Burkitt, of Bonarlaw, was first and E. Runions Campbellford, second.

Don Meyers, Campbellford, won the high jump, with L. Bateman, Springbrook, second. Don also captured first place in the running broad jump, with E. Schofield, Marmora, second.

The boys' 75-yards race was won by Murney McInroy, Bonar Law.

Second price in the horseshoe pitching contest for which there were thirty-five entries, was won by G. C. Bromley, Campbellford; first award going to Charles McInroy, Deloro.

For the street dancing the street was "fenced" off and prettily decorated. In the early part of the evening, Marmora Community Band, assisted by bandsmen from Campbellford, regaled the crowd with splendid selections. An attraction of the evening was the music by George Wade and His Cornhuskers, who paid their first visit to the village on this occasion. The music and calls were plainly heard the length of the street by the aid of four amplifiers.

DETROIT WOMAN DIES IN CRASH AT MARYSVILLE

Mrs. Alice M. Woodin, 60, of Detroit was killed and a transient was knocked unconscious as a result of an automobile accident late Monday night, near Marysville. Traffic officer Byles, of Belleville said Mrs. Woddin lost control of her car as she attempted to pass another vehicle going in the same direction. The automobile turned over four times and plunged into the ditch at the side of the road. The body of the dead woman was taken to Deseronto where an inquest was held yesterday. The driver of the second car, W. A. Casey, Trenton, Ontario, was questioned by police, but not held.

MENIE

Mr. Douglas Milne underwent an operation on Thursday last in Peterboro hospital. Douglas returned to his home on Monday and is much improved.

Master Floyd McMullen is spending his holidays with his grandparents, Mrs. Burke Stephens.

A quiet wedding took place in Stirling on Wednesday last when Miss Ruth Gibson of Stirling was united in marriage to Mr. James Thompson of Menie. Before leaving on their honeymoon the young couple passed through our town. We extend a hearty welcome to the bride to our community, as they will reside on the Thompson homestead.

The girls' game on Friday evening against Seymour West was called at the end of the second innings on account of the rain. Possibly Menie would have had a poor showing if the rain had not appeared, due to Seymour West having two star players from the Havelock team.

No. 7 Highway Officially Opened

Described as one of the greatest factors in the future economic progress of the vast northern sections of seven counties, Victoria, Peterboro, Hastings, Lennox, Addington, Frontenac and Lanark, the 65 miles of King's Highway No. 7, stretching from Actinolite to Perth, was officially opened on Wednesday afternoon, last week, at Arden Camp, a point 92 miles north-east of Peterborough in Frontenac County, when the Hon. George S. Henry, Premier of Ontario, swung a woodsman's axe.

The blows of the axe in the Premier's hands severed a tough birch branch which stretched across the highway.

A band played, 21 explosives were set off on a nearby hillside, and a gathering of 500 spectators assembled from the chief centres of Eastern Ontario, cheered to mark the event which officially opened a vast new district to the motorcar. The 65 miles of highway opened last Wednesday stretches straight and level through virgin country, reducing from 255 miles to 179.1 miles the motoring distance between Peterborough and Ottawa. No road ran there before. It was cut last winter by an army of 5,000 unemployed through giant granite rock and wild bush. It was one of the most difficult pieces of road building completed in Ontario in recent years, and while it was a necessary link in the forging of the highway between Peterborough and Ottawa, which stretches from the capital to Sarnia, it was stated by Premier Henry that it would not have been completed in many years had it not

PREMIER GEO. HENRY
Who officiated at the opening of the Actinolite-Perth section of Highway No. 7, last Wednesday

been necessary as unemployment relief measure.

This, despite the fact that the Premier stated that its benefits to the northern regions of Eastern Ontario in tourist traffic in future years, would prove inestimable.

Its completion was hailed not only as one of the greatest feats of road building in the Province, but also as a remarkable example of the efficiency of the Highways Department and its engineers.

"It ws built at very moderate cost and proves that the Highways Department and the Ontario Government can and does accomplish its work economically," said Hon. Mr. Macauley.

"It is not only a tribute to the engineers but also to the 5000 men who were given work on this road," he stated later. "They gave faithfully of their efforts in the hard task of road building, and it is an example of what these men can accomplish when given work."

Five thousand men worked on the road. They were given a total of 220,000 woking days. More than $600,000 in building the road was paid out as wages and salaries. Cost of dynamite used in blasting the road through the rocks totalled $200,000. All the work was done by day labour and with pick and shovel.

The road connects the populace centres about Perth with the important centres about Madoc and further west, although it passes through a rough, unsettled district. The country through which the road passes has never been settled; no plow could till its barren nakedness. But the country teems with lakes that are

HON. J. R. COOKE
Chairman of the Ontario Hydro Commission, M.P.P. for North Hastings, who attended the Actinolite-Perth Highway opening last Wednesday

still ,perhaps unnamed and which seldom have had their waters disturbed by a fisherman's boat.

In declaring the 65 miles of highway open, Premier Henry congratulated the engineers on the expedition with which the work had been accomplished. It was finished nine months after the start was made.

A procession was started at Peterborough and led to Madoc. The tour halted in Madoc, then passed through the village to a rendezvous several miles to the east, but after waiting there nearly an hour it was learned that Premier Henry had gone to Foxboro and would reach Madoc by the road from the south. That information was virtually a dispersal notice for many of the visitors, although some remained for lunch and the coming of the provincial governmental party.

Reeve Walter Whytock, of Madoc was chairman of the informal reception at the memorial park, and after reading an address of welcome he called on Hon. J. R. Cooke to introduce the Prime Minister. Among those on the platform were Premier Henry, Hon. Mr. Cooke, Hon. Leopold Macauley, Minister of Highways, W. E. Tummon, M.P., A. T. Embury, M. P., T. P. Lancaster, M.P.P., Hon. W. D. Black W. Ireland, M.P.P. and Warden R. Mitchell, of Hastings County, reeve of Thurlow.

Premier Henry acknowledged the welcome extended to him, and expressed his regret that by some indirection he had gone by way of Foxboro. He referred to the presence of numbers of children in the audience and remarked that although the benefits of No. 7 Highway to this district and to all eastern Ontario would be immediate, their full effect would not be realized until future years when the children of today have passed the years of youth.

Modern highways and the invention of the automobile had revolutionized rural life, Hon. Mr. Henry said. In the days of the horse and buggy the average community radius was not much more than ten miles and centred about some village. Today that area has broadened very considerably to a latitude of scores of miles and people travel easily from one centre to another in a short time.

"The significance of No. 7 highway to Perth is that it opens up a very extensive area in the eastern part of the province," the Premier continued.

"It reduced the distance from Peterborough to Ottawa by 75 miles, and it brings Peterborough, Norwood, Havelock and Marmora and Madoc into closer touch one with another. During the last nine months of its construction has given employment to the extent of more than 220,000 man-days. This new link from Actinolite to Arden may be regarded as a compensation for the difficulties through which we have been passing. Usually there is some good that comes out of ou troubles, and in this case we may say that if it had not been for our present difficulties we would not have had this road built at the present time. It was built without local contribution because of the nature of the country through which it was laid, and we built it because the Dominion Government was willing to assist us in this work as a relief of unemployment."

In declaring his confidence in the destiny of Ontario and in the continued progress of this province during the next quarter of a century, Mr. Macauley said the Government had no apologies to make for the construction of No. 7 highway.

"I hope it will benefit the social and economic life of this part of the province as we believe it will, and that no one, even our political opponents, will ever regret the expenditure we have made in constructing No. 7."

The other speaker was Hon. Mr. Macauley who expressed the opinion that the public was inclined to underestimate the value of Highway No. 7 to Central and eastern Ontario. This value should be recognized, and the children of today would see its evaluation to the fullest extent in days to come.

Premier Henry and his associates were guests of Madoc at a dinner attended by nearly one hundred men from the village and nearby district.

MUMBY - BATEMAN — At Bewdley, Ont., on Wednesday, August 24th, by Rev. H. A. Bunt, M.A., minister of Springbrook United Church, Miss Hazel Bateman, daughter of Mr. W. F. Bateman, Springbrook, Clerk of Rawdon Township, to Mr. Hiram Mumby, eldest son of Mr. and Mrs. Lindsay Mumby, Bonarlaw.

PERENNIAL SOW THISTLE

After Harvest Cultivation is the cheapest and most effective method that we can adopt to control Sow Thistle. Creeping root stalks are at their weakest stage now. Heat, sunlight and dry weather are our best partners.

The Dry Cleaning Method has proven effective for others and will for you if weather is suitable. Plow deep immediately after harvest and allow to dry thoroughly for two or three weeks—do not cultivate. Surface soil is separated from sub-soil, moisture is cut off, root stalks are hollow and milky and cannot stand heat and dryness — follow later with the broad shares on the cultivator to get any plants that remain.

Shallow Ploughing, Cultivating or Deep Discing will kill young Summer Annuals and induce seeds to sprout, poviding there is sufficient moisture. After harvest cultivation pays and will help to control all weeds, lower the cost of killing weeds and mean a larger succeeding crop and better returns. The co-operation of everyone is necessary if Perennial Sow Thistle is to be kept under control. Do your share and keep this menace from taking possession. Kill the weeds when they are the weakest. Plan now to plough and work as soon as possible all infested fields that are not seeded down.

T. M. Reid, Inspector for Rawdon Township.

OPPOSES ABOLITION OF COUNTY COUNCILS

Thee are two sides to every story. Some newspapers in Ontario are advocating the abolition of County Councils on the ground that they are too expensive and have long lived out their usefulness. Comments opposing the abolition of the County Council have been published in the News-Argus, which is only too pleased to give herewith a resolution passed recently by the Elgin County Council and sent out for endorsation by other municipal bodies championing the cause of County Councils:

"That this council disapprove of the movement on foot in some parts of the Province favoring the abolition of County Councils for the following reasons:—

1. The County Council, as it is now constituted, is a time honoured institution of the Province and no attempt should be made to stampede the people into agreeing of its abolition for the purpose of a supposed reduction in taxation during this temporary financial depression, which depression will probably be passed even before legislation abolishing the said Councils could come into force.

2. Much of the work now being done by the County Council viz: the management of the Court House, Gaol, Registry Office and House of Industry would have to be taken over by the Provincial Government, thereby centralizing in Toronto to a greater extent than ever the work originally delegated to the Municipalities.

3. The roads now controlled by the County would have to revert either to the local Municipalities, which would be a step backward as these Municipalities could not as effectively keep a connected system of roads as is done under the present system; or they would have to be assumed by the Province which again means more centralizing and greater taxation in some form.

4 The abolition of County Councils would remove one of the existing means for training for Public Service as it is conceded that the experience as a County Councillor and the training that many of them receive as Warden or Chairman of some important committees fits them for higher position in the Public life of the Province.

That a copy of this resolution be sent each County in the Province, the Prime Minister, and the Local Representatives."

CAMPBELLFORD

A painful accident was sustained by Ross McLaren while summering at his Trent Bridge cottage, when he had the misfortune to trip and break his arm. The accident happened on Friday evening while walking in front of his cottage.

Honouring Earl A. Fairman, who for the past four years has been the teacher at Connelly's school, Seymour township, the schoolhouse was filled to capacity on Friday evening when pupils and parents gathered to bid their teacher and friend farewell and wish him every success in his new field of endeavor. He has accepted the vice-principalship of a school in Northern Ontario. As a token of appreciation a beautiful leather club bag was presented to Mr. Fairman by Malcolm McCullouch, an address being read by Ralph Rutherford, in which he eulogized their departing teacher, who had been during the past four years, not only a teacher, but a friend and example of the highest type to the pupils.

Miss Connie Cunningham left this week to take charge of her school at Rhode Island.

The following number of boxes of cheese were graded at the Campbellford grading station on Friday, per factory: Victoria 18, Spring Valley 31, Burnley 30, Warkworth 34, Woodlands 26, I.X.L. 26, Roseneath 51, Brickley 21, Beaver 35, Menie 44, Trent Bridge 48, Seymour West 22, Prince of Wales 42, Brae 31, Empire 57, Kimberley 47, Crow Bay 37, Stanwood 42, Morganston 997, New Model 20, Norham 30, Trent Valley 84, making a total of 915 boxes. For the same period last year only 664 boxes of cheese were graded.

The highest score this week went to Warkworth and Brae factories, who had a total of 94 points each, Second place was won by Menie with 93.5 points.

It is reported that cheese in this section of the Province for the past week has been the best quality for the past ten years.

At the next factory meeting of the Campbellford Cheesemakers' Association to be held at Trent Bridge factory on September 8, it is expected that speakers will include P. Lancartes, M.P.P.; W. A. Fraser, M.P.; and F. W. McArthur, M.P.P.

RELIEF

from HEADACHES

COLDS AND SORE THROAT

NEURITIS, NEURALGIA

Don't be a chronic sufferer from headaches, or any other pain. There is hardly an ache or pain Aspirin tablets can't relieve; they are a great comfort to women who suffer periodically. They are always to be relied on for breaking up colds.

It may be only a simple headache, or it may be neuralgia or neuritis; rheumatism. Aspirin is still the sensible thing to take. Just be certain it's Aspirin you're taking; it does not hurt the heart. (Made in Canada.)

General News of Interest

Blairton — Lightning destroyed an old barn on the property of William Aunger at Blairton about 1 p.m. on Saturday, causing the loss of some hay and a roadster stored therein.

Margaret Ravoir won the women's marthon swim at the Toronto Ex. last Friday. She is engaged to marry George Young, who is expected to win the men's swim this week. If George wins what a happy wedding it will be.

Marmora—News was received by relatives here on Saturday of the death in Sidney Township of Mrs. William Nobes and also of a paralytic seizure occurring to Mrs. Thomas Rowan of the same township, the latter being a sister-in-law of the former.

Kingston—Smashing the ball to all corners of the lot in one of their biggest hitting exhibitions of the season, Kingston ponies slaughtered Belleville Nationals 18 to 2 in the deciding game of the Centre Ontario League play-offs here Friday night, and thereby qualified to meet New Toronto in the O.B.A.A. play-downs.

Marmora—Mr. E. C. N. Humphreys of Trinity College, Toronto, who has been in charge of the Anglican Mission of Bannockburn this summer, officiated at St. Paul's on Sunday. Members of the 1st Marmora Troop and of a Campbellford Troop of Boy Scouts were in attendance. Mr. Humphreys delivered an excellent sermon on "Follow Me and I will make you," Mark 1 17.

Steady work by the contractors north of Foxboro for the past few weeks has resulted in a considerable stretch of the Madoc-Foxboro highway being completed north and east of that village. The detour which had been set up at the junction of the Stirling road and Foxboro detouring all traffic to the Stirling road for some distance, has been taken down and traffic is now permitted to pass over the completed new stretch of road for some distance.

London—More than 100 ancient trees, mostly elms, which for many years graced the side of the highways in the London district howed their stately heads to the axe, during the tree survey conducted the past few weeks by the Ontario Department of Highways. They were condemned as unsound and therefore a menace to traffic. The survey was a sequel to the Eastern Ontario tragedy in which a tree fell across a truck with fatal results.

Trenton—Harry Ransom Brown, 24, of Wellington was drowned while bathing with two companions. His body was swept away by the undertow and not recovered until four hours later. At the time Brown was swimming behind his companions, Harry Forsythe and Max Farrell, when he was heard to yell. They made unsuccessful efforts to rescue him. The coroner decided an inquest unnecessary. The deceased leaves a wife and three small children at Trenton.

Ottawa—Parliament will probably open the first week in October, possibly October 6, according to reports in Government circles. This is considerably earlier than was previously suggested. A definite decision will be made by the Cabinet very soon. The expectation is that the session will be adjourned after effect has been given to the agreement entered into at the Imperial Economic Conference. This may not take more than two weeks. The adjournment will likely be until the last of January.

Norwood—Badly mutilated as a result of accidentally falling against an edging saw which he was operating, Colman Alldred, age about 38 years, an employee of the Ontario Cheese Box Company here died shortly after admission to Nicholls Hospital at Peterborough on Friday afternoon. Although it is stated no one saw the accident occur, Aldred's plight was noticed almost immediately afterwards. When extricated from the machinery he was found to have sustained severe gashes across the hips and abdomen, while three fingers of his right hand were severed.

On Wednesday last week, at sixthirty in the evening, when the threshers were at work in the barn of John Cronk's farm, Holloway, fire broke out in some unaccountable way. The barn and contents of hay and grain were completely destroyed. Neighbors from Foxboro, Plainfield and the surrounding countryside came to the aid of Mr. Cronk and succeeded in saving the other farm buildings. For a time the property of Harold Beatty and Herbert Casey was threatened but the fire was soon under control. The threshing machine belonging to Wesley Wannamaker, was removed undamaged from the fire and all the livestock in the barn was rescued.

RECORDS SHOW AUTO DRIVERS DESERVE CRITICISM

Civilized nations engaged in war, protect children as non-combatants. But apparently the drivers of automobiles in Ontario are less considerate. In this province last year, a total of 1,827 children were injured by motor vehicles. Of this number, 884 were playing in the street. True, some of these accidents were unavoidable; true, also that parents should be made to accept some of the responsibility, but none the less the record is a shameful one.

The trust of children in grown-up persons is proverbial. Apparently this trust is being violated more than a hundred times a month.

PRICES DROP

At the Belleville Cheese Board, Saturday morning, the usual grant of $25.00 to the Belleville Agricultural Society in connection with the Belleville Fair 1932, was made.

Boarded for the day were 1849 boxes, all white, and 1790 sold for 9½ cents, a decline 5-16 from the price a week ago.

HEATH — DANFORD

Miss Gladys Irene Danford daughter of Mrs. James Danford, of Belleville, was united in marriage to Mr. Fred A. Heath, only son of Mr. and Mrs. Byron Heath, of Bonarlaw, at eleven o'clock on Wedesday morning, August 24th. The ceremony took place on the lawn and was conducted by Rev. J. D. P. Knox, of Belleville. The bride wore a simple but becoming white gown and was attended by Miss Mabel Mason, while Mr. Kenneth Danford, brother of the bride supported the groom. The wedding march was played by Miss Leatha Hoover. After the ceremony all motored to the Dickens Tea Rooms, where a delicious wedding luncheon was served after which Mr. and Mrs. Heath left on a motor trip through Eastern Ontario. They will reside at Bonarlaw.

WHEAT 35c BUSHEL

Regina—Initial payment on the 1932-33 wheat crop pooled by grower-members of the Saskatchewan wheat pool will be 35 cents per bushel, basis No. 1 Northern. Fort William. This was announced Saturday from wheat pool headquarters here.

It is believed the same initial payment has been set for the other western pools.

The initial payment is the same as that set at this time last year, although this figure was raised in March of this year to 45 cents.

MILITARY APPOINTMENTS

The Canada Gazette issue of Saturday, August 27th last, contains the following of interest to many in the Bay of Quinte district:

"Hastings and Prince Edward Regiment — Lt. Col. H. J. Smith, V.D., is transferred to and appointed to command the 2nd Reserve Batallion, 22nd July, 1932.

To be Lt. Colonel and to command the Regiment—Major A. V. Yates, M. C. 23rd July, 1932."

MOUNT PLEASANT

A Unique Gathering

On Wednesday, August 24th, an event of interest took place at Mount Pleasant Hall, sponsored by the members of the W.M.S. The women of the community gathered in the forenoon and quilted four quilts during the day. At noon the older members of the Mission Band served delicious luncheon. The tables were nicely arranged with pretty bouquets of yellow flowers and the menu consisted of sandwiches, salads, pie and birthday cake. Mr. Allan Bailey was the guest of honour, it being his seventy-fifth birthday and he was escorted by the pastor, Rev. Joblin and Mr. Clifford Holmes. Guests outside the community were Misses Lola Heath, Bethel; Roberta Locke and Barbara Dobbie, Stirling. Thirty-six enjoyed the dinner and all received a generous portion of the Sunshine Birthday cake, which was topped with seventy-five maple cream buds. After dinner a radio broadcast was heartily enjoyed. Mrs. Ross Hoard was the announcer and she was very original in her introductions. The dinner program consisted of piano solo, Miss Eileen MacMullen; vocal solo, Miss Edna Thrasher; piano solo, Miss Myrtle McKeown. At this juncture Rev. Joblin moved a vote of thanks to the Mission Band for their entertainment and Mr. C. Holmes was the recorder. The pastor then paid a glowing tribute to Mr. Bailey, he being one of our pioneers, having witnessed the opening of Mount Pleasant Church. Mr. Bailey feelingly replied. All sang "For He's A Jolly Good Fellow". Mr. Bailey is hale and hearty and left the gathering about 2.30 p.m. to resume his work in the harvest field. The ladies at this juncture again took up their needles and the program continued. Duet, Misses Marguerite White and Betty Locke; piano solo, Miss Isobel Turner; piano solo, Miss Frances McKeown. The Glee singers then sang several selections, one of them being "Mrs. Bailey's Quilting Party." Soon after dinner we were pleased to welcome three other guests who assisted in the afternoon. The quilts belonged to Mrs. Bailey and Mrs. Locke, two of them being pieced by Misses Isobel Turner and Betty Locke and these netted the Society four dollars. The Sunbeam Mission Band received four dollars from their dinner and the girls were delighted. We are sure that many friends in the attendance at this special function will join us in wishing Mr. A. H. Bailey many more happy birthdays. The W.M.S. and Band will be pleased to arrange a similar event for anyone wishing their quilting and birthday to be celebrated. During the afternoon many complimentary remarks were heard re the splendid dinner arrangements and especially the humorous remarks made by the capable announcer through the microphone. About forty were in attendance.

AIDS IN CAPTURE OF THIEF

When motoring to Toronto last Thursday with a friend, Mr. Burton Morton, son of Mr. and Mrs. Chas. Morton, Wellmans, had a thrilling experience. Just as he was approaching Bowmanville a car shot past, closely followed by a traffic cop. The cop caught the fleeing car and ordered it to stop, but in place of obeying, the driver swerved his car, striking the motorcycle and throwing it and the rider into the ditch. The traffic officer was slightly injured, but with pluck he commandered the Morton car, and jumping on the running board and drawing his revolver, ordered Burton to give chase. They raced through the town of Bowmanville at sixty miles per hour with the cop shouting orders to phone ahead to police to apprehend the fleeing driver. The chase continued to Oshawa and it was a thrilling drive for Burton, being compelled to shove the accellerator to the floor by command of the police. The culprit was caught by Oshawa police after alighting from the car as he endeavored to make a dash for liberty. It was discovered his name was Edwin Horner, of Oshawa, an alleged chicken and potato thief and the "cop" was provincial officer Purvis. Horner, who is reported to be suffering from cancer of the brain, appeared in Oshawa police court on the charge that he "unlawfully did with intent to resist and prevent lawful apprehension, cause grievious bodily harm to Edward Purvis, police." This offence, upon conviction renders the offender liable to a sentence of life imprisonment. According to the Oshawa Daily Times. Mr. Morton is given some credit for the capture.

BRIDE-ELECT HONOURED

Miss Margaret Anderson entertained some fifteen friends on Tuesday afternoon, last week, in honour of the bride-elect, Miss Ruth Gibson, who was married on August 24th. She was tendered a cup and saucer shower and an enjoyable time was had with contests, games, etc., and a delicious lunch served. The choir committee of St. Andrew's Church, consisting of Mr. and Mrs. Roger Meiklejohn, Mrs. Magee and Mrs. Nolan waited upon Miss Gibson at her aunt's, Mrs. T. Matthews, on Tuesday evening, also last week, and presented her with a beautiful silver tree platter. Miss Gibson was an esteemed member of the choir for some years.

CHINA AND JAPAN AGAIN

According to press dispatches the Chinese made a surprise attack on Mukden, in the Manchuria district, recently taken over by the Japs, in a little war. The Japs are now rushing troops and destroyers to that section. Many of the Occidental race prophesy a big war between these two Oriental races. There is no doubt that trouble will continue to break out so long as the Japanese try to force their rule on the chinese.

THE ECLIPSE

The great eclipse has passed. Yesterday afternoon this phenomena was witnessed from vantage points by the residents of the district from about 2.30 until 4.30 o'clock. At the total eclipse mark it was quite dark, as if a black cloud had passed over. However, it was not necessary to use lights in this section. Mr. Harold Munby phoned the News-Argus stating that he had seen the star near the sun. How many other people did?

The skies were clear and no doubt in Quebec, the direct path of the shadow, scientists and astronomers were successful in securing pictures and data of the eclipse. In this district the eclipse was reported to be about 95 per cent. In all probability there are some stiff necks — and many pieces of smoked glass discarded this morning.

In Quebec Premier L. A. Taschereau ordered a half-holiday for all employees at the parliament buildings in order that they might be able to observe the solar eclipse.

Features connected with the eclipse were:

Shadow of moon rushing across earth at 50 miles a minute; Baily's Beads, like a string of pearls on the lower part of the sun; the white radiance of the corona during the total eclipse; the stars and planets during the total eclipse; rosy prominences from the sun right across the edge of the moon; Sun's light sweeping back across earth; strange effect of the eclipse on birds and animals; path of totality 100 miles wide sweeps down in curve from Hudson's Bay to tip of Cape Cod; Sections in Ontario and Quebec, Northern Vermont, New Hampshire and Southern Maine in path of eclipse.

CENTURY CLUB MEMBER

MR. P. C. McGUIRE

of Belleville, formerly of Stirling, who is district agent for the Mutual Life Assurance Co., was successful in qualifying for the Mutual Century Club this year. Along with Mrs. McGuire, he attended the convention of Century Club members, as guests of the Company, at Bigwin Inn, last Wednesday, Thursday and Friday. To qualify for this Club or high honour, in the insurance world, an agent must sell over $100,000 in insurance in one year. As well as accomplishing this objective, Mr. McGuire was given special mention at the convention for his large number of applications, having secured over sixty-seven and was in the first eight highest. There are over eighty members in the club and this fine showing demonstrates Mr. McGuire's ability in selling insurance. He was presented with an artistic ash tray by the company. No doubt Mr. McGuire's many friends in Stirling and district extend congratulations for his splendid showing in the insurance sphere.

HOLIDAY AT BIGWIN

(Continued from Page One)

lunch was served in the spacious and outstanding dining hall.

Following lunch a tour of inspection was made and it was difficult to realize the magnitude of this great place, with cement walks for promenading, all covered with an artistic canopy to keep off the heat rays of the sun, or the rain. All the buildings were separate, such as the sleeping quarters, rotunda, tea room, dining hall, dance hall, etc. We will not go into detail about the beautiful architectural designs of the buildings, etc., upon which over one million dollar was spent, but in the rotunda, we inspected the most beautiful and artistic fire places, in stone, that we ever witnessed. One in particular was outstanding, with large chairs with rounded backs, built in with stone, each chair was matched and it seemed impossible that such stones, of the same size, large and small, could be secured.

A program of morning sessions for the Club Members, had been arranged, but the writer not being eligible, did not attend the meetings, but took the opportunity to do more exploring. The first morning we climed to the water tower, which is about one hundred and fifty feet above the hotel. After reaching the top, a most imposing view greeted us, which is impossible to describe. We had a panoramic view of the entire island and the different lakes and forests for miles around. It was a stiff climb, but the view was well worth any exertion made.

Every sport was available for the entertainment of guests, including golf, tennis, bowling, horse-shoe pitching, swimming, etc. At night concerts were given in the rotunda, including Indian songs by the famous Oakenonton, and Mrs. Squires, noted singer of Dayton, O., and dancing was enjoyed in the spacious hall from 9 to 11. One thing that was quite noticeable and surprising was that at 11.30 p.m. quiet prevailed throughout.

Among the guests were Mr. and Mrs. Anderson, son and daughter of South Africa, who were enjoying a rest after attending the Imperial Conference at Ottawa.

The staff of waitresses, clerks, porters, etc., are mostly university students or teachers, who spend the entire vacation period at this great camp. Two of the staff, a young lady and gentleman, were former students of Petrolia high school, and were well known by Mrs. Dobbie, and through their efforts our stay was made the more pleasant. We had the privilege of inspecting the offices and meeting some of the higher officials, and through the courtesy of the young lady, Mrs. McGuire and Mrs. Dobbie inspected the kitchen at the dining hall, which no doubt proved a revelation to them. It was discovered that all the food was tested before being served. This was the secret to the meals, which were most delicious and tastily served — each course being as much as anyone would desire.

On Thursday night a banquet was held by the Century Club, at which some outstanding facts were given regarding the Mutual Life Assurance Co., but which we will not incorporate in this article — but wish to state that according to figures — and figures are considered facts — it is one of the strongest insurance companies in Canada.

On Friday afternoon we reluctantly made our departure from this summer paradise. The pleasing part of our "vacation" was that the weatherman was most accommodating and O'd Sol shone in all his glory until our departure, when a thunderstorm passed aver just before we went on board ship for the return journey to Huntsville. It rained until the portage was reached and then cleared away until the boat neared Huntsville when a slight shower passed over. We arrived at Huntsville about 6 p.m. After getting our luggage packed in the car, proceeded homeward, feeling that a glorious holiday had been spent in Bigwin.

We remained over Friday night at Alliston, the guests of Mr. and Mrs. J. D. Mills, formerly of Stirling. Saturday morning, through the courtesy of Mr. Mills, we enjoyed a game of golf at Mr. Loblaw's beautiful course which is located on his farm three miles out of the village. We left Alliston about 10.30 Saturday morning and were accompanied by the writer's daughter, Isabelle, who had been visiting her little chum, Majorie Mills. We left the McGuires in Toronto, as they were motoring to Walkerville on a visit to Mr. and Mrs. Ray Atkin, and took the four o'clock flier. We arrived in Stirling about 7 o'clock, and although we had seen some lovely scenery on our trip, the view from Oak Hills seemed the most beautiful and entrancing to us.

We desire to take this opportunity to thank Mr. McGuire for his kind invitation to the convention and to the officials of the Mutual Life Company for extending us all convention privileges and doing everything to make our "holiday" a most enjoyable one. Our wish now is that we may return to Bigwin Inn, Canada's premier summer resort, for another vacation.

GEORGE YOUNG NEARLY DROWNED

Followers of the Marathan Swim, held at the exhibition yesterday, were shocked when it was announced over the radio in the afternoon that George Young was taken out of the race, after passing the fifth lap buoy.

Young rounded the buoy, swimming strongly, and suddenly disappeared from sight in front of thousands of horrified spectators. Several other swimmers rushed to his assistance and boats rushed to the scene. Young struck a large float which marked the course and sank instantly.

He was in fifth position and preparing to make his bid for the leadership when he sank. Johnny Walker, his coach, who was directly in front of his young potege, lost sight of Young for an instant and in that short space of time the Torontonian went down.

Thousands of persons, cheering the progress of Young were simply horrified as he disappeared. There were loud groans and women turned away. Several other swimmers who were close by swept to the scene and dived after young, finally managing to bring him to the surface and keep him afloat until boats could reach him. It was the narrowest escape from drowning ever seen in marathon swims since they first began here in 1927.

The winners and purses were as follows:

1st, George Blagden, Memphis, Tennessee, $7,500.

2nd, Giovanni Gambi, Italy, $2,000.

3rd, Isador Spondor, Port Colborne, $700.

4th, Marvin Nelson, Fort Dodge, Iowa, $500.

5th, Wm. Goll, New York, $200.

6th, Harry Glancy, Cincinnatti, $100

The winner's time was 7 hours, 19.52 minutes.

There were 225 swimmers in the event.

New Stoker for High School

The Board of Education met on Tuesday night with Chairman J. B. Belshaw and Messrs J. S. Morton, H. C. Martin, W. Wright, C. F. Linn, C. R. Bastedo, E. Luery and Drs. C. F. Walt and H. H. Alger present.

J. S. Morton, Chairman of the Property Committee reported that equipment for the teaching of Chemistry and Agriculture had been purchased. Any repairs needed to the Science room had been attended to. He also submitted samples of hose for fire protection in the High School. This matter was laid over by the Board on motion of H. C. Martin, seconded by C. F. Linn that hose be secured for school after proper inspection by Fire Underwriters.

The matter of a stoker was again brought before the Board and Mr. Palliser, of Campbellford, was called upon to give the benefits of such to the heating equipment. It was stated that the machine would provide even heat at all times, at the same time conserving the fuel supply and saving considerable in that way. The machine is said to be automatically controlled so that the fire can be kept at the same level, much more so than by the ordinary method of hand firing. This matter has been under consideration of the Board for several months and data has been received from many different companies. The company represented by Mr. Palliser, to introduce their machine, had given a special rate, and it was deemed advisable to instal this equipment in the High School at a cost of $485. It was moved by J. S. Morton and seconded by Mr. Luery that Mr. Palliser be given an order for one of his machines which would be replaced by a larger size if necessary, at an additional cost of $50. Carried.

It was moved by H. C. Martin and seconded by C. R. Bastedo that the sale of the pumping equipment of the schools be left in the hands of the Property Committee.

Mr. Lawlor, the new principal of the High School stated that everything was progressing satisfactorily. Several subjects had been added to the time-table. There were 108 present the first morning of school, almost equally divided between boys and girls. Four more students had arrived on Tuesday.

One year ago the attendance at the Public School was 129, while Principal S. L. Snowdon reported 132 present this year, 72 boys and 60 girls. Music and Art had been added to the timetable and some equipment was necessary for the teaching of these subjects. There will be a Manual Training and Household Science Exhibit from the Public School at the Stirling Fair and this should be of great interest to all. New ropes were needed for the swings. It was moved by Dr. Walt and seconded by C. R. Bastedo that proper equipment for teaching of Art, Music and other subjects be purchased with the approval of the Board.

Mr. Lawlor was chosen to fill the vacancy on the Library Board, caused by the removal of Mr. Spinks.

In making his report, Dr. C. F. Walt stated that the choosing of a teacher to take the place of Mr. Snider, on the Public School staff, had been a comparatively easy task for the Teachers' Committee, as the Board had been very definite in the qualifications they expected the new teacher to have. The Committee had acted strictly according to the specifications laid down by the Board in that the new teacher must be qualified to teach Art and Music, must be a teacher with previous experience, and the salary was to be $800. "Therefore," said Dr. Walt, "we had no alternative but to engage a teacher who could reach the standard set by the Board." Miss Moffat was engaged out of about 75 applications for the position. Dr. Walt felt that the thanks

THE WRONG NAME

In the article in last week's issue relating to the car accident on the Ridge Road, the injured lady's name was given as Miss Margaret Wright. This was incorrect and should have read Miss Elizabeth Wright. The many friends of the latter will be pleased to learn that she has practically recovered and assumed her duties as teacher on Tuesday.

SHOW FAIR NIGHTS

The management of the Stirling Theatre has been fortunate in securing an outstanding picture "Million Dollar Legs" for Fair Nights, Tuesday and Wednesday, September 20-21. The stars are Jack Oakie, W. C. Fields, Ben Turpin, Andy Clyde and Lyda Roberti.

DEBENTURES READY

The new debentures for the permanent waterworks yielding six per cent. par, are now printed and ready for distribution. Mr. Argue, of Belleville, who has the contract for selling same, reports that he has the entire issue practically sold to investors in the district.

LEGION MAKES $158

The gross proceeds of the Street Dance and Carnival held by the local Legion, on Wednesday evening, last week, amount to $440. After all expenses were paid a surplus of $158 was realized. This money will be used in aiding returned soldiers and their wives and families.

APPLE BLOSSOM TIME

Mr. Ira Whitton displayed a fully developed apple blossom to the News-Argus on Saturday morning that had been picked from a tree in Mr. Lewis Wilson's orchard, Harold, the day previous. This is rather late for apple blossoms to adorn trees. However, we noticed in the twenty years ago news where apple blossoms were also in bloom at this time of year.

CAT POISONED

In last week's issue there was an article relating to dog poisoning. On Tuesday a local resident informed the News-Argus that someone had poisoned a valuable Persian cat on Labour Day. Apparently there is someone who specializes in this diabolical trick. May the party or parties be apprehended at once, before their seemingly gleeful tricks destroy other family pets.

BOWLERS AT COBOURG

Two rinks of local bowlers took part in a Scotch Doubles Tournament held in Cobourg on Monday. W. H. Moise and Thos. W. Solmes, skip, won five games and lost two, being eliminated just as they were about to enter the semi-finals. W. J. Whitty and Walter Wright, skip, won three and lost two. Although the above four kitty chasers made a splendid showing on the day's play, they failed to capture a prize.

TRIPLET PLUMS

On Saturday inght Mr. Phil Beaudrie, of Madoc Junction, presented the News-Argus with triplet plums —that is there were three well-formed plums attached to one stem. This is indeed most unusual and surpasses the exception of the twin plums, referred to in last week's issue. This is not the only case of "trios" in this fruit. On Saturday morning Ross Bailey, son of Ex-Warden and Mrs. G. A. Bailey, Harold, also picked a "triplet" from the plum tree in his father's orchard.

HOLD FAMILY REUNION

A very enjoyable time was spent at the home of Thomas Cranston on Sunday, Sept. 4th, when all the sisters and brothers of his father, Mr. James Cranston, met to enjoy a quiet reunion. There were four sisters and four brothers, namely: Mr. and Mrs. John Cranston, Ottawa; Mr. and Mrs. Frank Doxtator, Shannonville; Mr. and Mrs. Andrew Cranston, Holloway; Mr. and Mrs. Warren Reid, Sine; Mr. Robert Cranston, Harold; Mrs. Tom Robinson, Ottawa; Mrs. S. J. Benson, Belleville; Mr. and Mrs. J. Cranston, Stirling. This is the first time they had met together in thirty years. All partook of a sumptuous dinner. The afternoon was spent in old time reminiscences and taking pictures, four generations being represented: Mr. James Cranston, son Thomas, grandaughter, Mrs. Nelson Hannah and her son, Thomas R. A hearty expression of thanks was extended to Mr. and Mrs. Thos. Cranston for their kindness in providing for so large a gathering. There were 25 present.

Council Decides to Proceed With Wwks. Extensions

At the regular meeting of the Village Council, held last night, with all members present, it was decided to take the necessary procedure to have permanent waterworks extensions installed so that the entire village will be served with water for domestic as well as fire purposes. Considerable discussion took place on the matter. The Council feels that with the cost of materials, and labour wage low that now is the opportune time, even if the cry of hard times charges the atmosphere. With the debentures for the present area practically sold, and an offer of 99 made by a Toronto brokerage firm for all remaining debentures, the problem of financing has been greatly eliminated. Some time ago a survey was made and with the residents in the extension area who stated at that time that they would take a service, the same will be self-sustaining even though there is a stretch between Treasurer R. A. Patterson's residence on Front Street, to the Campbellford corner with only one service desired. With the extensions installed, the entire village will enjoy first class fire protection, as hydrants will be placed in locations most beneficial.

A resolution was passed asking the Provincial Department of Health for a mandatory order for the extension and application will be made to the Municipal Board for their approval. This is the procedure necessary and it is expected that the same will be granted without delay. Several citizens outside the present area have claimed that it was unfair that they could not secure permanent water, as they were "joint backers" for the debentures. With the extensions installed every citizen will have the opportunity of the service and the Council's wish when the project was first discussed, will be realized. It was their desire to have the entire village served, but marked off the present area as the estimated revenue from this section would take care of the annual cost. No doubt a number of citizens, in the extension area, will be pleased to learn of the Council's decision. The work will be commenced as soon as the order and approval of the Toronto Boards are received. Routley Construction Company will have the contract. It has been stated that the Council should instal same themselves, that is not engage a contractor. After discussing this from all angles, the Council refused to assume such a responsibility. The estimated cost is $17,000.

The following are the streets on which the sytem is to be extended:

Frankford Road—Front Street to E. T. Williams' residence.

Church St.—Higih School to Campbellford Road.

Campbellford Road—Front Street to Jas. Dunkley's house.

Front Street—From R. A. Patterson's to Wm. Wallace's.

Emma St.—Front st. to Jas. Conley's.

John St.—Extended to Bert Lum'miss' house.

Elizabeth St. — From John to Henry Streets.

Mill Street—Presbyterian Church to limits and north on William St. to Thomas Cranston's.

Baker St.—Mill Street to Archie McGee's.

Wright Street—John Street to end.

Station Street—Church street to Thos. Spry's.

Wellington Street—Edward Street to corner of J. F. McCaw's property, and north on street past R. Dunkley house.

St. James St.—From Front Street to J. B. Belshaw's bungalow.

Mr. J. B. Belshaw addressed the Council asking for a water service in his bungalow, occupied by Mr. Disbrowe, on St. James St. The matter was left with extensions.

R. H. Williams requested that action be taken regarding ditch in front of his property and stated that the drain leading back of the old town hall and Stirling hotel was plugged. The Street Committee was appointed to interview the Board of Health in the matter and that necessary action be taken to clean up same.

The question of weeds in the municipality was discussed. The Weed Inspector will be requested to check up on same and see that they are cut.

The new road scraper has been purchased for $35, which will aid greatly in keeping the non-paved streets in a good condition.

The whole Council and Mr. F. A. Sprentall were appointed a committee to determine rates for permanent water services.

Mr. F. A. Sprentall was appointed manager of the Permanent Waterworks at a salary to be decided upon at the next meeting.

Councillor Fitchett gave notice that he would introduce a by-law at the next meeting to establish permanent waterworks rates.

Mr. Argue was given until September 15th to sell debentures on present waterworks area and the debentures will be deposited in the Royal Bank for delivery.

Clerk Luery, on behalf of the business men, requested that the street in the business section be washed once a week. The entire Council felt that this should be done and the matter was left in the hands of the Street Committee, with power to act.

Council adjourned.

75 YEARS "YOUNG"

Mr. F. T. Ward, one of Stirling's oldest and most genial merchants, celebrated his 75th birthday on Monday. Along with Mr. and Mrs. E. T. Ward he spent the day with his granddaughter, Miss Winnifred Ward, nurse-in-training in Kingston General hospital.

Mr. Ward is most active for his years, and daily he carries on his duties in his clothing store. The News-Argus extends congratulations and may he observe many more natal days.

BABE SWALLOWS POISON

Just as we were about to go to press we learned that the infant child of Mr. and Mrs. Deline ate some strychnine this morning. It is presumed the child discovered the poison while romping around the house, and as the mouth seems to be the first place a babe places any article, the youngster had swallowed some of it, before being discovered. Medical attention was immediately summoned and we are sorry to report that the infant passed away.

CARS COLLIDE

An auto collision occurred on the Campbellford road in front of Mr. S. A. Murphy's residence yesterday afternoon, when a car driven by Miiss L. Johnston hit a car piloted by Mr. D. L. Fleming. Mr. Fleming, engineer on the permanent waterworks project, was out on a tour of inspection of the proposed extension lines. He was about to turn his car around when Miss Johnston, driving behind, and about to pass at the same time, did not notice any "turn" sign in the car ahead and before she could stop her car the crash occurred. Fortunately the occupants were uninjured, but both cars suffered bent fenders and dents.

CAR TURNS OVER

After going out of control a car which was driven by Mr. Chas. Runion, of Campbellford, turned sideways and rolled completely over on the Campbellford highway about two miles west of here early Saturday evening. Accompanying Mr. Runion at the time of the accident, were Messrs R. Ayrhart and Thomas Stewart, both of Campbellford. The car was being driven in a westerly direction at the time and no apparent reason could be arrived at which might cause such an accident to occur. Mr. Runion was brought to the surgery of Dr. Alger, and treated for a compound fracture of the left thumb. Later he was able to return home. Mr. Stewart also needed the attention of a physician as he was slightly cut about the head. All three occupants of the car returned to their respective homes late Saturday night. The car was quite badly damaged. Provincial police investigated the case and charges may be laid as a result of their investigation.

BOWLING IN TORONTO

Messrs Thos. W. Solmes, W. J. Whitty and Dr. E. A. Carleton left yesterday for Toronto, where they will take part in the Globe Scotch Doubles, being played in Toronto, commencing today at 1 o'clock.

APPEAL FROM THE LEGION

The Stirlnig Branch of the Canadian Legion is making an appeal to the citizens of Stirling and community for used articles of men's wearing apparel, shoes, etc. These articles will be distributed to needy returned men in centres where the need is greatest. Parcels may be left with the secretary, F. T. Hulin, at any time.

WINS SCHOLARSHIP

The Department of Education has announced that Miss Margaret Walt is the winner for 1932 of the Hon. J. R. Cooke Scholarship, value $50.00, in cash. This award is open annually to students of Stirling High School, and is given for the highest standing in eight Upper School papers taken at one Departmental Examination.

MANAGER OF NEW CO.

Mr. George J. Ellis, of Oshawa, formerly of Hoards Station, has been appointed Assistant Manager of the newly formed British Canadian Transportation Co., with offices in Hamilton, Guelph and Oshawa, with a fleet of thirty transports operating between the principal commercial points in Ontario and Quebec. This will be of interest to his many friends in Stirling and district.

WINS $5 GOLD PIECE

Peggy Rashotte, daughter of Mr. and Mrs. Felix Rashotte, Tweed, and a granddaughter of Mrs. Geo. Whitty, Stirling, was presented with a five-dollar gold piece by Rev. Dean O'Riordan, at the Catholic Women's League annual picnic held in Tweed last week. This prize was for obtaining the highest marks at the entrance for Tweed Separate School. Peggy is the third member of the family to win this honour. Her brother, George, who was fatally burned a year ago last Spring, nd her sister, Bern, also won a five-dollar gold piece for coming first when they wrote their H. S. Entrance exams.

FIREMEN CALLED

About 8.30 last night the firemen were summoned to the tool shed belonging to Mr. Jas. Conley, on Emma street, which was in flames. The brigade answered in quick order and in fifteen minutes after the alram the blaze was extinguished. The hose line was connected to a hydrant in front of Dr. Alger's residence. This was the first test of the permanent waterworks for fire protection and the pressure greatly surpassed the summer system, and so great that the two nozzle men had to do more than "just hang on to the hose." The walls of the building were left standing, but the contents were practically a total loss. A shed at the rear, belonging to Mr. Frank Stapley, and in which was a clover threshing machine, was in danger, but fortunately it did not catch fire.

MILK REPORT

The following is the report of samples of milk, submitted to the Department of Health, Peterboro, by Inspector J. R. West, on August 31.

Vendor	Bact.	B.F.
Geo. Luery	20,000	3.9
F Stapley	10,000	4.1
Geo. Belshaw	240,000	3.5
M. Hagerman	30,000	4.
D. Utman	20,000	3.5
Chas. Faires	120,000	3.6
Geo. Richardson	30,000	21.
E. Munro	40,000	4.2
F. McCutcheon	20,000	3.
A. Wannamaker	30,000	3.7
Thos. Cranston	20,000	4.7

Aparently there has been an error in the sample that tested 21%. This must have been pure cream. According to information the average test of milk at the cheese factory is from 3 per cent. to 3.5 per cent.

The Presbyterian and United Churches will commence the Sunday evening service at 7 o'clock henceforth, instead of 7.30, the time set for the summer months.

CURRENT COMMENT

With Labour Day past, the next holiday will be Thanksgiving Day, October 10th.

Summer vacation, the National Exhibition, Labour Day and the Stirling Fair, September 20-21, indicate that the year is slipping around towards its close.

B-r-r-r! Quite a change in the atmosphere yesterday, when the thermometer registered around the fifty mark. It reminded us that our winter fuel supply was yet to be secured.

Trenton Courier Advocate—It may be true there is a growing scarcity of girls who know how to keep house, but there is also a scarcity of young men who know how to provide the house.

Bancroft Times—A city youth who was "dead" for nine hours from drowning, said he saw a million lights as he went down. He didn't say whether they were green or the traffic was against him.

It has been reported that instead of heading for the international boundary, people of Canada who took motor trips this year turned their wheels northward and penetrated deeper into their own hinterlands where a Canadian dollar was worth 100 cents.

Driving with defective brakes has been described as potential murder, yet there are scores of cars running around without any brakes at all, or very poor excuses for brakes. The policy seems to be to wait until an accident happens.

Petrolia Advertiser-Topic—Many government liquor stores will fail to make expenses this year according to a report. This is a condition which ex-Premier Ferguson predicted when he introduced the O.T.A., but it is hardly likely to be credited to temperance education which he recommended at that time.

Kingsville Reporter—No business man in any town should allow a newspaper published in his town to go out without his name and business being mentioned somewhere in its columns. The man who does not advertise his business does an injustice to himself and his town. The life of a town depends upon the live, wide-awake and liberal advertising business man.

Now that cattle guards are no longer required at railway crossings, why not also change the name of the cowcatcher in front of the locomotive? We would suggest that the word "cow" be changed to "auto", considering the many accidents caused from a railway engine and a car endeavouring to occupy the same railway crossing at the same time.

There has been some activity both in county and in municipal circles to curb outsiders who come into town to peddle their wares. With this the News-Argus is entirely in accord, for there has been altogether too much of it going on. Today you can buy almost anything from perfume to footwear at your front door. It is unfair competition and energy directed toward enforcing existing by-laws will be well expended.

We extend congratulations to the Tweed News, which commenced its fifty-second year of publication last week. The News is a bright, well-printed weekly and Editor Sam Currie, who has been at the helm for the past year, is to be congratulated on his improvements in this cotem. Since he assumed control the News has enlarged into eight pages home print. We wish Bro. Currie many years of success in the News Editor's Sanctum.

Radio owners, have you secured your licenses for this year? Remember you need a license for each radio, that is, of course, if you have more than one. Rigid enforcement of an act prohibiting all radio dealers from selling or servicing any radio set to an unlicensed owner has been promised by the Department of Marine, at Ottawa, who have recently given due notice to all dealers in this district. The act is not a new one, according to local dealers, who have been questioned regarding it, but was incorporated in departmental rules governing the Radio Act some three or four years ago. It has not, however, been rigidly enforced. Despite the belief that one license only is required for each home, regardless of how many receiving sets are being used, it is compulsory that for each set owned one license must be secured.

Help The Youth of Today

While economists and prohpets are scrambling over themselves looking for corners around which Dame Prosperity is said to be loitering, the calendar reminds us that this is September, the month-when-school started for the fall term. It brings opportunities. Chief of them is encouraging and making it possible for boys and girls to take advantage of the best means our civilization has yet devised for developing responsible and capable men and women: Schools. It is hardly necessary to marshall statistics to make the point that few jobs are available and that idleness is a prolific source of juvenile delinquency. Equally obvious is the fact that, with many adults out of work, it becomes socially desirable that the training period of boys and girls be lengthened.

Very important, at this time, is the personal counselling of youths with their understanding elders. The teen age is the hero-worship age, and no man is a greater hero to a boy than he who, successful in his own business or profession, takes a sincere and intelligent interest in the youngster's welfare. That needs but to be tried to be proved.

Support The Fall Fair

As the date of the Stirling Fair draws nearer—it is now only twelve days away—it becomes more and more apparent that the officers and directors of the Stirling Agricultural Society are making a supreme effort to make it a complete success. Not only have special attractions been arranged, with a view to increasing the interest and the attendance, but it is being organized on a scale to enable those who attend to get more than value for their money. However, no matter what plans the Society makes they are incidentals in the making or marring of the fair. The decision as to whether it is to be a success or a failure rests, after all, with the people of Stirling and the surrounding community. The 1932 fair offers an opportunity to the people of this village and district to show what they can do in community effort. If they get behind the fair whole-heartedly, make it a success by their attendance, and by their interest in it, they can make it a memorable occasion. If they wish to make it a failure, they can do so by ignoring it. That is the choice which has to be made. The fair is a community institution, and it rests with the people of the district to make it the success which he officers and directors are working to make it. There is no other way. You can help to make it the greatest fair ever held here, and if Stirling Fair is to be worthy of being called a progressive and outstadning event, then the citizens of this section will get behind the fair board to a man, and make all their hopes and dreams for the fair come true.

What Others Say

SOME MERCHANTS COMPARED TO LOVERS KISSING IN THE DARK

(Bowmanville Statesman)

Perhaps the greatest competition with which the local merchant has to contend is that which emanates from the Toronto mail order houses and departmental stores. Some local merchants willingly admit that they cannot understond why people will insist on buying from these sources when in the majority of cases they can buy as cheaply at home.

We are willing to wager that the major reason for this buying from outside the community is the fact that people do not know that they can buy as cheaply as they buy from the departmental store and the mail order house, right here in their own town. That may seem too easy an answer from a problem that has baffled the small town merchant for so long, but it is true.

What is our explanation? It is just this. The mail order house issues several times during the course of each year catalogues explaining what they have to sell and the price at which it is sold. These are distributed to half a million homes in the Province with the result that the people know with what the mail order house is stocked, and the price of every article. Then the departmental stores, through their page advertisements in the city dailies tell what is of special interest at the moment. They invite you through these daily messages to shop there, and in many cases provide special telephone lines to handle your orders.

It stands to reason that the local merchant may have his store stocked to the very ceiling with seasonable and good quality goods at prices that dety even mail order competition. But how is the prospective customer to know about it? Modern business is not of an enquiring nature. The buyer wants to be told about the merchandise, not have to request the information he needs. Until Bowmanville marchants realize that they have got to tell, through the medium of advertising, what they are stocking and the prices at which they are retailing, they cannot expect the local buyer to give up forever the unsatisfactory habit of buying from an illustrated catalogue or the enticing advertisements in a daily newspaper.

Too many local merchants and their well-stocked stores are on a par with young lovers kissing in the dark. They know all about what's going on, but nobody else does.

And one thing remains to bring about this era of home town buying, and that is for merchants themselves to do the very thing that they expect their customers to do, buy in Bowmanville. A local merchant recently told us that he does not believe that there is a merchant in the town who is not an offender in this practice. The merchants must satisfy themselves that they can secure their own wants in Bowmanville before they try to satisfy the people of the district that they also may secure their needs here.

BRINGING BACK TRADE AMONG TOURISTS

(Financial Post)

All the indicators point to a greatly reduced tourist revenue for Canada for the current season.

In one area the bank reports to The Financial Post that less United States money is coming in; beach population is down 30 per cent, and many cottages were empty.

In another territory, a branch bank reports shipments of $5,000 of American currncy in July as against $45,000 the same month last year.

A third bank reports that in his town the leading tourist hotel, which used to be filled every night has at times had only one or two guests this year.

A banking survey in a medium-sized city shows $70,480 of United States money turned in during July as against $205,030 for July a year ago.

The chief reason for the decline in the number of American visitors is the depression in the United States. American tourist resorts have themselves experienced a very poor season. Maine resorts have been depleted of visitors except in the few centres that have learned to rely upon Canadians; in these places the decline in tourist revenues has been much less than the average. In one of the chief Atlantic tourist centres many hotels did not bother to open this year; others had a very poor showing, with the exception of one hotel which has always catered to the school teachers and principals, a commentary on what seems to be one depression-proof profession. In a leading New Hampshire mountain resort there seemed to be more windows boarded up than in use.

The decline in our tourist travel is largely outside our own control this year.

But one significant trend is reported by merchants. Purchases of goods in Canadian stores catering to United States tourists has fallen off more than the number of tourists. To no little extent this is due to the fact that exchange and other duties have greatly increased the laid down cost in Canada of imported novelties from Great Britain and the continent. In trade circles some comment has been occasioned by the fact that for the first time in history Irish linens are more expensive in Canadian stores than in New York. The tariff duties have taken away much of the inducement to United States visitors to buy the $100 of merchandise allowed free entry by the United States customs.

The preferences offered to Great Britain under the mysterious 220 items will no doubt go far toward correcting this situation and enabling Canadian stores to offer many interesting and inexpensive British novelties and products that will make buying in Canada again profitable for the American tourist.

WATCHTOWER BIBLE AND TRACT SOCIETY MEMBERS JAILED FOR DISTRIBUTING LITERATURE—PUBLIC REGRET EXPRESSED

(National Business Review)

While modern times have brought tolerance and breadth of outlook to many fields, it seems to have narrowed considerably in religious matters, as evidenced in the recent case of the Watch Tower and Bible Tract Society. Members of this well-known group have been engaged in informing the people of the meaning of this time of distress as set forth in the Bible according to Jehovah's prophecies. They do this work in obedience to the plainly recorded command of Jehovah, the living God, as found in His Word, the Bible. They have been productive of vast good; for it is well-known that an understanding of Bible truths is sadly lacking in modern life today, and their dissention of this literature is working for a further interest in the matter of the public which cannot but be productive of beneficial results.

Jersey officials do not seem to think so. They arrested some 31 members of this group and have kept them in jail because they would not give information except on advice of counsel, and fined them on their release for distributing their literature without Police sanction. This seems to us a regrettable instance of bungling, for this society is not commercial and does not sell its books. They are nonsectarian, working merely in the public interest for the public good. No compensation is asked at any time, and voluntary contributions to the work are restricted, the society accepting only small amounts from interested persons who wish to help them defray the cost of printing and other expenses.

It is a sorry time when devout persons, innocent of evil intent, and doing a real public service in accordance with the commandment of God, are forcibly restrained from their occupation, while gangsters and racketeers are allowed to wend their destructive way unmolested, merely because they have the funds and force to obtain their ends. We trust that this will be the first and last occurrence of such a nature.

THE LATE MRS. C. BARNETT

On Friday, September 2nd there passed away very suddenly, one of the oldest residents of this district in the person of Mrs. Cynthia Barnett at the home of her daughter, Mrs. Andrew Heagle, Hoards, Ont. The deceased was born in Sidney Township, August 28th, 1841, and after her marriage to James Barnett, some fifty-six year ago, came to Hoards' Station where she has since resided. Mrs. Barnett was a woman of quiet, unassuming Christian character, and passed peacefully away, having lived a life of devotion to her family. The funeral was held on Sunday, September 4th at the family residence, the service conducted by Rev. F. MacTavish, the text being taken from Samuel 20: 3. The hymns chosen were "Peace, Perfect Peace" and "Lead Kindly Light". The deceased leaves to mourn: three daughters—Mrs. Andrew Heagle, Mrs. Charles Godden, Seymour; and Mrs. Ernest Brown, of Rawdon; one sister, Mrs. Melissa Barnett, of Toronto; nine grandchildren and two great-grandchildren. The pallbearers were the five grandsons of the deceased, Frank Heagle, Clifford Heagle, Burton Heagle, Earl Godden, Kenneth Godden and a cousin, John Heagle. There were many beautiful floral tributes to the deceased, from friends and neighbors. Interment was made in Mount Pleasant Cemetery, Rawdon.

PETHERICK'S CORNERS

Mr. Richard Pearse and family, of London, spent a few days recently visiting Mr. Albert Petherick. On Saturday afternoon a family gathering was held at Crowe River.

Mr. Will Wright, while returning home from Tweed on Sunday met with a car accident. In turning out for a mud hole in the road the car wheels struck loose gravel which ditched the vehicle and upset it. The occupants were not seriously hurt, but the car was quite badly damaged.

Mr. Amos Barnum is on the sick list.

Miss Annie Brunton is visiting at Mrs. Carrie Wright's.

About 40 League members met in the church last Thursday night and the program consisted mostly of singing and contests. The Geography match put on by Lindsay Anderson was one of the main features.

Miss Ruth Kerr is spending a few days at Garnet Kerr's.

Our school opened Sept. 3rd. Miss Eva Crookshanks is teacher.

Mrs. John Pollock, Sarginson, and Mrs. Wm. Pollick spent last week in Toronto.

Mr. and Mrs. W. W. Dracup accompanied by Mr. and Mrs. George Watson, jr., motored to Carmel last Sunday and spent the day with Mr. and Mrs. Lyman Weaver.

Madoc Junction

Miss Muriel Anderson, of Rossmore, has been engaged as school teacher here.

Rev. E. A. Tonkin returned last week and will take charge of the services here next Sabbath all being well.

Mr. and Mrs. Andrews spent Sunday with Mr. and Mrs. Harry Jose, at Massassaga.

Local and Personal

Miss Annie Mosher is attending Business College in Toronto.

Miss Bessie Ross, of Peterboro, is the guest of Miss Nina Reynolds.

Miss Kathleen Doak is attending Ladies' College, Ottawa.

Miss Madeliene Boulton left this morning for Oshawa where she will attend Bishop Bethune College.

Mr. George Weir, of Detroit, is the guest at the home of Mr. George Reynolds, on his return trip from Europe and the British Isles.

Mr. and Mrs. Arthur Vandervoort returned home on Monday after spending the week the guests of their brother, Dr. Frank Weaver, of Lockport, N Y.

Last week an apple tree was in full bloom on the farm of Mr. John Johnson, in the 7th concession of Rawdon. Such an occurrence is rare at this time of year.

Mr. Blake Faulkner, Rawdon, has a field of three acres of Mammoth Southern white corn, planted the 15th of June, which is exceedingly heavy, some stalks measuring 12 feet in length. This is an excellent showing for this season.

September

In fallow fields the goldenrod
And purple asters beck and nod,
The milkweed launches fairy boats,
In tangled silver the cobweb floats,
Pervasive odors or ripening vine
Fill the air like a luscious wine.
The gentian blooms on the browning waste
With choral chains is the alder laced,
The blackbirds gather, and wheel and fly,
The swallows twitter a low "Good-bye."

Hints for the Household

For the Month of September

In September—our thoughts turn back to entertaining. The simple afternoon teas are now in order. Sandwiches are a natural refreshment. Not the filling ones of the good old Summer Time, but pretty and dainty ones. The "open" sandwiches especially.

Open Fruit Sandwiches

Fresh currants—mashed and mixed with cream cheese.

Crushed Pineapple and — cream cheese.

Fresh strawberries — sliced thin and sprinkled with powdered sugar. Then place between buttered homemade bread. These are very delicious.

An unusual filling—Take cucumber, celery, pineapple and black walnuts. Chop together and mix with French dressing.

Dates and Nuts — Dates and nuts chopped together and mixed with cream cheese is always a good filling for sandwiches.

COOKING HINTS

A New Salad

2 cups of crushed pineapple (drained).

1 cup of diced celery.

2 red pimientoes (chopped).

Method: Drain pineapple. Cut up celery. Chop pimientoes. Mix well with mayonnaise and serve on crisp lettuce.

Grape Jelly

6 pounds of grapes.

3 cups of water.

1 pound of sugar to each pint of juice.

Method: Crush grapes. Pour the water over them. Boil together 30 minutes. Strain juice through jelly bag. Add 1 pound of sugar to each pint of juice. Mix well. Cork. When this comes to a boil—boil 20 minutes. Take from fire and pour immediately into jelly glasses. Seal with paraffin.

BAKING HINTS

Baked Ham With Scalloped Potatoes

3 potatoes.

Flour.

Milk.

1½ pound sloced ham.

Method: Pare and slice the potatoes. Place a layer of sliced potatoes in bottom of buttered baking dish. Sprinkle with butter, flour and a little seasoning. Repeat until you have used all potatoes. Cover with milk. Lay ham on very top. Keep in ice box until time to cook. Allow at least 1 hour for this to bake.

Baked Apples

Baked apples are always a nice dessert. They may be varied by filling the centres with—

Dates.

Nuts.

Little cinnamon.

Method: Core apples. Fill cavities with dates, nuts, little cinnamon and sugar. Surround with water and bake.

MOTOR RULES IN JAPAN

In the Ontario Health Almanac for 1932 are to be found a list of rules of the road prepared for visitors by the Tokyo Police Office. Their intention is clear and courteous and, although their English is rather unusual, it conveys at the same time impressions which more prosaic phraseology seldom possesses. They run as follows:

1. At the rise of the hand policeman, stop rapidly.
2. Do not pass him by, or otherwise disrespect him.
3. When a passenger of the foot hove in sight tootle the horn trumpet at him melodiously at first, but if he still obstacles your passage, tootle him with vigour.
4. Beware the wondering horse, that he shall not take fright as you pass him by. Go soothingly by.
5. Give big space to the festive day that shall sport in the roadway.
6. Go soothingly in the grease mud as there lurks the skid demon.

HUNTERS MAY SHOOT PARTRIDGE THIS AUTUMN

An open season for partridge this fall was promised by Hon. Geo. H. Challis, Provincial Secretary and Minister of Game and Fisheries, at a meeting of the Thunder Bay Fish and Game Protective Association at Fort William recently. Mr. Challis said the dates and the length of the season for shooting the birds which have been under a protective season, had yet to be decided.

Grills - Hay

The beautiful home of Mr. Lorne Hay was the scene of a very pretty wedding at high noon on Saturday, September 3rd, when his sister, Nettie Winnifired, was united in marriage to Mr. Samuel Garnet Grills. The officiating clergyman was Rev. D. A. McKenzie, B. A. The marriage took place in the spacious drawing room, the bridal party standing under a beautiful arch decorated with choice flowers. To the strains of Lohengrin's Wedding March, played by Miss Alma Simpson, the bride entered the room on the arm of her brother Lorne. The bride was charmingly gowned in rose georgette trimmed with appliqued net. She wore long white kid gloves and white kid shoes. Her bouquet was sweetheart roses and maiden hair fern, tied with white tulle. The bride's only attendant was Miss May Hubble, wearing shell pink georgette, long white kid gloves and white kid shoes. Her bouquet was pink carnations and maiden hair fern tied with pink chiffon. The groom was supported by Mr. Albert Gifford. The groom's gift to the bride was a purse of gold, to the bridesmaid, a pendant, to the groomsman gold cuff links, and the to the pianist suede gloves. The bride was the recipient of large number of beautiful presents, one being a cheque for $100.00 from her brother Lorne. The dining room was artistically decorated in pink and white. Guests to the number of 40 partook in a sumptuous dinner, served by the bride's girl friends. The toast to the bride was proposed by Rev. D. A. McKenzie and responded to by the groom. The bride's going-away dress was russet brown chiffon velvet with hat and shoes to match and brown fur-trimmed coat. Amid showers of confetti the happy couple left for a motor trip to Toronto and Woodstock. On their return they will reside on the English Line and they carry with them for future success and hapipness the best wishes of a circle of friends.

The Women's Missionary Society and the Ladies Aid Society of St. Andrew's Church met at the home of Mr. Bogart Linn on Wednesday with an attendance of 42. After singing hymn 373 Mrs. Roy Walker gave the Bible reading and Mrs. D. A. McKenzie offered prayer. After considering several items of business the following program was presented: solo, Miss Edith Gibbon; reading, Mrs. Alvin Pollock; study book, Miss Jean Craighead; reading, Mrs. T. Weatherall; solo, Mrs. G. V. Taylor; piano solo, Karl Linn; solo, Mrs. William Matthews. The meeting closed by repeating the Lord's Prayer in unison, after which refreshments were served and a pleasant social hour was spent.

Miss Geraldine McMullen, of Campbellford and her sister were the guests of Mr. and Mrs. J. C. Thain on Sunday.

Miss Vera Griffith of Picton spent the week-end at the home of Mr. Samuel Wallace.

RYLSTONE

Wedding bells rang in our village last week when Maud Thompson, eldest daughter of Mr. and Mrs. Andrew Thompson became the bride of Frank Runnalls, son of Mr. and Mrs. Clarence Runnalls, of Harold. Rev. F. G. McTavish performed the ceremony at the Seymour parsonage, Campbellford. The bride looked charming in a peach georgette frock with black satin slippers. She carried a bouquet of Los Angeles and Golden Gleam roses, with baby breath and Maiden Hair fern. The bridesmaid was Miss Helena Runnalls, sister of the groom, who wore a peach silk crepe dress with white lace hat. The groom was supported by Mr. Lindsay McKeown of Mount Pleasant, cousin of the bride. After the ceremony a wedding dinner was served at the home of the bride's parents, only the immediate relatives being present. The happy couple left afterwards for a trip to Toronto and Niagara. Best wishes are extended from the people of Rylestone.

Mr. Amos Barnum is on the sick list.

School re-opened on Thursday at the Union School with Miss Margaret Cook, of Campbellford as teacher and Miss Horseman at the 9th line school.

Mr. and Mrs. Willis Irwin and Mr. and Mrs. Victor Irwin were supper guests at the home of Mr. Andrew Thompson on Wednesday evening.

Misses Ruth Finch and Celpha Easton visited Vera Finch on Friday afternoon.

Messrs. Herbert and Wilfred Spencer and F. M. Rutherford attended the Toronto Exhibition on Labour Day.

Miss Edith Brown, of Campbellford spent the week-end with Jean Stewart.

Dinner guests at the home of Mr. Mark Morton on Sunday were Mr. and Mrs W. Swanger, Ruby and Mark of Peterboro, Mr. and Mrs. Herbert Spencer and Tom McKeown.

Week-end visitors at the home of Mr. and Mrs. Herbert Spencer were Mrs. Ella Bartlett and Mr. and Mrs. Ben Bartlett and Donald, of Beamsville, Ont., Mr. Jim Murchison, of Portland, Ont., and Mr. and Mrs. Fred Husband, Campbellford.

The Institute meeting at the home of Mrs. Alfred Barnum on Wednesday, Sept. 2nd, has been postponed for a week and will take place Wednesday, Sept. 14. The Springbrook Institute are to be the guests of the Rylestone Institute. The programme will be given by the visiting ladies. Lunch will be served.

MENIE

Mr. and Mrs. George Wallace spent a few days at the C. N. E.

A number from here attended the Belleville Fair, also the Stirling Carnival.

Mr. Douglas Milne is running his bus load of school children to Campbellford High School for another term.

On Thursday night the Crow Bay girls returned their game on the Menie diamond. The spectators turned out to see the final game with Crow Bay as the rubber. There was excellent pitching by Miss Jean Ingram for Crow Bay and Miss Laura Hay for Menie. Crow Bay lacked their centre fielder, but put up a good game. The game which was called on account of darkness reverted to the end of the fifth innings, which resulted in a victory for Menie, 6-5.

On Monday afternoon the Menie girls and the Seymour West girls met on the high school diamond. Seymour West had a star pitcher, Miss Doris Scott, of Havelock, and the support of two Crow Bay girls, while Menie enlisted the aid of one English Line girl, the rest being their own line-up. At the end of the seventh inning the Menie girls were on top with a score of 9-8. We congratulate the Menie girls for their splendid showing during the season and for winning six games out of seven. We will look forward to having a league formed next year. Menie stood highest this year. The lineups were as follows:

Menie—G. Whiton c, L. Hay p, J. Stephens 1b, E. Hutcheon 2b, Leafa Hay 3b, E. Wallace, ss, V. Atkinson, L. Linn and E. Whitton fielders.

Seymour West—G. Nicholas c, D. Scott p, I. McArthur 1b, J. Ingram 2b, J. Murray, 3b, B. Orser, ss, E. McKelvie, A. Stephens and M. Russell fielders.

ATTENDANCE DOWN AT TORONTO EXHIBITION

The attendance to date at the Toronto Exhibition is about 200,000 short of last year. However, the aggregate for the first ten days exceeded the million mark. It isn't so long ago since a million was the mark aimed at for the whole show. A decrease of 16 per cent. is not a matter for discouragement. The attendance is simply reflecting the times through which we are passing.

BEAUHARNOIS PROJECT IS APPROVED BY GOVERNMENT

Ottawa—Plans for the general works of the $50,000,000 Beauharnois project have been approved by the Dominion Government. Official announcement to this effect was made yesterday. The plans given the stamp of approval include the 14-mile Beauharnois canal between Lake St. Louis nad Lake St. Francis, near Montreal, which will shortly be conveyed by the company to the Dominion. This canal—to form a link in the St. Lawrence seaways proposals—will come under the administration of Hon. Robert J. Manion, Minister of Railways and Canals. The width of the navigation canal will be 3300 feet with a depth of 27 feet. Passing of the order-in-council sanctioning the plans removes any obstacle in the way of the Beauharnois concern fulfilling its contract with the Ontario Hydro Commission on October 1.

LADIES OF THE BIG HOUSE

Stirling Theatre presents an exceptional picture for intense dramatic action in "Ladies of the Big House," which will be showing tomorrow (Friday) night and Saturday matinee and night. The picture has for its leading featured artists two talented personages who recently sprang into public favour because each possesses high dramatic ability, a distinct personality, and good looks, qualities essential to success. Sylvia Sidney, who plays the leading woman's part, already has a strong fan following, because of her oustanding work in "City Streets" with Gary Cooper, in "An American Tragedy" with Phillips Holmes, in "Street Scene" with William Collier and in her Broadway stage success, "Bad Girl". She has as her leading man, Gene Raymond, who sprang into prominence in the Broadway stage production "Young Sinners", which brought him a screen contract. Recently he was featured in "Personal Maid" as Nancy Carroll's leading man. Raymond's light blond complexion is a pleasing contact to Miss Sidney's dark tresses in the "Ladies of the Big House," which is a gripping romantic love drama of the lives of two young people who on the eve of their wedding day are cruelly separated by the law. The picture has the strong punch of authenticity in its prison scenes. It is a dramatic pen-picture by the convict-author Ernest Booth.

ADVERTISEMENT IN THE NEWS-ARGUS BRING RESULTS

TO THE FARMERS OF RAWDON TOWNSHIP

I, W. J. Haggerty, have been shipping Stock from Bonarlaw Station for the last few weeks on the Commission basis; that is to say, 5 per cent. of the price realized in Toronto on Calves and Lambs; 10 per cent. on Cattle and 5 per cent. on hogs sold in Toronto, or F.O.B. I have heard that reports have been circulated in this regard, which are not true. I will give you a few facts which are true, and which I can prove.

One young, 3-year-old fresh cow and calf, shipped August 31st, which another buyer would not bid on, brought the shipper $24.90, after pay-all expenses. On August 24th I shipper 2 calves for a farmer, which he had been bid 4 cents a pound for by another shipper. These calves weighed 440 lbs. in Toronto and sold for 6 cents a lb. Expense and Commission were $3.32, which leaves the farmer $23.08 clear. How much did that farmer gain? Another case is a calf which weighed 290 lbs. here and weighed 280 in Toronto. Bid 3c here and brought 5c in Toronto; expenses $2.13. How did he come out. All you have to do is a little figuring. On August 31st I shipped 8 hogs, 1530 lbs., which sold for $4.65, f.o.b.; graded five selects, which $5.00 farmer received, and also 6 cents for a veal calf, expense deducted. One No. 1 sow sold at $3.43 per cwt, which left him $11.31, after paying expenses.

Just one more example — 4 lambs, which weighed 300 lbs. at home sold for $5.75 per cwt. in Toronto after all expenses were paid cleared the farmer 5 cents per pound.

Farmers—Look to your own interests. W. J. Haggerty ships at Bonarlaw every Monday. Notice—the price has gone up since I began to ship.

Decide Golf Prize On Roof of World

THE Prince of Wales Trophy, one of golfdom's most envied possessions, has just been decided on the spectacular links of the Banff Springs Golf Course, a mile above sea level, in the heart of the Canadian Rockies. This year the trophy went overseas to an Englishman, down from Oxford University, a newcomer to the ranks of champions who made the long trip a week ahead of play. He is W. A. Sime, Bedfordshire Golf Club, Bedford, England, who is seen shaking hands, with the runner-up, Gordon MacWilliams, Bowness Golf Club, Calgary, one time Alberta champion. Mr. Sime won the final, four up and three to play, and the game was refereed by "Bill" Thompson, genial pro of the Banff course, who is seen standing between the pair. A large gallery followed the play.

The Brewster Cup championship was decided at the same time over the Banff Springs course. It was a woman's championship and was taken by Mrs G. F. Dewolf (right in photograph) of Vernon, B.C., who defeated Miss Jean McMillan, of Calgary, Alta, in a close fight that was only decided on the 18th hole by one up.

Lay-out shows the two champions being congratulated by their opponents; and the Prince of Wales Cup with the Banff Springs Hotel in the background.

GAME LAWS

Ignorance of the law does not excuse one for breaking it. Knowledge of the regulations below may save unpleasantness and perhaps more severe penalties.

It is unlawful in Ontario:

1. To employ a guide unless he is licensed.

2. To carry a loaded gun in a motor car or other vehicle.

3. To molest or destroy a den or usual place of habitation of any fur-bearing animal, other than wolf.

4. To use snares for any purpose in the Counties of Victoria, Peterboro, Hastings, Lennox, Addington, Frontenac, Leeds and Grenville.

5. To shoot between sunset and sunrise (standard time) or between sunset on Saturday and sunrise on the following Monday (standard time).

6. To shoot or spear muskrat, or to set a trap closer than five feet to muskrat house, burrow, feed house, or push-up, or within 20 feet of a beaver house.

7. To permit the flesh of any animal or bird taken, suitable for food, to be destroyed or spoilt, or the flesh of fur-bearing animals to be destroyed or spoilt.

8. To carry a fire-arm for the purpose of hunting in Essex, Kent, Lambton, Elgin, Middlesex, Oxford, Norfolk, Brant, Haldimand, Welland, Lincoln, Wentworth, York, Peel, Halton, Waterloo, Perth, South Wellington and South Huron, without a license.

9. To angle or hunt without a license if you are a non-resident.

10. To take any small or large mouthed black bass, maskinonge, speckled trout, brown trout, rainbow trout or other Pacific trout, accept by angling.

11. To buy, sell or export black bass, maskinonge, speckled trout, brown trout or other Pacific trout, no matter how procured, or to sell pickerel (pike-perch or dore), pike or lake trout taken by angling or in any other manner, except under license. Non-residents may, on leaving the province, take the lawful catch of two days' fishing if shipping coupon supplied with angling license is attached to package containing such list.

12. To fish from a boat or other floating device or through the ice in the Counties of Victoria, Peterboro, Durham and Northumberland, and the wates of the river Trent and Lake Scugog in any county during the close season for the taking of bass and maskinonge.

WOULD CONTROL SCHOOL COSTS

Toronto—Faced with an increasing financial burden, delegates to the Ontario Municipal Association on Saturday turned attention to seeking further assistance from the Federal and Provincial Governments and devising new means of revenue of their own.

At the suggestion of Wentworth County a resolution was passed requesting the Federal and Provincial Governments to assume 90 per cent. of the full cost of unemployment relief.

A resolution sponsored by Windsor, Kitchener, Port Arthur and Peterborough was passed urging boards of education and the legislature to discontinue the practice of charging secondary school pupils fees for writing departmental examinations. Another motion provided that the Adolescent Act be amended to reduce the compulsory age from 16 to 15 years.

Duties of teachers should include their sitting at examinations.

The legislature will also be asked to give councils power to supervise and control expenditures of boards of Education. This resolution was submitted by the city of London.

Supporting a resolution of Alderman Dr. P. N. Gardner, East Windsor, the Association approved the suggestion that the province "assume the full responsibility of erecting and operating all necessary sanatoriums at strategic locations as a means of properly preventing and treating tuberculosis cases."

NATIONAL GROUP BUSINESSMEN TO PROBE HIGH COST GOV'T.

The high cost of government — federal, provincial and municipal — is to be investigated by a national committee of businessmen. The Canadian Chamber of Commerce has appointed a representative committee of businessmen from coast to coast who will delve into the intricacies of government expenditure with the object of making constructive recommendations on a policy of economy for public administrations, methods of financing and the uniform balancing of budgets.

Col. W. L. McGregor, Windsor, President of Candian Chamber, in announcing the formation of the national comimttee, declared "it is not our intention in any way to be critical of governments. We have been parties to the high cost of government. The National committees work will be an effort to arouse governments and the people to the necessity of much economy".

The committee's terms of reference embrace federal, provincial and municipal finance and expenditures, borrow, budgeting and current indebtedness and balance sheet position.

BAY OF QUINTE CONFERENCE TO HOLD CONVENTION

At Trenton on Sept. 12th and 13th, the Bay of Quinte Conference of the United Church of Canada is holding a missionary convention for the Central and Eastern Ontario counties. Missionary leaders of the Presbyteries will open the convention with an executive session on Monday afternoon, Sept. 12th, in King St. Church, Trenton, under the chairmanship of Mr. H. W. Ackerman, Belleville.

A banquet of official board members of the churches will be held in Grace Church at 6 p.m. when Mr. C. A. Winters, Brockville, President of the Conference Lay Association, will preside and Rev. Peter Bryce, D.D., and Mr. Ackerman will be the speakers.

In the evening there will be a public meeting in Grace Church with Rev. J. T. Tucker, D.D., of Dondi, Africa, and Rev. Denzil G. Ridout, Toronto, as the speakers. Rev. T. E. Hollins, D.D., Lindsay, President of the Conference, will take the chair.

A final executive session on Tuesday morning will deal with work of the Missionary and Maintenance Fund.

HARMSWORTH TROPHY REMAINS IN U. S. A.

Gar Wood, noted Yankee boat racer, has again won the Harmsworth trophy, emblematic of world supremacy in motor boat racing. He defeated Kay Don, noted English racer and his challenger, Miss England III. In Saturday's race Miss England developed engine trouble and Wood had an easy victory, while in Labour Day's heat Don's motorboat developed trouble and had to be "towed home". Further examination of the port engine of the craft disclosed that the damage consisted of a broken piston, which in turn damaged a cylinder wall. Thus a seventh attepmt failed to take this famous trophy away from the United States.

Don is a guest of the Toronto Exhibition today and his boat will be shipped home via Montreal to-morrow.

Gar Wood, whose Miss America X was never extended to win the race after mechanical trouble eliminated Miss England III., is making plans for another attempt at the one mile speed record for hydroplanes. The record is 119.81 held by Miss England III.

BELLEVILLE MAN MURDERED IN PETERBORO

Peterboro—The straight and narrow path led Harry Thomas of Belleville, unemployed transient, to violent death by a knife thrust in the breast, some time during the early dark hours of Sunday morning in a boathouse on Little Lake, near the intersection of Burnham and Maria streets.

He was murdered because he refused to go through with the hold-up Saturday night of a Peterborough citizen whose week-end ways had been watched and who was believed to carry a considerable sum of money in his pockets.

On this assumption, supported by direct evidence which he declined to divulge for the present, Chief of Police Newhall erected a hypothetical explanation of Thomas' death which seemed logically to advance a motive for murder. On reaching that deduction about noon on Sunday, Chief Newhall began a search for two or three tramps who have been occupants of the Maria street boat-house virtually all summer.

One of the suspects has been known as "Shorty" among the homeless fraternity of the local "jungles", an undersized "hard egg" whose anonymous and repellent character has been assocciated with a criminal willingness to wield a knife.

In the difficult sifting of all the available gossip and reports from nearly two score transients who were questioned Sunday, an accusatory finger returned again and again to this "Shorty", who with several others, has been missing since late Saturday night from the boat house of which he was the temporary lord and master.

The search for this "bo" was started Sunday morning and quickly broadened out in all directions from Windsor to Montreal and along all the roads leading out of Peterboro.

Chief Newhall is convinced that if the vanished "Shorty" and one or two others whom he regards as materal witnesses can be rounded up, the solution of Harry Thomas' death will be quickly unfolded.

Thomas was 43 years old, a son of George I. Thomas, prominent retired wholesale and retail butcher, of Belleville, and a war veteran who enlisted with the 2nd battalion in 1914 and saw active service with the big drive of 1918 when he was taken seriously ill with dysentery.

An autopsy performed by Dr. Herbert Young, acting coroner, at Comstock's Sunday afternoon revealed that death had been caused by a wound in the region of the heart, presumably made by a knife. It was three and three-quarter inches deep and about three-eighths of an inch wide. The artery near the heart was almost completely severed, and it is believed that Thomas could have lived only a few minutes after being struck.

A blood-stained knife found by the police behind a nail keg near the door in the boathouse apparently corresponds with this wound. It is an old bread knife with the blade ground and sharpened to three inches in length and three-eighths of an inch in width. The blood stains extend from the tip of the handle, and it is understood that this knife had been identified by one or more habitants of the "jungles" as the property of the missing man called "Shorty".

It is also stated that the wound is a level one, possibly indicating that the knife thrust was made by some person who was shorter in stature than the deceased.

General News of Interest

The many friends of Mrs. Arthur Andrews, of Yarker, formerly of Madoc Junction, will be sorry to learn that she has been in ill health.

New York—For the first time in many weeks the Canadian dollar reached the 90 cent level on local foreign exchanges on Saturday, closing at that figure after a firm opening of 89⅞ cents. Less than a month ago the Canadian dollar was quoted at a discount of 13 per cent. in United States funds, but in recent weeks a gradual but steady recovery has been noted. The pound sterling also reflected a firmer tendency, closing at $3.47⅝; 69⅞.

Tweed News—Miss Margaret Moffat, daughter of Mr. and Mrs. T. E. Moffat, crushed her left hand in a wringer while working in the kitchen last Saturday morning. Several fingers were bruised, but Miss Moffat was able to stop the machine before any serious damage was done.

Campbellford—M. J. O'Reilly, who for the past year has been manager of the Express office here, has been transferred to Windsor. The local express is now on a commission basis, with Miss Violet Osterhout as agent. The office will be located in the same place as formerly, and business will be conducted at the usual hours.

Cobourg—Howard Croan, 21-year-old Bowmanville youth was sentenced to 2 years less a day in the Ontario reformatory when he pleaded guilty last Thursday to obtaining a car by false pretenses. Croan was defended by A. Cochrane, K.C. Col. F. D. Boggs, K.C., conducted the Crown's case. Crown witnesses stated that Croan obtained a car from Charles Ross, Brighton car dealer, and gave his old car as the first instalment. Ross later learned that Croan's car had been stolen from Windsor and Croan was finally arrested in Toronto.

Trenton—Found guilty of assaulting his wife and Ross Burke, of Trenton, Lorne Mitchell of Murray township received a total of 15 months in the reformatory, when sentenced last Wednesday by Judge L. V. O'Connor at Cobourg. The assault had been the outcome of suspicions in the mind of Mitchell in regard his wife's behaviour, the evidence revealed. Burke told of going to Mitchell's house with Harry Burd to get some beer. Mitchell apparently was not at home when they arrived. Several bottles of beer were consumed and when more was desired, Mrs. Mitchell announced that Burke would have to go down to the milk house with her to help carry it up. When they got outside the house, Mitchell suddenly appeared and attacked Burke. The defendant related that he watched a drinking party engaged in by the three in his home and later, when Burke and his wife left the house, he said he found them in an amorous embrace under an apple tree.

Madoc Review — Congratulations are due Miss Dorothy Fox, who is the winner of Hon. J. R. Cooke's scholarship, awarded to the pupil of the Madoc High School who obtained the highest aggregate score on at least six papers at the Middle School examination in June last.

Campbellford—The funeral of Mrs. William Oliver, whose death occurred on Wednesday, last week, at the age of 74, took place from the family residence, Frank Street, on Friday and was largely attended. The numerous floral offerings showed the esteem in which the deceased was held. Services were conducted by the Rev. R. C. Tait, with interment in Mount Pleasant cemetery.

McMULLEN - TOWNSEND PICNIC

The McMullen - Townsend picnic was held at Oak Lake summer school park on Wednesday afternoon, last week, with a large attendance of people being present from Foxboro, Harold, Marmora, Madoc, Holloway, Stirling, Ivanhoe, with Miss E. McMullen of New York the honoured guest. It was decided to hold the picnic at the same place next year, the last Wednesday in July. The officers for next year are: President Clinton Townsend, Holloway; sports committee, Mrs. J. Townsend, Mrs. K. McMullen and Miss Marie Townsend.

During the afternoon the following races were run off: Children under five, Irene Preston; girls under ten, Hazel Wilson; girls over ten, Marie Townsend; boys over ten, Marry McMullen; plate race for women, Hannah Telford; plate race, for men, Fred Telford; peanut race, for women, Mrs. K. The bean guessing contest was won by Mrs. W. Martin.

EMBURY — BIGGS

A very pretty wedding took place at the Tabernacle United Church parsonage, on Thursday, Sept. 1st, 1932, when Mary Clementine, only daughter of Mrs. John Biggs, became the bride of Mr. Maxwell Herbert Embury, Harold, Ont. Rev. A. E. McCutcheon officiated.

The bride looked charming in a gown of new blue triple sheer georgette with silver bead trimmings with matching long sleeved jacket.

Miss Hazel Calnan of Rochester acted as bridesmaid and was lovely in a gown of rose petal triple crepe with matching short sleeved packet.

Mr. Maurice Bell, Stirling, supported the groom.

After the ceremony a buffet lunch was served to immediate friends and relatives at the home of the bride's mother. The groom's gift to the bride was a silver pendant necklace set with marcasite; to the bridesmaid a French mesh bag and to the groomsman a Ronson combination lighter and cigarette case.

Later the bride and groom left for an extended motor trip to New York City, via Ottawa and Montreal, returning by Rochester and Buffalo. The bride's travelling costume was a Spanish tile knitted mesh suit with gray accessories.

Mr. and Mrs. Embury will reside at Harold, Ont. They were the recipients of many beautiful presents.

SPRINGBROOK W. I.

The August meeting of the Springbrook W. I. was held at the home of Mrs. A. V. Brown, with an attendance of over forty.

The meeting was opened by the singing of the "Maple Leaf" and the "Opening Ode" followed by the repeating of the Lord's Prayer in unison. The roll call was well responded to by "My Favourite Pastime". The minutes of the previous meeting were read and adopted. An invitation from Rylestone W. I. to visit their branch on the first Wednesday of September was read and accepted. A letter of appreciation from Mrs. Allan McComb for the flowers sent her upon the arrival of a new son was read. Arrangements were made for the booth at the school fair. Community singing was then enjoyed by all. The selection chosen was "Neath the crust of the Old Apple Pie." The program was in charge of the girls with Nellie Webb in the chair. The following program was given:

A monologue by Miss Madeline Levason, which was very amusing.

Miss Verna Baker and Miss Margaret Brown sang a pleasing duet, "Long, Long Ago", with Miss Eva Brown acting as accompanist.

The topic "The Silk Industry" was very ably given by Mrs. H. A. Bunt.

Miss Kathleen McComb told about her trip to the Ottawa Judging Competition.

All then entered into the singing of "Pack up Your Dishes in the Old Dish Pan." Miss Evelyn Bailey gave a comic reading entitled "One Hundred years Ago." Miss Eva Brown rendered a pleasing piano solo. Miss Roma Mumby gave a reading on "Time". A paper on "How to Remove Stains" was read by Miss Marjorie McKeown. Mrs. Granville Meikle-john described the Waynwright Park in Alberta. Miss Iva Brown gave a reading entitled "Strive For Harmonny." A contest was then put on by Nellie Webb. The singing of the National Anthem brought the meeting to a close. A dainty lunch was then served and a social half hour enjoyed by all.

Mrs. Blake Sharp attended Toronto Exhibition over the week-end.

Mr. and Mrs. Claude Sharp have returned home from a two weeks' holiday with relatives in Rochester.

Mr. James Herrington and Mr. H. Herrington, of Smithfield, called on relatives at Mount Pleasant on Friday.

Mr. Ray Cooney is recovering from his recent illness. He was suffering from an abscess on his jaw.

Percy White visited Donald Johnson last Wednesday.

The Williams School re-opened on Thursday, September 1st, with Miss Lenora Williams in charge.

Miss Lela Johnson, of Sine, has been visiting her cousin, Miss Edna Thrasher and other relatives.

The heat of Wednesday was intense but the cooling rain early Sunday morning cooled the atmosphere and the weather on Labor Day was ideal even though most of the farmers remained at home and were busy working.

Mr. Floyd Garrison met with an unfortunate accident about 9 p.m. on Friday evening. While speeding up his motor to make the west side of the hill at Mount Pleasant he struck a horse belonging to Mr. Claude Sharp and the animal died soon after. Mr. Garrison received minor bruises, but the car was dented, and the windshield broken completely. The animals had broken the bars and ran to the road. The driver soon saw the white horse but did not notice one of darker hue until he felt the impact.

After Sunday School a Missionary program was staged under the direction of Mrs. Allan Reid. Opening hymn "Jesus Saves" and Mrs. A. H. Bailey offered prayer. Miss Helen Spencer read a missionary selection. Mrs. James Sharp gave an address on the subject "Obedience". Misses Betty Locke and Marguerite White rendered a pleasing duet. Miss M. White read "The Faith which makes men Brothers". The Superintendent gave a short talk before the special service closed.

Mr. and Mrs. Louis Taylor, of Cobourg, Mr. and Mrs. Hermon Tucker of Tweed, Mr. and Mrs. Frank Hubble, of Detroit, were guests on Sunday of Mr. and Mrs. Will Hubble and Mr. and Mrs. James Hubble.

On Sunday evening Misses Marguerite White and Betty Locke sang a lovely duet, "De Massa of de Sheep Fold." The choir rendered an anthem "Something for Thee", with Mr. Clifford Holmes taking the solo part. Miss Betty Locke, Mrs. Allan Reid and Mr. John Coggins sang the trio in the anthem and Miss Frances McKeown presided at the piano. The pastor outlined the narratives dealing with men and women who were willing soldiers of Christ, going forth gladly to make sacrifices for His cause.

Mr. and Mrs. Alex Sharp, of Frankford and Mrs. O'Connor, of Rochester were guests of Mr. and Mrs. E. White on Sunday evening.

The Allan school re-opened on Tuesday morning with Miss E. Neal in charge.

Mr. and Mrs. Percy MacMullen entertained several guests to a delicious feed of corn on Tuesday evening, it being the occassion of their sixteenth wedding anniversary.

Sunbeam Mission Band Holds Open Meeting

On Friday evening the Sunbeam Mission Band held an open meeting at Mount Pleasant Hall and an excellent program was given by the young people. The leader, Miss Edna Thrasher deserves credit for her capable training of the children and she presided at the piano. Miss Isobel Turner, president of the Band was chairlady and opened with hymn "Far, Far Away". All repeated the Lord's Prayer in unison. Twenty members of the Band sang a chorus "Far Over the Ocean". Miss Marguerite White called the roll. Miss Faye Andrews gave a vocal solo with guitar accompaniment "The Red River Valley". Little Marion Rose recited "Little Brother". Miss M. White sang "The Half has never been told." A dialogue "In Far Korea" was depicted as follows: Canadians — Mack Sharp, Eileen Phillips, Marguerite White and James Hoard. Little Korean Boy — Percy White, garbed in white coat and grey trousers; A Korean Young Man — Ormel MacMullen, garbed in a full white suit with red leg ties; A Korean Young Lady — Mildred Sharp in fancy coloured togs and a bundle representing a wee baby on her back; A Korean Bride — Eileen MacMullen, gowned in deep rose with a high hat brilliantly trimmed; A Korean Lad — Donald Johnston, in an Oriental gown. After hearing the bride's sad story the Canadian children donated their pennies and Miss Frances McKeown offered to go as a missionary to carry the glad news. Miss Betty Locke sang "Oh May my Walk be Close with God". A telephone conversation between girls of two countries followed by Annie and Marie Sharp. The girls' quartette, Betty Locke, Mildred Sharp, Marguerite White and Elva Andrews sang "Tell the Stories of Jesus". The special speaker, Miss Freida Matthews, who has served the past fifteen months as Deaconess and Senior teacher at the Cecilia Jeffrey Indian School at Kenora, gave a wonderful picture of her work among the Indian Kiddies. Last year there were one hundred and thirty-six children attending the school and all had lovely black hair and black eyes. The children came from the reserves in the Lake of the Woods territory. The speaker described living conditions on the reserves where disease is prevalent from crowded cabins. At the school, besides book education, the girls learn to sew, cook and keep house, while the boys are taught agriculture and gardening. She pictured in an interesting way the routine of a day's work at the school. She stressed the wonderful value of prayer in training and disciplining these children whose dispositions are different from ours and in closing told a heart-touching story of an Indian girl named Bella. Mrs. Ross Hoard moved a hearty vote of thanks and Rev. Joblin, in seconding the motion, referred to the kindness of Miss Matthews, as she leaves on September 6th for Red Deer, Alberta, to take up her new work as Deaconess at large. The pastor especially enjoyed the address as he himself laboured in an Indian school several years ago. He also paid tribute to the Band leader, and the splendid program. Miss Mildred Sharp sang "In the Garden".

Miss Elva Andrews recited "The Emblem of the Mission Band". Miss Winnie Phillips recited and then gathered the offerening amounting to five dollars and twenty-five cents in her little red box, while Marion Phillips sang "Hear the pennies dropping". The Mission Band sang as their closing chorus "The Glad Message". The program was most interesting and instructive and those not in attendance surely missed a treat. The Band members are very grateful to all those who helped to make their open meeting a success.

Misses Helen and Amy McTaggart have returned to Mrs. Thos. Matthews' to attend school in Stirling, after spending the vacation at their home in Thomasburg.

Mr. and Mrs. Harry Fanning, Well-Wellmans accompanied by Mr. and Mrs. John R. Fanning, Rochester, were Tuesday visitors of Mr. and Mrs. Morrison, Campbelliford.

Mr. and Mrs. N. E. Eggleton, Dorothy and Freddy spent the week-end in the Niagara Peninsula, and spent Tuesday in Aurora and attended the Toronto Exhibition on Wednesday.

Mr. and Mrs. A. Gordenier, Mr. and Mrs. L. Rogers and Dora, Mrs. Robert Rogers, Mrs. G. W. Hockey spent the week-end with friends in Beaver Falls, Watertown and Sackett's Harbor, T.Y.

Mrs. F. Wilkinson and Jean, Mr. Jack Wilkinson and Miss Jessie Fahrentosh, of Toronto, and Mr. Vernon Emery, of Montreal are spending this week at Walter Wright's cottage, at Oak Lake.

Rev. and Mrs. D. N. Buntain, Alice Mark and Fulton, have returned to their home in Winnipeg after visiting Mrs. Buntain's mother, Mrs. Richard Bailey and other relatives. They have also visited Mrs. Buntain's aged sister, in Boston and aged father in Prince Edward Island.

Mr. Albert T. Reid, Bookkeeper and Superintendent of the V. S. Envelope Co., has been spending the past week with his brother, Mr. Ed. G. Reid. This is the first time Mr. Reid has visited Canada in twenty-three years. Mr. and Mrs. Volney Reid, of Hamilton motored down also, remaining over the week-end.

Mr. and Mrs. Louis Rodgers and little daughter, Dora, Mrs. S. Hockey and Mrs. Robt. Rodgers, accompanied Mr. and Mrs. Arthur Gordanier on Friday last on a motor trip to New York State, crossing at Rockport, through the Thousand Islands, to Alexandria Bay. They mtored to Sackett's Harbour, where Mrs. Hockey visited friends. The rest of the party motored on to Beaver Falls on Saturday, and on Sunday they called on friends in Watertown New Bremen, Crogham and Carthage. Mrs. Robt. Rodgers remained with her niece, Mrs. Royal Parker of Beaver Falls. The rest returned on Monday and enjoyed seeing the motor boat races at Alexandria Bay.

BRIDE AND GROOM ARE SHOWERED

A delightful event took place on Monday evening when a large number of friends of Mr. and Mrs. Bruce Joyce (nee Florence Faires) gathered at the Orange Hall, Springbrook, and surprised the young couple with a misicellaneous shower. The early part of the evening was spent in having a social hour. About nine-thirty the assembly was called to order by Mr. George Williams. Mr. and Mrs. Joyce were asked to go to the platform, where a table laden with gifts awaited them. The folloiwng address was read, after which Mr. and Mrs. Joyce most ably replied.

Springbrook, Sept. 5, 1932

Mr. and Mrs. Bruce Joyce.

Dear Bruce and Florence,—

We, your friends and neighbors have gathered to-night to congratulate you on your recent marriage and extend to you our very best wishes.

We sincerely hope that you are going to reside in our midst and trust that we have your help and co-operation in the doings of this community.

With all our hearts we wish you a long, happy and prosperous life and may you share with each other many joys and few sorrows.

We would ask you to accept these gifts as a slight token of the love and esteem we bear for you.

Signed on behalf of the community —Lorne Bateman, George Williams, Clayton Burkitt, Fred Bateman.

This was followed by dancing, music being furnished by the Rosebush orchestra, after which a delicious lunch was served.

WRESTLING — BOXING IN BELLEVILLE

The "Masked Marvel" who along with his manager, created quite a disturbance at Belleville Fair, last week, is staging a return bout next Wednesday night, September 14, in the arena in that city. His opponent is Scotty McDougall, who recently wrestled with Gus Sonoburg in Ottawa, and is among the headliners in the "catch-as-catch-can" game. Along with this attraction boxing bouts will also be staged. Frankie Hart meets Jack Regnault and Rod LaRocque takes on Joe Moreno, recently of Italy, for pugilistic supremacy. No doubt Stirling and district sport fans will be well represented at this event. The date is next Wednesday, September 14th, in Belleville arena.

SIR GILBERT PARKER DIED IN LONDON

Sir Gilbert Parker, the best known, most famous and successful of all Canadian born writers of fiction, died suddenly, in London, England, in his 70th year, on Tuesday.

About 50 years ago, Gilbert Parker was a school teacher in Hastings County. He taught in Marsh Hill, at Chatterton, about six miles south of Stirling, and in his days of youth he was a clerk in Parker's Drug store here, and also in a drug store in Campbellford. People of this vicinity and especially in the Bay of Quinte district, have watched his career with a great deal of interest. On his trips to Canada he never failed to visit his old haunts and always was heartily welcomed by his companions of earlier days. He was a close friend of the late Sir MacKenzie Bowell and other prominent citizens of Belleville, where he was always welcomed with enthusiasm.

Sir Gilbert was born in Camden East, Lennox County, November 23, 1860. He was the eldest child of a captain of the Canadian Militia who had helped to suppress the rebellion of 1837. He attended the Ottawa Normal school and obtained a second class teaching certificate at the age of 17. He attended Trinity College and for two years taught in the Ontario Institute for the Deaf, at Belleville. Later he was appointed curate at Trenton, but later returned to the teaching profession. In 1885 he went to Australia and was given a position of associate editor of the Sidney Herald, a position which gave him ample opportunity for travel among the South Sea Islands. During this period he gave his attention to the writing of poetry and short stories, and although his poems are not familiar to Canadians, he attained success in this field of literature.

With the idea of continuing a literary career, he returned to England in 1889 and since then made his home in London. His first volume of short stories, "Pierre and his People," made exclusive use of Canadian settings and types and was published in 1892. In all these there are six volumes of short stories, four concerned with French-Canadian life, all the Canadian North-west, one with Australia of short stories, and the other with Egypt and Soudan. Two years later, a volume of lyrics appeared, many of which were set to music by such great composers as Max Muller, Arthur Foote and Robert Somerville.

In 1895 he published his first, and by many considered the best, of his novels, "When Valmond Came to Pontiac". Later followed "Seats of the Mighty," 1896; "The Battle of the Strong," 1898; "The Right of Way", 1901; "The Weavers", 1907; and in 1926, returning to Canada for his material portraying the great and dauntless explorer, "LaSalle," he published "The Power and the Glory".

Sir Gilbert was honoured by being elected to the British House of Commons and the Privy Council. He was also honoured with three doctors degrees, a knighthood and a baronetcy. In 1895 he married Miss Amy Van Tine, a wealthy woman, of New York, who was a great help to him in his literary work, and who died in 1925.

ST. ANDREW'S W.M.S.

The W.M.S. of St. Andrew's Church Stirling held a very successful special meeting in the church on Tuesday afternoon, last week. Mrs. Anderson, the President, presided over the meeting. After the opening exercises Mrs. Geo. A. Reid, of Belleville, President of Kingston Presbyterial, was called upon to say a few words. She said that one of two things at the Provincial meeting impressed her very much, was that this was a testing time, instead of calling it depression, that sunshine and rain were needed in nature and we must remember all come from God. She said money is not the essential thing in life and urged allegiance to the church and its welfare.

Mrs. (Rev.) Seymour, of Belleville then sang very effectively, "I am a Stranger here." Miss Freida Matthews, Deaconess (lately appointed to Red Deer Presbytery) then held the audience spellbound as she told of the work in Kenora Indian School, where she taught last year. There were 136 pupils in the school with three teachers, matron, laundress and helpers to the number of fifteen on the staff; the boys are taught farming as well as the regular school work and girls housework and sewing. She mentioned taking the pupils out in the berry patch, where they remained for three days, and as a result they sold $300.00 of berries. Topping turnips was another big job; 800 bags of potatoes were also harvested. She told of an Indian girl coming to her at Christmas time and saying "Yesterday I went with father to see an old man. He was lying in filth and rags and looked as if he were dying and I said nothing, but now I want to go back and ask him if he knows God". She went back, and later she said "He kept repeating "Jesus and His Love". Are missions not worth while?

Mr. Charles Allen then favored the audience with a piano solo of Indian interpretation. At the close of the program a dainty lunch was served. Mrs. Morrice, Mrs. Lyons and Miss Hayes, of Belleville, were also present and group contests were in order.

READY FOR FAIR

Except for a few last minute details and unforseen contingencies, everything is ready for the starting of the Stirling Fair next Tuesday. Although the fair will not be officially opened to the public until Wednesday, the fair grounds will be a busy place on Tuesday, with exhibitors from all over the district getting their displays into place, and with the arduous task of erecting the midway attractions in full swing. Mr. J. E. O'Donnell, secretary of the fair, is quite enthusiastic over the prospects for the 1932 Fair. Entries have been pouring in from all parts of the district and from points farther afield, and indications point to a most successful exhibit. The directors have been working hard to attain this end, and it is apparent, from the entry list at this date, that their efforts have borne fruit.

The Fair buildings are in excellent condition and all that is needed now is an assurance of favorable weather. If the sun is in a smiling mood and the people of the district attend, then it is certain that the Fair will maintain its reputation of recent years, and give the directors ample reward for the months of hard work which they have done in preparation for the event.

RETURN TO STIRLING

The many friends of Mr. and Mrs. John Villetorte and Jeanne, who had recently moved to Grimsby, will be pleased to learn they have returned to Stirling to reside. Mr. Villetorte has been transferred by the Ontario Department of Highways as engineer on the road between Actinolite and Tweed, work on which is being opened up as a relief measure by the Ontario Government.

ST. PAUL'S W. M. S.

The W.M.S. of St. Paul's United Church held the September meeting on Tuesday afternoon with Mrs. Macklin, the President, presiding. The meeting opened with the singing of hymn "Coming Bye and Bye" and was followed with prayer by Mrs. Wood. The minutes of the June meeting were read and approved and the report of the Treasurer read and adopted. The W.M.S. bale was packed on Wednesday with a supply of clothing for adults and children, also boots and shoes. Mrs. H. C. Martin, the Financial Secretary, appealed to the members to do all possible to keep up their givings and read a paper on "Tithing" not only of our money, but the gifts of nature. The Society was grateful to Mrs. Jackman for the donation of a quilt top. The Sectional Rally of the W.M.S. is to be held in Stone Church on October 4th, 4th Concession of Sidney, and Mrs. Moise was chosen as delegate to attend. The roll coll was answered by a verse having as its theme "Life or Peace". Mrs. C. W. Thompson had charge of the remainder of the program. The Scripture lesson, in 15th chapter of John, was read by Mrs. Livingstone, after which Mrs. Girdwood, Miss Kingston and Mrs. Hockey offered short prayers. The topic "Peace and Missions" was ably presented by Miss Mae Currie, showing much careful study of the subject. The Christian nations are made up of individuals, not all of whom are living the Spirit of Christ, and therein lies the difficulty in making a peaceful world. If this is true of Christian nations how much less chance of peace is there among those people who do not yet know God? Men of other ages often dreamed of world peace, specially after some great war, but all attempts have failed. Men soon forgot. In our own day we have the League of Nations with a world court in constant readiness to intervene in case of any threat of war. But the world needs a will for peace. Every individual must have the love of God in his heart before there can be mutual understanding and good will among the Nations. A very appropriate solo "Ring out Sweet Bells of Peace" was well rendered by Mrs. Macklin. The meeting was then brought to a close with the singing of "God Bless Our Native Land", and prayer by Mrs. C. W. Thompson.

150 half-year auto licenses were sold by George Ketcheson, Belleville September 1st was the day set for the half-price markers.

RASPBERRY BLOSSOMS

Mr. Acil Reid, cemetery caretaker, reported to this paper on Tuesday morning that wild raspberry bushes were out in blossom. This is unusual for this time of year and probably if warm weather prevails we may again enjoy a "dish" of wild raspberries and cream ere the snow flies.

CHATTEL MORTGAGES

According to statistics recently issued by the province, there were 419 chattel mortgages in Hastings County in 1931, to the amount of $681,668. In 1930 there were 336 and in 1929 a total of 301. Northumberland and Durham in 1931 had 384, for $487,596; Lennox and Addington, 142 for $326,495; Peterboro, 220 for $232,255; and Prince Edward, 201 for $267,952.

CHILDREN TO HAVE HOLIDAY FOR FAIR

The school children of Stirling and several rural schools in the district, will have a half-holiday on Wednesday of next week, September 21, the big day at Stirling Fair. Formal confirmation of this fact, which follows the usual procedure of other years, has been received and will be welcome news to the children of the village and district.

NO SIGNAL GIVEN

In an article relating to a motor accident between cars belonging to Miss L. Johnston and Mr. D. L. Fleming, in last week's issue, it was stated that Miss Johnston hit the Fleming car. According to later reports on the collision, Mr. Fleming made a left hand turn and hit the other car, and it is alleged that he failed to signify his intention of making the turn. The Fleming car was damaged to the extent of a bent hub cap and fender, while the Johnson car was damaged to the extent of a broken spring, lamp bracket, bent axle, and bent fender. An investigation is being made.

BAPTISMAL SERVICE

Mr. and Mrs. Wm. Haggerty, Bonarlaw, Mr. and Mrs. Perry Palmer, Mr. and Mrs. Keith Wickens, Mr. and Mrs. Milton Hagerman, Carmel; Mr. and Mrs. Hubert Gay, Foxboro; Miss Jane Haggerty, Belle Plain, Sask.; assembled at St. John's Church on Sunday morning for the baptism of Shirley Ann, daughter of Mr. and Mrs. Vernon Haggerty, of Detroit. The parents were assisted by great-grandparents, Mr. and Mrs. Wm. Haggerty, during the ceremony, which was performed by Rev. B. F. Byers. After the service all gathered at the home of the great-grandparents for a most enjoyable dinner.

ST. PAUL'S Y.P.S.

St. Paul's Young People's Society re-opened on Monday evening with a splendid attendance, and every prospect for the success of the coming year's work. The President, Mr. Harry Hulin, was in full charge of the program. Responsive Scripture reading taken from Psalm 19. The President gave a short but timely address on the subject "Loyalty", urging the members from the standpoint of service to pledge themselves to loyalty, interest and obedience to the Young People's Society for this coming year. Mrs. Raymond Chambers and Mrs. Clifford Lansing delighted the audience with a very pleasing duet. An interesting national contest was put on by Miss Mary Hulin. The meeting was dismissed with the Mizpah Benediction.

FUNERAL OF BABY DELINE

The funeral of baby Gerald Deline, whose death by poison was briefly mentioned in last week's issue, took place from Mr. Beacock's undertaking parlors on Saturday afternoon, when Rev. E. W. Rowland, of St. Paul's United Church, held a short service. The remains were taken to Fox's church, near Eldorado, where the funeral service was held and the remains laid away in the cemetery adjoining. Among the floral tributes was a sheaf from St. Paul's Cradle Roll Dept. of which deceased was a member. There survive the sorrowing parents and six other children. Death was caused by the infant eating a number of A.B.S. & C. tablets, which are supposed to contain a few grains of strychnine.

LEGION BANQUET

Stirling Branch, No. 228 of the Canadian Legion held a most successful "Get-together" banquet in the I.O.O.F. dining hall on Monday evening. The object of this banquet, for which no charge was made, was to create enthusiasm in entering the Fall and Winter campaign, and was confined solely to present and prospective members. About 45 were present. President E. J. Dainard was master of ceremonies. A very interesting, and at times amusing part of the program, was that each man present was asked to relate the most outstanding event he experienced while a member of the Canadian Expeditionary Force. Secretary F. T. Hulin gave an address on the origin of the Legion and its aims and objects. Comrade R. A. Patterson was leader of community singing and also added several numbers to the program, with the harp and harmonica. Comrade Galloway, of Springbrook was present and contributed greatly to the evening's entertainment with his bagpipes. The comrades were more than pleased to have Major Green, of Bayside with them, and he gave an interesting address. A hearty vote of thanks was extended to I.O.O.F. for the use of their dining hall and kitchen; also the the Stirling Orange Lodge for the use of part of their equipment. The committee in charge of the lunch was composed of Comrades Pedley, Casement, Gordanier, Heasman and Bastedo. The singing of the National Anthem brought this enjoyable affair to a happy ending.

TROUT FISHING ENDS

Yesterday marked the close of the season for brook trout fishing for this year but local fishermen may still go after lake trout, pickerel, lunge and bass. The closing date for these fish —except pickerel, which may be caught any time except April—is October 15, and this date also marks the final day when it is permissible to fish out of a boat.

WRESTLING CARROTS

Mr. Baruch Hoard presented the News-Argus with a freak carrot this morning that had been dug in his garden. It is the oddest freak of nature in the vegetable kingdom that the writer has ever witnessed. There are two carrots, with one growing through the other, and they are so entangled with each other that it looks as if one were trying to choke or wrestle the other. The one carrot is well formed, while the other has two large prongs that wind around the former, "a la octupus". Anyone interested may see the oddity at this office.

A MYSTERIOUS CAR

A car was found hidden behind a cedar bush on the ninth concession of Huntingdon on Sunday afternoon and as yet the location of the owner has not been found. The auto was minus license plates, and it was wired so that the engine could be started without ignition keys. It is unknown as to how or why the car was left in such a spot as it was parked in a pile of rocks. It is thought to have been stolen and the vehicle is now in the hands of the police who are busy endeavoring to solve the mystery.

Honoured on 71st Birthday

An outstanding birthday party was held by the family of Mr. and Mrs. Andrew McGee last Saturday at their home, third concession, Rawdon, to celebrate Mr. McGee's seventy-first birthday. There were twenty-eight present, including children and grandchildren of his two brothers, Mr. and Mrs. T. E. McGee and Mr. Archie McGee, Mr. and Mrs. Thos. Montgomery Jr. One son, Garfield, who is in Buffalo, was not present. After Grace had been sung all sat down to a sumptuous supper. A cake adorned with seventy-one candles was made by his eldest daughter, Mrs. Louis Rodgers and presented by the eldest grandson, Donald Rodgers. The remainder of the evening was spent in games, readings, music and singing. About eleven o'clock all circled around Mr. and Mrs. Magee and sang "For He's a Jolly Good Fellow", after which all left for home feeling that the party in his honour was a decided success.

LADIES BOWL AT OHSAWA

A rink of local bowlers, composed of Mrs. W. Wright, Mrs. R. W. Meiklejohn, Mrs. C. R. Bastedo and Mrs. W. J. Whitty, skip, took part in a ladies' tournament held in Oshawa on Monday. They won two games and lost one, failing to enter the prize column.

Attend Banquet in Trenton

Mr. and Mrs. W. S. Martin, Mr. and Mrs. H. C. Martin, accompanied by Mrs. C. U. Clancy, Rawdon; Mr. C. Macklin, Mr. Snowden, Rev. and Mrs. E. W. Rowland and Mrs. A. E. Dobbie attended the banquet and mass meeting held in Grace Church, Trenton, under the auspices of the Missionary and Maintenance Department of the United Church, on Monday evening. Amongst the prominent and and interesting speakers were Dr. P. Brice, of Toronto; Dr. Tucker, who is home on furlough from Africa, Dr. Ono, of Japan. An inspiring illustrated lecture was given by Dr. Rideout, of Toronto, on his experiences while a guest during the summer on the missionary boats, which navigate along the Pacific coast, carrying cheer to the many who live in lighthouses and outlying posts.

TO CORRESPONDENTS

With the church anniversaries and supper season here, and Christmas entertainments not so far away, our rural correspondents are reminded that items which appear in their budget regarding same, before they take place, will be "blue pencilled" unless authorized to insert as a charge notice. Articles relating to such events sent in prior to the date on which they are to be held, are considered as advertising, and as advertising is the main item of revenue to a newspaper, they will not be inserted free. After the event takes place, as much as desired may be sent in. We make this explanation for the benefit of those who request the correspondents to include such items in their budgets and to give our rural reporters the reason why same do not appear in their district items.

A PRIVATE COIN

During the past few months this paper has published several articles regarding old coins. With the old coins presented, along with the writer's small collection, we thought we had seen a sample of all the old pieces of currency, particularly of the seventeenth and eighteenth century. However, Mr. Harry Hulin displayed a "new" old coin on Friday. It is a halfpenny piece of the year 1792. On one side there is in script lettering the initials "H.M.Co." with the words "Turner Camac, Chairman", surrounding it. On the other side is a woman, seated beside a harp and the words "Incorporated by act of parliament," circling it. It no doubt ws issued by a firm and first was thought to be a Hudson Bay Co.'s coin, but the centre letter "M" is sufficiently plain that it could not be taken for a "B". If any subscriber can enlighten us as to the "sponsors" of this coin it will be appreciated.

STIRLING W. I.

The Women's Institute met at the home of Mrs. Shaw on Friday for the regular meeting. Meeting opened by singing Auld Lang Syne and repeating the Lord's Prayer. Minutes of regular and special meeting were read and the business dealt with. Mrs. T. Cranston was appointed 2nd Vice-President in Mrs. Corrigal's place, the latter having moved to Madoc. Program Committee for October—Mrs. C. Belshaw and Mrs. Thos. Cranston. It was decided to have the next meeting on the regular day, the first Thursday of the month, in the Community Hall. The discussion and plans for Hallowe'en concert were left until the next meeting. The program was in charge of Mrs. L. Rodgers and Mrs. Hammond. First on the program was a "Curios" contest—give a name for articles on the table. A splendid paper on Health was given by Mrs. A. Hammond. She told of the essentials to health, the importance of sleep and exercise to the body, and the proper food required. Gena Spry gave a fine reading on "Friends". Meeting closed with the National Anthem. A dainty lunch was served at the close.

CORN BINDER FALLS ON ARTHUR PYEAR

Mr. Arthur Pyear, a well-known farmer in the Glen Ross district, met with a most painful and almost fatal accident yesterday afternoon. Mr. Pyear, with assistance, was making repairs to a corn binder when the mishap occurred. The machine had been jacked up and Mr. Pyear was underneath making repairs when suddenly the props gave away or moved in some manner, and the binder fell on him, his chest and head holding the entire weight. Fortunately there were three or four men around, who were able to life the machine and assist Mr. Pyear from his perilous position. He was brought to Dr. Alger's office here by Mr. Harry Brown, and upon examination it was discovered that his chest was badly bruised, but no bones fractured, and there was a cut from the top of the forehead to the bridge of his nose that required four stitches to close. It was a narrow escape from a fatality, for had most of the weight of the machine fallen on his face, in place of his chest, no doubt his skull would have been fractured.

Definite Business Upturn

There seems to be a much better feeling that has taken definite form within the past few weeks. What has brought this about is somewhat of a mystery, but, nevertheless it has assumed form and shape and emerged from the ghostly or nebulous into the real.

People are talking in a lighter vein, are beginning to see the bright side of things rather than the morbid. They are taking the attitude of: "Well, I've taken it on the chin for several years and I'm tired of it now"

Every newspaper we read contains news of plants of all descriptions working full time and in many cases over time.

The men we meet on the street, on the trains, and in the clubs and other gathering places are feeling better and, last but not least, the stock market has begun to perk.

This in itself will change the viewpoint of many a business man who has been—well, at least annoyed—by calls from his bank for more collateral.

Now is the time to stop grumbling and go after something. Idle talk lends to idleness when intelligent effort will bring about some semblance of better times. We have most certainly reached the bottom and the grades leading upward will be much easier to negotiate if we'll only STEP ON THE GAS!

Division Court was held this morning. A report of same will appear in next week's issue.

CURRENT COMMENT

The days are getting shorter — Yes, the autumn is here!

Invite your friends to visit you next Tuesday and Wednesday — Fair Days. They will appreciate it.

Church anniversaries and suppers are now in order—may each event be crowned with the desired success.

The local weekly Wednesday half-holiday will be discontinued on October 1st, leaving only two more yet to be observed for this year.

If ever the weather man wanted to do a good turn to Stirling, next Tuesday and Wednesday, the days of the Fair, is the time to do it.

Summer is apparently quite reluctant to give place to fall. And no one will object if it lasts right through to the first of December—except the coal men.

Believe it or not Canadians smoked 135,728,000 fewer cigarettes in July than they did in July a year ago. What does it signify—more depression or more pipes?

The wild ducks are here, which is somewhat early in the season. Some claim this a sign of an early winter, but no doubt to hunters, it means "time to clean up the gun."

The noon hour rush, as well as "after four", since schools started, gives Stirling streets the appearance of a busy thoroughfare which has been lacking during the past two months.

Peterboro Examiner—The Hydro probe has been adjourned until the commissioners learn just what they are investigating. Perhaps Mr. Nixon or Mr. Hepburn might inform them.

Perhaps you do not want to hear this but it is only a little over three months until Christmas. It will take that long to figure out how to make the old bank account cover the territory.

Horseshoe pitching has been a popular sport in Stirling this year. With a competition being held at Stirling Fair, some of the local "flingers" should make a good showing if they enter.

When Canadians start using Scotch and Welsh instead of Pennsylvania hard coal, it will not matter much to householders in this country what discount American coal barons place on our money.

Oshawa Times—Germany is apparently determined to defy the world in regard to armaments, and there is apparently nothing that can be done about it, except to start another war, which is, of course, out of the question.

Alliston Herald—A magazine called the Magazine Digest, carrying a Toronto date line, and a Toronto publication address but printed in Philadelphia and posted at Buffalo would command more confidence by being candid.

Motorists are urged to pay heed to the "Go Slowly, School Ahead" signs, now that schools have re-opened. To drive without caution in school areas in the day time, particularly, is to invite disaster that may mean the snuffing out of a young life.

We note where a man states that his wife "conflabs" with her neighbors so much during the day, that she is too tired to talk to him in the evening upon his deturn home from the office. No doubt this is just a statement, and that the man was not voicing a complaint.

The harvest of grain is practically completed in this district for this year—with threshing the order of the day. The yield has been a good one and all that is left to make the farmer's joy complete is an increase in the price of farm products.

Hastings Star—The Stirling News-Argus started on its 54th year last issue. The present editor, A. E. Dobbie, has been in charge since November, 1925, and under his guidance has become a real newsy sheet. We extend to Brer. Dobbie our best wishes for the continued success of the Argus.

Stirling's credit may be classed A1. On Friday, within twenty-four hours after the debentures to the amount of $28,200, for the permanent waterworks were issued, they were all sold at six per cent par, with requests made that could not be filled. There should be little difficulty in disposing of the debentures for the extensions when necessary.

No two fleas are exactly alike, according to Baron Rothschild eminent British Zoologist. Maybe that's why it takes our dog longer to dislodge some than others.

It looks like a tough year for the fall fairs. Even the Toronto Exhibition was down 200,000 in attendance. The Stirling Fair will need all the boosting it can get between now and show days, but this will have gone for naught if citizens do not make up their minds to give real support with their patronage. The board of directors has done its share and is looking for a large attendance next Tuesday and Wednesday, September 20 and 21, particularly the second day.

As decreed by Act of Parliament, Thanksgiving Day and Armistice Day will be observed separately this year. Monday, October 10th, has been selected as the date for the former celebration, while the signing of the Armistice will be November 11th, now known as Remembrance Day. Despite the growing multiplicity of holidays, we feel that Parliament made a wise decision in divorcing these two days. Each has its own significance which in former years was quite lost by the double anniversary.

Farmers in this district were no doubt, greatly pleased to learn that cheese advanced to ten and one-half cents per pound on the Belleville Board on Saturday. It is to be hoped the price will continue to advance, as pastures are good, for this time of the year, and the milk production is nearly as high as at midsummer, the peak of the season. Now if the price of hogs and cattle would "jump" no doubt the farmers would look forward to winter with a brighter aspect.

Rural School Fairs

Rural School Fairs are now engaging the attention of many people, particularly children in this district, with ten being held, and the Championship Fair held in connection with Stirling Fair next Tuesday and Wednesday winding up these events for this year.

Although some changes have been made in the regulations this year, due mainly to the necessity for economy, the Fairs, we are assured by the agricultural representative for this county, are being conducted along the usual lines. In recent years most of the Fairs have been featured by larger crowds and an increase in the number of exhibits, indicating that the School Fair as an institution is still popular and is filling a useful place in the rural community life. It would be a pity if anything happened that would rob the school fair of its popularity and educational value. The government and the counties and townships should hesitate to withdraw their financial support to any extent even at a time when economy is so necessary.

"We'll Meet You at The Fair"

Many years ago Stirling Fair, under the direction of the Stirling Agricultural Society, opened its gates in Stirling. The Fair has kept pace with the growth of this section of Hastings County and this year's event should show a great improvement over all the previous exhibitions.

The event for many years has been looked to annually with a great deal of interest by many patrons throughout the district and by their patronage, they show their appreciation of the efforts of the officials and directors who spend much of their time, energy and money to make this fair one of the best Village Exhibitions in Ontario. The directors and management this year have reason to feel proud of the fact that they have prepared a program of exhibits and attractions which will appeal to the exhibitors and patrons. There is a variety of attractions this year, and the prize list has been compiled in such a manner that a record entry is expected in every department. It has been said that fairs have lost the agricultural touch, which, of necessity, has characterized almost every fair in the Province. However, this cannot be said of the 1932 Fair to be held in Stirling on September 20-21, if present indications are any criterion of what is to be expected. The exhibits will not be the whole centre of interest however, since other events for entertainment have been arranged, including speed events, softball, horse-shoe pitching contests, etc. On Tuesday and Wednesday nights a special "talkie" will be shown in Stirling Theatre.

Those who have followed the progress of the Stirling Agricultural Society know of the effort put forth by its directors from year to year to make it one of the finest exhibitions in the Province outside the larger centres and it behooves everyone interested in the life of the community to do their part in contributing to the success of this worthwhile undertaking. All roads will lead to Stirling next Wednesday.

Transients and Internment Camps

There will be general agreement with the recommendation adopted by the provincial government, suggesting that internment farms be established in Ontario for men who have no definite place of abode, who roam from one end of the province to the other, and depend for their daily sustenance on the generosity of municipalities or charitable organizations. In the last few years, these transients have increased in number to an alarming degree. In many cases, to put it bluntly, they are roaming around the province because they have no desire to work. We have heard of many cases of these men refusing to work, because they find they can get along quite nicely without it.

There are others, of course, who become human flotsam and jetsam because of no fault of their own, because they have no place to call home, and because they are victims of hard circumstances. Willing to work, they roam from place to place, seeking employment without success, and dependent upon municipal charity to keep them supplied with food.

The problem of the transient has been a difficult one, and we believe that the suggestion of an internment farm, where they would be put to work, and would be provided with board and lodging, is a sensible way of dealing with it. Municipalities would thus be relieved of the necessity of taking care of them, and charitable organizations would no longer feel the necessity of providing for them. And those who were willing to work would be glad of the opportunity of finding a place where food, shelter and the comforts of life would be available.

For those who frankly do not desire to find work, the internment camp would be a fitting place. The man who will not work is not entitled to a living at the hands of the country, and if he were placed in a position where he would either have to work or do without the necessities of life, he would be very quickly cured.

Twenty Years Ago

(Issue Sept. 12, 1912)

Mt. Pleasant

Mr. and Mrs. Will Potts, Mr. and Mrs. H. David, of Northport, Miss Mabel Bailey, Mr. Willie Lynn and Mr. Leonard Sharpe attended the Toronto exhibition.

Mr. George Sharpe, of Edmonton, and his cousin, Miss Etta Johnston, visited at Mrs. John Bateman's on Thursday.

Miss Bertha Watson, of Burnbrae, visited her uncle, Mr. James Summers, on Sunday.

Mrs. David McAdam gave a party on Saturday evening to about 40 young people in honor of her daughter Pearl, who has recently returned from Calgary and other western points. All report a very enjoyable time.

Madoc Junction

Rev. T. P. Bennett paid a visit to his parents, Mr. and Mrs. Bennett, recently.

Mr. and Mrs. McMullen spent a few days in Toronto during the Exhibition.

Mrs. James Stapley entertained the W.M.S. on Wednesday.

The remains of Mrs. L. Juby, Foxboro, were laid to rest in the cemetery here on Monday. Mr. Juby will have the sympathy of many old friends here.

Local and Personal

Mrs. Coulter, of Palgrave, Ont., is the guest of Mrs. H. Johnston.

Mrs. Donald, Campbellford, and Mrs. M.M.D. Sykes New York, are guests of Mrs. W. S. Martin.

Mr. and Mrs. Thos. Shaw have returned to Cobalt, after spending ten days with Mr. and Mrs. John Shaw.

Mr. and Mrs. Wm. Blakely have returned to their home in Madoc, after spending their honeymoon in Hamilton, Niagara and Buffalo.

There were 600 boxes of cheese offered at the Stirling Board on Tuesday and all were sold to Cook and Son, of Belleville, at 13 5-16c.

On Monday last Mrs. A. D. Sharp, 4th con., Rawdon, brought to this office a fine sample of ripe wild raspberries picked that day. The season, though coll has been favourable for second crops of such fruit.

At the meeting of the Presbytery of Kingston, held at Belleville on Tuesday, the resignation of Rev. J. E. Smith, B.A., B.D., of Burnbrae, was accepted. Rev. Mr. Smith has been pastor of Burnbrae Presbyterian church for about eight years. He intends going west.

On Tuesday morning the 17th, inst., about 1 o'clock, the fire bell gave notice that a fire was in progress in the village, which proved to be on the premises of J. T. and J. B. Belshaw, in a building stored with farming implements. Although the building and contents were destroyed the firemen with both engines soon subdued the fire.

The Park opening on Friday evening last was very largely attended by our citizens and neighbors from the surrounding country. Mrs. Jas. Boldrick, the first president of the Horticultural Society in Stirling, was called upon to unfurl the flag. Reeve R. P. Coulter, as chairman, called on the following for short addresses: Revs. J. A. Hilts, B. F. Byers, L. S. Wight, J. R. Cook, M.P.P., Dr. Bissonnette, Mr. A. D. McIntosh, Jas. Boldrick. The park was most attractively lighted for the occasion.

Roberts — Jeffs

A pretty wedding took place yesterday afternoon in Grace Methodist Church, Winnipeg, the contracting parties being Mr. Johnston B. Roberts of Moose River, Cumberland county, Nova Scotia, and Miss May Jeffs, daughter of Mr. and Mrs. James Jeffs, of Campbellford, Ont. The ceremony was performed by Rev. R. F. Argue. Mr. and Mrs. Roberts after a few days in the city will leave for Big River, Sask., where they intend making their home.

RAWDON RIFLEMEN CLOSE GOOD SEASON

The last regular shoot of the Rawdon Rifle Association was held on the ranges at Bonarlaw on Labor Day. A good attendance turned out and all three ranges viz, 200 yards, 500 yards and 600 yards were fired. The members making the highest aggregate score on the three ranges were Percy Downing with a total of 82. The second and third men were John Wellman and Geo. Wellman, with an aggregate of 77 and 76 respectively.

This finishes a very successful season for this association and the boys look forward to next season with pleasure.

SCHOOL AGAIN

Hark! school bells are ringing
Calling boys from play,
Calling little sun-tanned girls
From a holiday;
Books are quickly gathered
From their hiding place,
While frowns and smiles adorn the while
Each eager childish face.

Goodbye to field and meadow
Goodbye to lake and stream,
No more in summer weather
May the children idly dream;
For busy tasks await them
Within the school-room door,
But lost is not the wisdom
They've gained from Nature's lore.

O blissful happy season
Of summer holidays!
How often do I roam again
In memory's misty ways!
Again a child I wander
O'er wood and vale and hill,—
And hark! the ringing school-bell
I hear its music still.

The time-worn maxim used to say;
But we save them now for the nuisance tax,
And all we do is pay and pay.

The good old days were those when you could measure a man's importance by the amount of gilt he had on his shaving mug at the barber shop.

* * *

Hobbs—What's the idea of a small firm like yours having such a large, massive safe?

Dobbs—It helps the morale of our creditors.

* * *

Newspaper Reporter—Senator, have you brought many people to your way of thinking?

Senator Shortsight — No. Public opinion is something like a mule I owned when I way a boy. In order to keep up the appearance of being driver I had to watch the way he was going and follow on behind.

WEEKLY CROP REPORT

Dufferin County reports some potatoes moving at 50 to 60 cents per 90 lb. bag. Wheat in Halton is running as high as 50 bus. to 52 bus. per acre. Huron has had yields of barley up to 50 bus. per acre on some farms. Essex has harvested a valuable late tomato crop. A considerable number of Western feeder and stocker cattle came into Kent recently. The bean crop in Kent is spotty due to excessive rainfal just after planting time. The grain crop in Lincoln is disappointing. Middlesex has also had several loads of western cattle brought in during the past few weeks and more farmers than usual plan to go West for their Feeders. In Oxford, Oats yielded as high as 70 bus. per acre, but the apple crop there will be only 50 per cent of last year. Durham has had good yields of wheat peas and barley. Ontario and York counties both report wheat yields of 45 bus. per acre as quite common. Corn will be a bumper crop in Lanark. In Leeds several T.B. tests are under way. The quality of red clover seed in Renfrew will be below that of last year. That county will have more alfalfa than ever before.

Hints for the Household

For the Month of September

To clean soiled wall paper — take a clean duster and rub in dry powdered borax. Then rub it over soiled spots on paper.

To Take off Lacquer

When freshening a brass bed, where part of the lacquer has worn off, the rest of the lacquer may be removed by sponging with alcohol.

COOKING HINTS

Serve New Beets Prettily and Differently

Method: Cook the beet greens until tender. Cook the beets until tender. Chop the greens very fine. Season with butter, pepper and salt. Press well into a buttered ring mould. Unmould on platter. Fill centre with small new beets, seasoned well. Trim outside edge with thin slices of hard boiled eggs.

Good For Soup

Cut the rib-end off of a rib roast. This makes delicious soup. When the end is roasted with meat it is practically wasted.

Peach Butter

Peaches—Peck or ½ peck of peaches.

Sugar—Little less than peach bulk.

Method: Stone, skin, and mash the peaches. Add little less sugar than peach bulk. Cook very slowly 3 or 4 hours until done. This is easy to tell as they become darker and more settled looking in the pan. This peach butter is excellent for short cake or as a sauce for ice cream. Children love it on their bread and butter.

Grape Jam

4 cups of sugar.
Little water.
2 pounds of grapes.

Method Make a syrup. Cover sugar with just enough water to moisten it. Cook until syrup threads. Then add grapes (seeded) and boil until transparent.

BAKING HINTS

Tomato Cups

Tomatoes.
Corn (uncooked).
Butter.
Bread Crumbs.
Bacon if desired.

Method: Slice off ends of tomatoes. Scoop out centres. Cut corn off cob. Cook for a few minutes with little tomato pulp. Fill centres with corn moistened with tomato. Top with bread crumbs and butter. Bake in hot oven until crumbs are brown and tomatoes are cooked. Serve on rounds of buttered toast. Pour over any pan tomato juice. Garnish with crisp bacon if desired.

To Prevent Juice From Running Out of Pie

Stretch a strip of wet cloth about one inch wide tightly around the rim of a pie. This is especially helpful while baking a berry pie.

To Insure Flaky Pie Crust

Add small tablespoon vinegar to cold water when mixing pie crust. Then there is no fear of soggy pie crust.

Easy Oven Meal

1 cup of left-over meat. (chopped).
1 cup of tomatoes.
1 cup of boiled rice.
Seasoning.

Method: Mix well. Pour in buttered baking dish. Sprinkle top with crumbs. Top with cheese if desired. Bake in moderate oven.

BONARLAW

Miss Kathleen McComb and Miss Nellie Webb are attending the Peterborough Exhibition where they are representing Hastings County by virtue of their high standing in the competition at Belleville recently in judging nutrition and clothing; also in table setting demonstration. The nutrition includes school lunches, menus, etc. Teams from seven counties will compete at Peterborough in the above: Hastings County, Prince Edward, Northumberland, Peterboro, Durham, Ontario and Victoria. It is hoped and expected that the Bonarlaw girls will carry off some of the attractive prizes.

The School Fair, held at Springbrook on Tuesday, was a splendid success, about 400 people being in attendance and perfect weather during the whole day. The exhibits were of good quality and quite an array. The art exhibit was especially interesting, Miss Jeanne Robinson's pupils, S.S. No. 29 receiving 9 prizes in art. The Springbrook School and the Women's Institute had booths on the grounds and each did a flourishing business. Races were run and competitions held in marching, singing, Strathcona Exercises and Public Speaking. The prizes were awarded as follows: marching, First, Brown School, S.S. 11, Teacher, Miss Wright; second, Sine School, S.S. No. 6, Teacher, Miss Read; Third, 12th Line School, S.S. 14, Teacher, Mr. C. A. Bailey; Fourth, Wellmans Corners School, S.S. 8, teacher, Miss Dayman; Fifth, Bonarlaw School, S.S. 5, Teacher, Miss L. On Friday of last week a large number of friends and neighbors gathered at the home of Mr. and Mrs. Byron Heath and showered Freddie and his bride with many beautiful presents. Rev. H. A. Bunt acted as chairman and Mr. Geo. Williams read an address, to which Mr. and Mrs. Heath replied in a few well chosen words, thanking the company for the many useful presents and inviting all to visit them. The presents included a beautiful silver tea service from the groom to the bride, and a two hundred dollar cheque from the groom's father. A dainty lunch was provided by the ladies present.

On Monday of this week the friends and neighbors of Mr. and Mrs. Douglas Brown gathered at their new home just east of Bonarlaw and showered them with many useful and beautiful presents. The house was well filled. Mr. W. J. Barlow read an address to which Mr. Brown gave a splendid reply. Mrs. Brown also thanked the many friends for the gifts and extended a hearty invitation to all to visit them in their new home. The ladies provided an excellent lunch and a social hour or two was enjoyed by all.

Miss Doris Rannie, Hoards, left on Monday for Peterboro where she will attend Normal School.

RYLSTONE

On Sunday, September 11th the congregation of Rylestone United Church held their anniversary services. The weather was warm and sunny, making an ideal day for this annual event. The church was comfortably filled. Rev. G. W. Rivers, of Madoc, who conducted the services, spoke in the morning from Tim. 4, and took as his subject "Does it Pay to Be Good?" Mrs. Brooks, a returned missionary from India, sang a very pleasing recitation solo "I think when I read that sweet story of old". The choir also rendered two beautiful anthems "Awake, O Zion," and "Fear Not, O Lord." At the evening service Mr. Rivers took for his text Daniel 10, part of the 19th verse. He portrayed the beauty of Daniel's life in his strength, both mentally and physically. A trio composed of Messrs Malcolm Totten, Grant Meiklejohn and Harold Barnum sang "Keep Tenting" and the choir contributed two numbers, "Guide Me O Thou Great Jehovah," and "Safely Rest". The church was filled to capacity at the evening service. Proceeds of the two services amounted to about $160.

On Tuesday evening an old-fashioned tea meeting at Rylestone church brought the anniversary services to a satisfactory closing. The church was beautifully decorated for both services with potted plants and cut flowers. The girls and boys, who acted as waiters carried baskets lined with white and trimmed with orange and brown. The girls also wore little aprons and bandeaux of the same colours, adding a touch of colour to the surroundings. Rev. Mr. Bunt brought the crowd to order and Grace was sung, after which a sumptuous supper of sandwiches, pickles cake, tarts, pie and cheese, apples, tea and coffee. After everyone had eaten all that was good for them, the dishes were cleared away in preparation for the program. The first number on the program was an anthem by the choir, "Let the Light of Christ Shine Through". The program was then left with Rev. E. W. Rowland, of Stirling, who very ably acted as chairman for the following program: duet, "Pal of My Dreams", by the Misses Lucille and Mina Dracup, Wellmans Corners, and as an encore "They go Wild, Simply Wild, over Me." Address, Rev. Mr. Joblin, Rawdon Circuit. Vocal Duet with guitar accompaniment "Down by the Window where Mother used to pray and an encore "Home Sweet Home", by Mrs. Douglas Barnum and Miss Cora Petherick. Solo "In the Gloaming, by the Fireside and You", by Mr. J. Baker, Bonarlaw. Reading, "The Cattle Thief," Miss Damon, Wellmans. Address by Rev. Mr. Mellow, Ivanhoe. Solo, with guitar accompaniment "Keep in the Firing Line," by Mr. Case, 7th Line, encore "The Cowboy's Dream". Address, Rev. Mr. Hollingsworth, Marmora. Address, by Rev. Mr. Hollingsworth, Marmora. Reading, "The Habitant", by Mrs. Mellow, Ivanhoe. Address, Rev. Mr. McTavish, Seymour Circuit. Solo by Mr. Jack Baker, "Thora". Address by Rev. Mr. Tait, Campbellford. Guitar solo, Mr. Case. Reading by Miss Damon. National Anthem. Proceeds of the supper amounted to $40.00. Rain came during the entertainment, but not until everyone had arrived.

A shower was held for Mr. and Mrs. Frank Reynolds, at the former home of the bride on Thursday evening. The house was filled to capacity with a large number of friends of the couple and they were the recipients of many beautiful and useful gifts.

September W. M. S. Meeting

On Thursday, Sept. 8th, the regular meeting of the W.M.S. was held at the church with Mrs. A. H. Bailey in the chair. Opening hymn "Jesus shall Reign" and prayer. The Bible lesson was found in John 1: 1-13. The program centred around the "Missionary Monthly", our official magazine and each one offered prayer for the Editor, his assistants and all who in any way contribute towards its pages; also those who read the magazine. Roll call was answered with keyword "Thanks". After singing "I love to tell the Story" Mrs. Ross Hoard was appointed delegate to attend the Secretarial Rally at Stone Church, 4th of Sidney, on October 4th and it is hoped that several others will be able to attend. Each woman and girl of the community is asked to make blocks of print on cloth 18" by 15" in crazy design for our bale for the needy at Coe Hill. The quilts will be completed at the hall early in October. Mrs. Percy MacMullen gave a brief resume of the pages of the Missionary Monthly, dealing with young people's work, Mission Bands and news from Conference Branches. Mrs. L. C. Locke sang a lovely solo, "The Rosary". Mrs. Thos. McKeown outlined the last chapter of the Study Book on "What of the Day". Although Korea has a large church membership still there are millions of persons outside the church, so Korea is pleading for missionaries. The speaker gave a glimpse of Miss Helen Kim, a woman educator and Mrs. Pak, a village grandmother. Truly the new day has come to Korea, Land of the Dawn. Mrs. L. C. Locke gave a short but interesting talk describing to her hearers the different methods employed by the W.C.T.U., which combines three churches in Yellow Grass, Sask. Many worthwhile things are being done by this body of interested women who carry fruit, flowers, and delicasies to old people who are sick and who have birthdays, wedding anniversaries, invalids, etc. She described the work of several departments of the organizations including Scientific instruction, poster work, contests, and Francis William Day celebrations. This very helpful meeting closed with the Mizpah Benediction.

The supporters in this district of George Young, Toronto swimmer, were pleased to learn that he had defeated Marvin Nelson, "The Ioway Kid", in a five mile challenge race held at the "Ex" on Saturday. Young won by ninety yards and captured the $500 prize money.

THE LATE GILBERT BEDFORD

Campbellford—Pioneer of the community and one who held a warm place in the esteem and affections of all who knew him, the late Gilbert Bedford was laid to rest on Thursday afternoon after funeral service had been conducted in Christ Church, Campbellford, by the Rev. T. H. Floyd, assisted by two former rectors of the church, who were intimate friends of the deceased, the Rev. N. Clark Wallace and the Rev. C. E. Clark, both of Toronto. Interment was made in Christ Church cemetery, the pallbearers being J. P. Archer, F. C. Bonnycastle, S. H. Neale, Major J. M. Bygott, A. T. Linton and J. R. Smith. The late Mr. Bedford, who died at his Rannie street home on Tuesday, last week, was born 74 years ago in the township of Seymour on the Bedford homestead. Prominently associated with the Anglican cause he was a staunch member of Christ church, Campbellford, and despite the affliction of blindness was a regular communicant and one who held the esteem of his fellow worshippers. Surviving are one brother and five sisters: Joseph V. Bedford, of Campbellford, who is at present visiting in the Old Land; and Mrs. Robert Clough, Mrs. W. Thom nd the Misses Thomasene, Mary and Annie Bedford. Mr. G. B. Bedford, Anson, is a nephew.

CRAWFORD — DOYLE

Marmora—A very pretty wedding was solemnized in the Sacred Heart Church, Marmora, on Monday, when Mary Frances Doyle was united in the holy bonds of matrimony to Charles Crawford, with Rev. J. Keeley officiating.

The bride entered the church on the arm of her brother Leo, to the strains of Lohengrin's Wedding March played by Miss Jean O'Neill. The bride was very becomingly attired in royal blue georgette and lace with silver grey hat and shoes to match and carried Ophelia roses and maiden hair fern.

The bridesmaid, Miss Kathleen Doyle, sister of the bride, looked very lovely in pale pink georgette with black hat and shoes to match and carried a bouquet of Ophelia roses.

The groom was supported by Mr. Eugene Crawford of Niagara Falls, N.Y.

At the Offertory a very pretty solo "Rosewigs' Ave Maria" was rendered by Miss Genevieve Shannon, while during the signing of the register Mr. Harold Auger sang "On this Day, O Beautiful Mother."

After a very sumptuous wedding breakfast served at the house of the bride to the immediate friends and relatives, the happy couple left on a motor trip to North Bay, through the States to Ottawa and other eastern points. On their return they will reside in Marmora.

SHOWER TO MR. AND MRS. HIRAM MUMBY

It was on Wednesday, August 24, that Mr. Hiram Mumby and Miss Hazel Bateman were united in marriage and started out in life together. When they came back from their honeymoon on Sept. 2nd, they found that a great many people were awaiting their return. This fact was made manifest early in the evening when friends and acquaintances from far and near began to arrive at the residence of Mr. and Mrs. Lindsay Mumby, parents of the young man. Fortunate was it that the night was fair and cool, because not more than half of those present were able to get into the house, the remainder being accommodated on the spacious lawns, which were brilliantly lighted with hydro. Within the living room two large tables were situated. These were loaded to capacity with gifts which ranged from brightly polished silver to a rolling pin, fine table linens, bath towells, aluminumware to the sprightliest of trinkets. All carried with them messages of love and goodwill. Community singing and music were indulged in by the company for some time. About ten o'clock the gathering was called to order and the following address was read by Miss Kathleen McComb.

Springbrook, Sept. 2nd, 1932.

To Hiram and Hazel:
Good evening dear folks,
We come here to bring
The heartiest good wishes
Of all, and to sing
Aloud the just praises
Of a maiden and youth—
For Dame Rumor has whispered
So someone has said,
That a lad and a lassie
Have just been wed.
The young folks here mentioned,
We tell you with pride,
Hiram, the groom, and
Hazel the bride.
So that is the reason
Why we have come here—
The young folk and old folk
To bring you good cheer.
The house with our laughter
And clatter will ring
As "You're jolly Good Fellows"
We all join to sing.
Now Hazel, we'll miss you,
When from us you part—
A new venture facing,
A new home to start.
But Hiram, we know,
Will love you quite well,
To do so, he promised,
As by Rice Lake he stood,
And we are real certain
That he will be as good
As his word.
So here's to the future,
May it with blessings abound
And the friendship and love
Of all your old pals
Will go with you. And
As you journey forward
On life's fitful way,
May these blessings ever
Keep your heart gay.
Sometimes you may long
For the home you have left,
Sometimes you may feel that
Of friends you are bereft.
But if you feel lonely,
Just whistle and sing—
For that makes the clouds bright,
Just like everything.
Don't ever start nagging—
Be cranky or pout;
It will spoil a home sooner
Than all get out.
Just be a good husband
A dear loving wife
And let love rule your nest
The rest of your life.
We are gathered here now,
Just to wish for you—
Long life and real happiness,
Prosperity too.
Accept these our gifts,
Slight tokens, we pray,
Of the love and esteem,
We bear you alway.
May your pathway be joyous,
As onward you go,
And the burdens you bear
May they always be few.
Remember your Saviour.
Be loyal and true
To Him and your Church,
Whatever you do.
And may God's richest blessings
Crown your home with delight—
As God speed we wish you
On this joyous night.

Signed on behalf of the Community by Blanche Murray, Hazel Lough, Margaret Bateman, Hazel Thompson, Helen Meiklejohn, Bill Barlow, Gordon Webb, Kathleen McComb.

Both Hazel and Hiram made suitable replies, thanking the people for their kindness and extending a cordial invitation to all to come and visit them when they got settled. Among those present from a distance were, friends and relatives from Colbourne, Havelock, Campbellford, Madoc and Belleville.

Lunch was served by the young people of the community and the happy throng wended their several ways homeward, all wishing long life and happiness to Mr. and Mrs. Mumby in their new home.

Rev. D. A. McKenzie was in Trenton on Tuesday attending a meeting of Kingston Presbytery.

The Mission Band of St. Andrew's Church met on Saturday afternoon. The meeting opened by singing hymn 768, after which Edna Whitton gave the Bible reading and Mrs. D. A. McKenzie offered prayer. The following program was presented: piano solo, Aileen Third; reading, Pauline Ingram; solo, Violet Atkinson; recitation, Laura Third; recitation, Yvonne Little; piano solo, Thelma Wallace; study book, Violet Atkinson; refreshments were served and a pleasant social hour was spent.

PETHERICK'S CORNERS

Mr. Hector Arnold and Fred Barnum attended a meeting held in the pavilion at Trent River last Thursday night under the auspices of the Cheesemakers' Association.

Plans are being made to celebrate the 5th of November in Sentinel Orange Hall, under the auspices of L.O. L. No. 2322.

There was an attendance of 44 at Zion League last Friday evening. Mr. Lindsay Anderson, convenor of the Missionary Department, had charge of the program. Roy Fox occupied the chair and after the opening exercises Mr. David Walker announced the program as follows: Scripture lesson and Devotional Address, by Rev. Mr. MacTavish; Hawaiin duets by Gladys Simpson and Fred Petherick. Topic and discussion by Lindsay Anderson.

BAND OF COMIC STARS IN "MILLION DOLLAR LEGS"

Stellar comedians and pretty girls constitute the cast in the hilarious Olympic Games farce, "Million Dollar Legs", which will be shown at the Stirling Theatre, Fair nights, next Tuesday and Wednesday, Sept. 20 and 21. The comedians include Jack Oakie, W. C. Fields, Andy Clyde, Ben Turpin, Hank Mann, George Barbier, Hugh Herbert and little Dickie Moore. Never before has such a cast of comedy stars appeared in one picture. Advance reports say that they play their respective roles to the hilt, and that each in turn "steals" the picture.

The girls are Lyda Roberti, blonde stage star who first achieved screen honors in "Dancers in the Dark"; Susan Fleming and Geneva Mitchell, former Ziegfield Follies charmers.

The title, strangely enough, does not apply to any of these beauties. In this Oakie has "it"—or rather, "them"—the million dollar legs, the million dollar legs which are to put the little Republic of Klopstokia, just across the Austrian border, in the running (no pun intended!) for Olympic title honours.

The September meeting of the River Valley W. I. was held by Mrs. Harry Hulin at the home of her mother, Mrs. Sarah Rosebush. Mrs. Mary Vandervoort and Mrs. Frank Carr were in charge of the program which was held along the rules for health.

Mrs. Sarah Rosebush visited her daughter, Mrs. Roy Bush a couple of days this week.

The September meeting of the River Valley Study Group was held at the home of Mrs. Walter Lindenfield on Wednesday, September 14.

BEAUHARNOIS POWER TO FLOW IN THREE WEEKS

Beauharnois — Three weeks from today the powerhouse at Beauharnois will be developing 70,000 horsepower. Yesterday, for the first time, water ran into the canal from Hunger Bay, Lake St. Francis, to the powerhouse. It will take ten days for the canal to fill up to the level of the lake. The four turbines will be tested when the canal is full. Of the horsepower to be developed, Oct. 1, the Montreal Light, Heat and Power Consolidated will use 35,000, Ontario Hydro 25,000, and the remaining 10,000 willl be used for construction work at the canal.

MRS. WILLIAM TROTTFR

Queensboro—The funeral of the late Mrs. William Trotter, who passed away at the home of her sin-in-law, George Love, early on Friday morning, was held on Saturday from Mr. Love's residence, and was conducted by her pastor, the Rev. P. Gatley Reynolds, of Madoc. The deceased who was seventy-six years of age, had been in failing health for several years. She had been a widow for the last forty-one years, the past twenty of which were spent with Mr. and Mrs. Love.

Mrs. Trotter was of Irish descent, and with her husband farmed in Elzevir township. She was a member of the Anglican church and was well and favorably known, having lived in the vicinity of Queensboro for many years. The funeral was largely attended, showing the high esteem in which the decased was regarded. The Rev. J. F. Everson of the United Church was present and took part in the service.

Left to mourn are three sons and one daughter—Isaac, of British Columbia; Harry, of Sudbury; Daniel, of Belleville, and Mrs. George Love, of Madoc Township. The bearers were John Moore, Robert Thompson, Allan Love, Harry Love, Elliott Trotter and Philo Harris.

Interment was made beside her husband in the family plot in Hassard's Corners Cemetery.

HUTCHINSONS SAFE AND WELL

Angmagsalik, Greenland— Safe and well the flying Hutchinsons were found on Tuesday by the British trawler Talbot, rescued from a beach, 40 miles from here, when their plane, "City of Richmond" was wrecked on its hop to Iceland. The Hutchinsons have been missing since Sunday and were given up for lost.

Accompanying George Hutchinson on his New York to London flight "in easy stages" were his wife, two young daughters and a crew of four.

A leaking gasoline tank forced them down on a perilous reef. Hutchinson and his party waded ashore to a tiny Eskimo Settlement and were assisted in salvaging instruments and supplies from the wrecked plane.

The last boat for the season has left Angmagsalik and if the trawler Lord Talbot cannot carry the Hutchinsons to Iceland or some other European point, it may be necessary for them to spend the winter here.

SIR GILBERT PARKER TO BE BURIED IN BELLEVILLE

Late last Wednesday afternoon Colonel W. N. Ponton, K.C., of Belleville, received a cablegram from the solicitors of the late Sir Gilbert Parker, Canadian-born novelist, to the effect that the funeral will be held in that city. Sir Gilbert Parker was born in Camden East, a small town north of Napanee, and made frequent visits to his native district. Several years ago he purchased a home in Belleville and his parents and sister resided there many years. Sir Gilbert's wife, who died in 1925, is buried in Belleville Cemetery.

PAIN

HEADACHES, NEURITIS NEURALGIA, COLDS . . .

Whenever you have some nagging ache or pain, take some tablets of Aspirin. You'll get immediate relief.

There's scarcely ever an ache or pain that Aspirin won't relieve—and never a time when you can't take it.

The tablets with the Bayer cross are always safe. They don't depress the heart, or otherwise harm you. Use them just as often as they can spare you any pain or discomfort. Just be sure to buy Aspirin and not a substitute.

General News of Interest

Frost is quite noticeable in this district these mornings, although no damage has been reported to date, except in spots in the northern part of the county.

Campbellford—Mr. and Mrs. Wm. Smith and family have removed from their residence in the Allan house on Booth Street, and will reside in the O'Sullivan Block on Read Street.

Ottawa—Parliament will assemble on Thursday, October 6. Official announcement to this effect was made early Tuesday afternoon by Prime Minister R. B. Bennett. The announcement came following ameeting of Cabinet Council.

Ottawa—Expenditures on the construction of highways in Canada last year amounted to $60,002,819, with an additional $6,247,410 spent for bridges and ferries, the Dominion Bureau of Statistics reported in a review issued on Monday. The sum includes $4,262,545 contributed by the Dominion Government for relief of unemployment; $46,933,890 expended by the provinces, and $10,613,944 spent by local municipalities. At the end of 1931 there were 98,564 miles of Provincial highways and 279,518 miles of local roads in the Dominion. Surfaced highways increased from 90,497 miles in 1930 to 95,835 miles in 1931.

Tweed News—Thomas Hutchinson, manager of Modern Dry Cleaners, of Belleville, sustained serious injuries at Star of the East Mine at Cloyne yesterday when he fell down a thirty foot shaft while inspecting the mine. Mr. Hutchinson who was accompanying a party from Belleville who are part of the syndicate associated in the project, was walking around the grounds when he was suddenly hurled down the shaft. The ambulance owned by J. G. Frost was rushed to the mine and Mr. Hutchinson was taken to the hospital at Belleville. He was attended here by Dr. M. G. Dales. Mr. Hutchinson sustained a fractured skull and facial wounds. His condition is regarded as fair.

London, Eng.—Mahatma Gandhi's intention to starve himself to death by a hunger strike which he plans to begin on Sept. 20th, was revealed on Monday night by publication of correspondence between Gandhi, Prime Minister Ramsay MacDonald and Sir Samuel Hoare, Secretary for India. The Mahatma's decision resulted from his objections to the Government's plan to provide a modified form of separate electorates for the untouchable caste. It was impossible to learn from official sources what steps the government might take to prevent the realization of his plan, but it apeared probable that Gandhi would be released from prison when he starts the Hunger Strike. Meantime the government was understood to offer no compromise.

Belleville — Over a dozen black ducks were seen in the Bay of Quinte near Zwick's Island on Friday. Several others have been seen this week, and old timers state that this is the earliest in years that the wild ducks have arrived. They state that this is a sure sign of an early Winter. Canada geese have also been seen near the cornfields of Prince Edward County.

Havelock— The engagement has been announced of Mr. Lynn Anderson, of Toronto, son of Mrs. Alex Anderson of this village and Norma Haig also of Toronto, daughter of Mr. and Mrs. Peter Haig, of Havelock, the wedding to take place at Havelock on Saturday, September 17th.

Norwood—Mr. and Mrs. Thomas Jones, of Lethbridge, Alta., have been visiting at the home of Mr. and Mrs. Henry Jones. The former left here as a boy some 42 years ago and is very pleased with the progress in Norwood.

London, Eng.—The date for the reassembling of the British parliament is expected to be advanced to October 18. The earlier session than proposed for October 27 has been necessitated by the legislation to implement the decisions of the imperial conference at Ottawa.

Lakefield—Miss Annie Gow, 91-year-old resident of Lakefield, took an airplane ride last Thursday for the first time. She reads without glasses, goes for daily walks by herself, and travels alone by bus and by train. Miss Gow is a relative of Mrs. Lawrence Munro, Stirling.

Madoc—Following the burglary of Robert McCoy's general store in the village of Madoc, on the night of August 30th last, Raymond Yearwood of Madoc Village and Melville Devolin of Madoc Township were arrested by Provincial Constable Hill last week. At the time of the robbery about $30.00 worth of tobacco was reported missing from the McCoy store. Constable Hill has been investigating the case ever since with the result that the two young men were apprehended Monday morning at their respective homes. Following their arrest they were arraigned before Magistrate Casement at Madoc on a charge of breaking and entering. The case was enlarged for one week for trial. About $10.00 worth of the stolen tobacco was recovered by Constable Hill following the arrest of Yearwood and Devolin.

Belleville—According to the latest buletin to be released by the Hastings and Prince Edward Regiment, Major B. C. Donnan has been appointed second in command and officer commanding headquarters wing of the first battalion of the Hastings and Prince Edward Regiment.

Havelock—The village tax rate for 1932 was struck at a special meeting of the council when all the members were present. The rate of forty-eight mills is an increase over last year's forty-six mill rate, the addidtional two mills being necessitated by a deficit of $3,578 in last year's rate.

Toronto—A woman from an urban community proved best of the amateur judges of beef on the hoof at the Canadian National Exhibition, thereby winning $75. The woman was Mrs. A. Ironsides, of Belleville, victor in the slaughter competition, open to anybody. Live steers were slaughtered at an abbatoir and then the dressed carcasses were officially judged. Mrs. Ironsides' placings coincided nearest of all with those of the official judges.

ARREST MADE OF H. THOMAS' MURDERER

Peterboro—After a manhunt that had carried city, provincial and railway police over a wide section of the Stoney Lake district, Henry Reid, alias "Campbellford Shorty", alias "the Michigan Kid" was arrested at 11 o'clock last Thursday morning at the farm of Wesley McClure, in Dummer township, 18 miles north-east of here, on a charge of murder in connection with the death of Harry Thomas, Belleville war veteran, in the local "jungle".

Reid, it is claimed, admitted to the police that he had stabbed Thomas, but declared that this action had been taken in self-defence, following an alleged attack made on him by the dead man, when Reid refused to take part in a hold-up.

"It was Thomas," Reid is alleged to have confessed, "who planned the hold-up of the local man, and it was me who wouldn't go through with it. Thomas got mad. We began to argue. He started for me, reaching for the knife. I grabbed for it too, and stabbed him. It was him or me."

He is said to have stated that Thomas lived for ten minutes following the fatal stabbing. "The Yank", companion of the two transients, was in the boathouse at the time of the alleged fight.

"Yank" went out for a doctor, but I stayed," Reid said. "I waited for "Yank" to bring back the doctor. When he didn't come and Thomas had passed out, I beat it."

Reid will be arraigned formally in police court tomorrow on a charge of murder.

Magistrate Langley is out of the city attending the Police Magistrates' Convention in Hamilton, so that Reid will appear before two justices of the peace. He will be remanded to appear early next week before the magistrate.

Meanwhile the police will press the search for "Yank" whose testimony at Reid's trial would be most important.

Reid's arrest came as the result of a tip given the police by a newspaper reporter who had received a telephone message from a Dummer farmer. The wanted man had struck out for the lake country on Sunday and his trail was picked up at different points by the police, although they were some time in definitely locating their quarry.

Reid is a former resident of Campbellford, having been employed at a hotel in that place for nine years. For a short time he worked on the Michigan Central Railway. He was arrested by Detectives W. Meagher and W. Piercy of the city police department, and was afterwards questioned by Chief Constable Samuel Newhall and by Isnspector Boyd of the Criminal Investigation Department of the Provincial Police.

Peterboro—Defence of Harry Reid, at his trial on a charge of murdering his "jungle" pal, Harry Thomas, will be conducted by J. A. O'Brien, well-known local criminal lawyer. Mr. O'Brien was closeted for a short time on Sunday with the "Kid". This is the first time that anyone, except Chief Newhall, talked with the prisoner since he was placed in his cell, following his being charged formally with the murder. Police throughout the Province and further east to Nova Scotia are still keeping a careful watch in the hope of apprehending the "Yank", gentleman hobo, wanted as a material witness in the trial. No word has reached police here concerning the "Yank's" movements since he hurried away from the boathouse in which Thomas lay dying with a knife-wound near his heart.

WOOD WILL ATTEMPT MARK ON SATURDAY

Gar Wood, who successfully defended the Harmsworth Trophy last week from Kaye Don, has announced that he will attempt next Saturday, September 17th, to break the world's straightaway motorboat record of 119.81 miles per hour held by Don.

The attempt will be made early in the day in St. Clair River between Port Huron and Algomac.

Wood's latest Harmsworth defender, Miss America X., is now in Wood's boat works in Algomac being prepared for the speed run.

Don's record was made in Loch Lomond, Scotland, this summer.

NO BEER PARLOURS FOR THIS PROVINCE

Toronto, Sept. 9. There will be no beer parlors in Ontario, but a system of serving wine and beer in hotels might be worked out, Premier George S. Henry of Ontario told a deputation of hotel operators on Friday.

Speaking frankly and definitely, the Premier stated the government would not accede to requests for permission to establish beer and wine parlors. At two elections, he said, the people of the province had given a verdict in favor of government control and were not prepared to make hotel keepers their agents for selling liquor.

"I agree with quite a lot of what you have said," Premier Henry said in reference to the condition of the hotel business, "and with what you are seeking to do, but I fail to appreciate the argument that because you are losing business you should be engaged by the province to sell liquor."

"Legislation would be brought down affecting tourist houses in order to eliminate unfair competition," he said. "The question had been studied by the attorney-general and the government was looking forward to the possibility of licensing and controlling all accommodation provided for the traveller. The Department of Health also has favoured sanitary inspection of such places, he continued.

So far as competition between standard hotels and other classes of accommodation, the premier said the government purposed giving something in the way of legislation that would relieve the situation.

CANADA'S
Permanent Character

Head Office Montreal

There is iron and rock in the veins of Canada, as well as gold and silver. The stern and heroic qualities that conquered a wilderness and built a Dominion, united from Ocean to Ocean, still predominate in Canadian character. There is a permanency in this country that grows out of that character. It is expressed in institutions as well as individual craftsmanship and frugal industry.

The Bank of Montreal was the first permanent Bank in Canada. Having successfully co-operated with this country's people and business through the ups and downs of 115 years, the Bank today faces the future firm in its faith in the permanency of Canada's progress and the character and resourcefulness of the Canadian people.

Messrs Beecher and Ralph Barrett, of Brighton, were Stirling visitors on Saturday. The former also visited Mr. and Mrs. A. Pyear, Carmel on whose farm he spent the summer vacation for about five years, while residing in Stirling.

OUT OF THE FRYING PAN INTO THE FIRE

The following interesting composition or short story was written by Madeline Levason, daughter of Rev. and Mrs. Levason, Bonarlaw, and a student of Stirling High School.

When I went home from boarding school at my father's ranch, the Bar X, for the summer vacation, I took with me my chum, Diana Lowe. Diana had stayed at the Bar X the two previous summers, so the morning after we arrived, we decided to go and visit our old haunts.

After breakfast we went out to the corral and told Jake, one of the cowboys, to saddle our two favourite mustangs, Spillbeans and Calico. I suggested that we go up the mountainside, through the Devil's Throat, into Spring Lake Canyon, and explore some of the old caves that honeycombed the canyon wall. As a child I had often played Indians or outlaws in these caves. Doris agreed to my my suggestion and we started off, following the winding trail that led up the mountainside. Upon rounding a bend in the trail we saw a man riding leisurely towards us. "Why that's old Squint Murphy who lives in a cabin near the Devil's Throat", I exclaimed. Squint Murphy was an old, white-haired, battle scarred cowpuncher with piercing eyes that peered out from under shaggy brows and an enormous nose that had been broken so many times there was no shape left in it. He had a habit of screwing up one eye when he spoke, and thus he got his name. He was a typical old Westerner. He greeted us with his slangy cowboy drawl and he willingly accepted our invitation to accompany us. We road through the Devil's Throat and then left our horses tied in a group of saplings while we went up the side of the canyon on foot. We came to an exceptionally large cave and decided to explore it. I had a flashlinght and we went in and found a passage branching off from the cave, and so we set off to see where it led to. We had been walking along the uneven floor of the cave for some time when suddenly we heard gruff voices ahead. I quickly switched off the flashlinght and urged by the spirit of adventure we silently crept towards the spot from whence the sounds were coming. Upon rounding a bend we saw ahead of us a group of rough men in the centre of which stood a big blackbearded giant who was describing to them his plans to rob a certain bank the next night. His description of the plans was accompanied by a rousing speech to his men, which was accepted with grunts of approval. The place which they were in was evidently their storehouse for there were supplies of food as well as booty of all kinds. I recognized the men as the Idaho Kid and his gang.

The Idaho Kid was a famous outlaw who was the hero of many a small boy, for he and his gang went around holding up stage coaches and robbing banks, and he had never been caught by a sheriff in his life, although he was reported to have killed more men than the number of his own years.

Squint Murphy whispered to us that we had better be going, because if they caught us here they would be sure to put a finish to us, so we quietly started to retrace our steps, but two of the gang who had been appointed to guard the mouth of the cave started to come quickly toward us, carrying lanterns, and followed by the rest. We had to draw back into a niche in the wall and let them pass. Now we knew we were in a fix, for we couldn't get past the guards. We went as close to the mouth of the cave as we dared and lay down behind some of the many rocks which strewed the floor of the cave and we watched the men who were evidently going to take turns, for they all lay down and immediately went to sleep, while the one sat down and laid his gun handy beside him. When everything was perfectly quiet, except for the heavy breathing of the sleeping men, I suddenly felt that I wanted to sneeze. I held my breath and tried to stop it, but in vain, for a loud "Atishue" rang out in the cave. In an instant the guard was on his feet, gun in hand. He hurled a well-aimed kick at the nearest sleeping figure, which happened to be the Idaho Kid himself, and who cursed loudly at being thus aroused from his slumbers. "There's somebody in the cave", shouted the guard at him. "Come out, whoever you are," he shouted at us, but we made no sound as we crouched there, scarcely breathing. But the men, who were all wide awake now, were not satisfied and they walked toward us with guns levelled. At first I thought the men were going to pass me, but no such luck, for the Idaho Kid caught sight of me and stooping down grabbed me by the back of the neck and hauled me to my feet. I was thoroughly frightened when I found myself looking down the barrel of a six-shooter.

"Come on, come on," growled a voice. "Tell us what you know."

"I d-d-d-on't know anything," I stuttered.

"Oh Yeah," said the same voice. "Then why were you hiding behind that rock, spying on us? Do you know what happens to people who spy on the Idaho Kid? They die of lead poisoning. Yeah, the kind that comes from six-shooters," he drawled.

I had been ahead of the others and they had not yet been discovered. The Idaho Kid flung me from him and I landed on my hands and knees.

Now life is very dear to us all, especially when we think we are going to lose it.

I decided to make a last bid for life, for I really thought I was going to be shot. I stood up and drew my gun, but pretended I was shaking so I could hardly hold it. The gang leader stood looking at me with his gun held loosely in his hand and a sarcastic grin on his face.

Suddenly I sprang alert and fired. The Kid saw the action and fired also, but his bullet went off just a fraction of a second after mine or I would not be here today. My bullet ploughed his arm from wrist to elbow, while his went wild. With a howl of pain and rage he dropped his gun. I flung myself down behind a rock which happened to be near me, to escape the shower of bullets that now came at me from the guns of the other men.

One bullet went through my hair, another grazed my cheek and then I felt a peculiar numbing sensation in my left shoulder and I knew I was hit. It stunned me for a minute, but I fired again and again, wildly, until my bullets had run out.

But Squint Murphy had now joined in the fight and I saw one man go down like a log, another drop his gun, and they all went down, one after another.

I noticed that Squint Murphy was just trying to disable the men without hurting them very badly. He then unarmed each man, cut his lassoo into pieces and tied each one, hand and foot.

Later, after the sheriff had congratulated us on catching the whole gang, he told us we would receive the three thousand dollars reward, and we decided to share it evenly, and Squint Murphy said to me in his typical cowboy drawl: "Wal, I reckon we shore did get out of the frying pan into the fire when you sneezed."

Norwood—Mr. A. G. McDermitt who has been manager of the Canadian Bank of Commerce here for a number of years, left on Thursday to take charge of the bank's branch at Port Credit.

TRENTON STUDIO

(Cobourg Sentinel-Star)

The Trenton motion picture studio where it is said pictures are to be made on a large scale, has a past, and if any of Cobourg's citizens are approached with a view to investing money in this "Million dollar project," they would be well advised to "go slow".

The Canadian Moving Picture Digest says:

Recently there was a story to the effect that Trenton would house a new million dollar firm to make movies.

"Clive Brook", "Reginald Denny", "Polly Moran", "Dorothy Mackaill," were among a list of stars named and "Alan Dwan" "George Melford", and "James Whale" among the list of producers.

Incidentally the announcement did not omit to mention that "a number of important business officials are reported to be interested in the venture, including Sir Herbert Holt, and E. W. Beatty, both of whom have indicated sympathetic interest."

There is a further statement which does not overlook a promise of quota protection from the Prime Minister.

The Digest interviewed a government official who should know what goes on, or is to go on at Trenton. He had read the announcement and informed The Digest that it gave him "a great laugh".

However, quite a number of people laughed when the announcement first appeared in connection with "Bairnfather's Carry On"; and quite a number knew that the laugh was on them when there was no "carry on."

Canadians are advised to "sit tight" on any investment in Canadian Motion Picture production unless the enterprise is managed and under the control of film people who know the business of Motion Pictures; and are in a position to protect Canadian investors.

THE FARMER'S PLIGHT

(Gananoque Reporter)

The farmer's complaint has been that the prices of the things he must buy have not fallen to anywhere the same extent as the prices of the things he has to sell. That is quite true, and his position will not improve until there is a better equalization of prices. The Toronto Star notes some illustrations of the price trend as it affects the man on the farm. A farmer in Grey County recently had an eleven-hundred-pound cow which he wanted to sell, and a drover offered him $2.00 for it. He decided to ship her to the Toronto market, where she was valued at a cent per pound, and when expenses were paid he received $5.12 for the animal. Another farmer in Perth County needed a new plow and got one for $18.50. Three years ago it would have cost $21.00. According to the Stratford Beacon-Herald the farmer did some figuring. The milk from his farm goes each day to the factory and he receives 50 cents per hundred. Three years ago it was about $1.50. As the farmer figured it out he received at 12 per cent. reduction on the price of the plow he purchased and suffered a 66 2-3 per cent. reduction on the price of the milk he sold. Or, when the price of the plow was $21.00 three years ago, he could have paid for it with 1,400 pounds of milk. Now, with the plow reduced to $18.50, he has to give 3,700 pounds of milk to pay for it. It will be seen from these instances that the farmer is placed in a very serious position in that the price of what he buys has not fallen anything like as much as the price of the products he must sell.

HYDRO DID NO WRONG IN AIRD PAYMENT

Toronto—"Upon the written testimony and documents what is called the payment to Aird was not in fact a payment and was not properly described," declared Mr. Justice W. R. Riddell in resuming the investigation into certain affairs of the Ontario Hydro Electric Power Commission and its dealings with John Aaird, Jr., of Toronto, on Tuesday. Referring particularly to the payment of $50,000 to Aird by the Hydro in connection with the purchase of certain rights on the Madawaska river, Mr. Justice Riddell said: "It s quite plain the payment to Aird for services rendered was part of the purchase money insisted on by the vendor." The Hyrdo, according to His Lordship had done nothing wrong.

LORD WAKEFIELD QUITS MOTOR BOAT SPEED TRIALS

London—Lord Wakefield, owner of Miss England III, fastest speed boat in the world announced on Monday that he would take no further part in motor boat contests.

British sport circles viewed the announcement with keen disappointment, in view of the determination of Gar Wood American holder of the Harmsworth trophy to go after the world speed record held by Kay Don, British driving ace, who failed on his challenge against Wood at Detroit, last week.

Lord Wakefield has for years acted as "angel" for British mechanical speed sports and has sponsored numerous record attempts for automobiles and motor boats and has also backed several long distance aeroplane flights.

The duck hunting season opened today and many hunters of the district were out early this morning and no doubt many of the birds will have been in "pot pie" ere night.

NOTICE TO FARMERS

Last week farmers who shipped stock at Bonarlaw received clear of expenses, five and one-half cents per pound for good calves; five cents per pound for good lambs; one and one-half cents per pound for bulls; three cents per pound for some good quality heifers weighing four to seven hundred pounds; one and one-half cents per pound for some cutter cows. One farmer had six select hogs out of a shipment of eight. One heavy sow brought two and one-half cents per pound.

W. J. Haggerty ships every Monday.

AN EFFECTIVE 'MESSAGE'

Mr. Neil Bedell, of Minto, is a great booster for News-Argus Classified Ads. On several occasions he has inserted a "little message" and always received results. On Tuesday morning he informed the writer that through his last advertisment to sell hay, that he had disposed of all he had by the day following the insertion and gave the advt all the credit for the sale. If you desire any article or have anything to sell, insert a classified advt. in the News-Argus—they bring results.

Stirling Fair Is Outstanding Success

Over 2500 People Attend — Championship School Fair Held In Connection — Horse Races Keen — Springbrook won Softball Tournament — Livestock Entries Largest In Years — Horse Shoe Pitching Prizes Remain in Stirling — Midway Popular.

Another milestone in the history of Stirling Fair has passed. Yesterday afternoon this well-known annual event was staged and it was a decided success. The sixth annual Championship School Fair was held in conjunction, and again proved to be a great drawing card.

The day was ideal in every way. Yesterday morning the sky was overcast with clouds, but about noon Old Sol began to peak out and in the early afternoon shone forth in all his glory. It may truly be stated that all roads led to Stirling yesterday, and from early noon until mid-afternoon autos and horse-drawn vehicles "poured" into Stirling from every direction. At least 2500 people and 250 cars passed through the gates. In past years several "guests" gained admittance a la fence, but this year extra police were on hand and such free admissions were practically eliminated. By the number of people present it can be seen the fair this year was accorded generous patronage, considering the prevailing conditions. The gate receipts were approximately $525, with all school children admitted free.

E. J. PYEAR
President of Stirling Agricultural Society

This fair has gained a province-wide reputation for being one of the most outstanding in town and village fairs. It always has had one of the largest exhibits of any fair in the district and yesterday's event eclipsed all previous years, particularly in the livestock section. There were 1861 entries in all classes, which is exceptional, considering that some of the sections were dropped from the prize lists.

This year's midway was beyond expectations—it would have done credit to a city exhibition. There was everything to buy, you could get your photo taken on the spot, try your strength by hitting the bell with the sledge hammer, hoop-la; ball throwing, and all kinds of games of chance. Hot dogs were the order of the day, and most tasty lunches were served at the local Presbyterian ladies' booth. The Ferris wheel was the delight of the kiddies, and also the grown-ups. It is reported that over 900 tickets were sold for this amusement alone. The midway was a credit to any fair.

MR. JOS. WILSON
Agricultural Representative, who was in charge of the Championship School Fair held yesterday

Among those from the village who had booths in the Midway were: The Legion (2), Boy Scouts, Miss Sara and Mr. Jos. Delaney, The Presbyterian Ladies' Aid.

TRIALS OF SPEED

The trials of speed were the keenest ever run on the local track in years. There were so many horses, that instead of the two classes scheduled a third race had to be added, making two 2.26 races along with the 2.16. Stirling Fair apparently has become popular to horse race men, for each year, when only two classes are scheduled so many horses come that an extra class has to be added. In the second heat of the 2.16 class an accident occurred to Lou Entricken, owned by H. Diament, of Belleville. At the second turn, in the first lap, this horse got off stride, or stumbled and went lame. Upon examination by Veretrinary Johnston, after the heat, it was discovered that the horse had suffered a fractured pelvis in the right hip. It was not thought necessary to destroy the animal. The following are the results in the different classes, with the names of the owners of the horses:

TEACHERS TO MEET HERE

The annual convention of the Teachers Institute of Centre Hastings Inspectorate will be held in Stirling on Thursday and Friday, October 6 and 7.

ENJOYS RASPBERRIES

Mrs. Geo. Wallace, of Rawdon, informed the News-Argus that she had enjoyed a treat of wild raspberries picked from bushes on her farm, that day for dinner, last Thursday. This is an unusual delicacy for this time of year.

PLOWED UP COIN

One day last week while the hired man was plowing on the farm of Mr. Fred Mallory, deputy-reeve of Sidney Township, he found a coin of 1812. It is not a penny, and has the "ring" of a mixture of tin and silver. General Brock's picture was engraved on one side and the picture of "Peace" on the other.

MORE FREAK VEGETABLES

Mr. Russell Rupert, of West Huntingdon submitted a freak tomato to this office on Saturday afternoon. It was perfectly formed, but on the top, near the stem, there were three horns or tusks, about one inch long.

Mr. Wm. Hammond of the Ridge Road, on Friday morning displayed a twin table squash, that he had taken from his garden. They were equal in size and were joined together their entire lengths, and were a fair size.

CAULIFLOWER STOLEN

Some person or persons in this vicinity have a craving for cauliflower, so much so that they steal them. Mr. Carl Conley, who lives at the corner of North and Charlotte streets, had fourteen large cauliflowers almost ready to be taken in for the winter. However, some time last week, a sneak thief entered his garden and removed eight heads. Naturally the owner was quite provoked. The sneak, not being contented, and apparently considering they were choice returned on Sunday night and removed the balance. This is a contemptible trick and it is to be hoped the guilty party will be apprehended.

EIGHTEEN APPLES IN ONE CLUSTER

Everyone in this district knows that the section is without peer for grain growing or milk production, and for apple growing the orchards of Messrs H. Hadley, Chas. Morton and Chas. Dracup have gained a great reputation for Spy and McIntosh apples. However, Ex-Warden Geo. Bailey, of Harold, has a Grimes Golden apple tree that reigns supreme for producing unusual clusters of fruit. Last week, upon inspection, he picked a cluster of apples from the tree and upon examination discovered there were eighteen on the one stem. They were of good size and well formed and fruit men say this exceptional.

A. Y. P. A.

The first meeting of the A.Y.P.A. was held in the vestry on Monday evening. After hymn 410 and prayers, Wm. Heath was called upon to act as chairman and the following officers were elected for the ensuing year:

Patron—Rev. B. F. Byers.

Patroness—Mrs. Byers.

President—Jerry Craven.

1st Vice-President—Arthur Bateman.

2nd vice-President—Margaret Danford.

Secretary—Aubrey Rodgers.

Treasurer—Alice Morgan.

Organist—Margaret Bateman.

The following members were appointed to the various committees:

Social Committee — Mrs. Bateman, Mrs. Cooke, Mrs. Gould, Mrs. Danford and Mrs. Belshaw.

Executive—Miss Calow, Frances Cooke, Arthur Gould and Wm. Heath.

It was decided that the installation of officers would take place on Monday evening, September 26th, in the vestry, when a social evening will be held.

Mrs. Danford and family will entertain the members of the A.Y.P.A. to a corn roast at their home on Friday evening. After the collection was taken the meeting closed with the National Anthem.

ST. PAUL'S Y.P.S.

The meeting of St. Paul's Young People's Society on Mondy evening took the form of an "At Home" for the staff of both High and Public Schools, the students of the High School and the Board of Education. The Church parlors looked very pretty, decorated with foliages and baskets of autumn flowers. The president, Mr. Harry Hulin, presided over the meeting, which opened by the Sunday School Orchestra playing the National Anthem. The President welcomed all the invited guests of the evening on behalf of St. Paul's Y.P.S., and Dr. C. F. Walt also extended greetings on behalf of St. Pau'ls United Church and the official Board. Mr. R. G. Lawlor, Principal of the High School, replied on behalf of the staff and pupils, and Mr. Browden, Principal of the Public school replied on behalf of the Public School staff; also Mr. B. Belshaw Chairman of the Board of Education addressed the gathering on behalf of the school board. This excellent program consisted of a vocal solo "Morning", by Miss Betty Conley and a vocal solo "Sylvia" by Mr. Pete Way. A recitation "Then and Now", was given by Iva Lummis, and Helen Jeffrey rendered a recitation entitled "Grandpa's Spectacles." An instrumental number "Two Guitars" was given by Chas. Allen, and "Novelette" an instrumental given by Miss Laurene Scott. Maurice Bell and his banjo and guitar pupils, namely Kenneth Stapley, Pearl and Ruby Stapley, Russell Pitman, Harold West and Don Scott, with Mrs. E. W. Rowland as pianist, played the number entitled "I Can't Get Missippi off my Mind." Mrs. Lawrence Munro was in charge of a corn individual contest. Mr. H. C. Martin guessed the nearest correct number of kernels in the ear, 316, within one of the correct number. The lucky door prize was won by Miss Wava Wallace. A group contest was put on by Mrs. Nora Wescott and Mrs. L. Munro, and proved very interesting. Many members of the Society acted in pantomime the names of different kinds of cakes. Bright community singing led by G. L. Clute was entered into heartily by all present. A very dainty lunch was served by members of the Society, during which the Sunday School orchestra favoured the audience with splendid numbers. Over 165 were present. The social hour was brought to a close by singing of the National Anthem.

CURRENT COMMENT

We think the world is getting better every day, but we are not so sure about the nights.

Our definition of the word "futile" in these times of depression, is a farmer trying to make money out of the prices for his produce.

The disarmament conference is to be resumed. But it does not meet under very hopeful auspices with Germany demanding the right to increase armaments.

Japan is determined to defy the rest of the world and practically seize Manchuria. And the world will probably have to stand by and let her do it.

Better times and confidence are gradually returning. The worst of it is that when confidence returns so will the confidence men.

A local man claims that there is little difference between a woman and a telephone as both repeat what they hear, but the telephone repeats it exactly as it hears it.

Madoc Review—The best times are ahead of us, not behind us. The future challenges to new efforts and greater achievements. If we think it can be done, it will

Oshawa Times—Ontario will have a deficit at the end of the financial year, it is reported. Which is not surprising, in view of the demands made upon the provincial treasury.

Has Dan Cupid changed the season for "shooting his dart"? With the wedding notices in newspapers generally just now, it looks as if September has stolen the laurels from June.

According to reports there is a shortage of butter in Canada, and that there will be a five million pounds shortage this year. What an opportunity for producers to get busy and eliminate the "depression" in this sphere.

So many men, from different spheres of activity, are confident that better conditions are here, that we are inclined to the view that there must be something in what they say. Where there is smoke there is usually fire.

After Stirling's Fall Fair yesterday the people of Stirlin and vicinity know what this district can do in the production of choice fruit, vegetables and other farm products.

A farmer claims that you can borrow money from the banks if you have the collateral; in other words nobody can borrow unless he can prove that he doesn't need the money. We don't know whether this is true or not in Stirling.

We were pleased to note that cheese advanced another half cent per pound on the Belleville Board on Saturday, making the price 11 1-16 cents per pound. May it continue to advance, is, no doubt, the wish of every resident in this district.

The prophets are already busy predicting winter. Some claim that a cold, hard winter is ahead of us. They base their predictions on the heavy crop of beech and butter nuts this year, and that squirrels are, at present, busily engaged in storing nuts for the winter. Let's hope the prophets are amiss in their predictions.

The Post Office Department is issuing new postal note stamps shortly. These stamps are issued solely for the purpose of raising the value of postal notes in order to make up odd amounts up to nine cents. They are not to be used for any other postal business whatever and must not be accepted in payment of postage, revenue or excise tax.

Financial Post — Canada seems to be neutral in the dispute between Denmark and Norway over the ownership of part of East Greenland. But should we remain aloof? Scientists say that the earth is getting warmer; that in umpteen billion years there will be no ice at the poles. When that day comes we may need Greenland as pasture-land for Quebec cows.

Tillsonburg News—The quality of the radio programs is decreasing; no longer do the sponsors maintain the high standards of some two or three years ago. Perhaps they have learned through experience that more knowledge is gained through the eye than the ear, and so will revert to nwspaper columns to inform the public of the superiority of their goods. At any rate, the radio is ceasing to be the boon companion it formerly was to many homes.

It is again time for Mahatmi Gandhi of India to take steps to get into world wide limelight. He threatens to starve himself to death. To this many will say "Hurrah". Last year he staged a trip to England and items of his activities while there, whether wise or foolish, were given great space in the daily press throughout the world. If Gandhi's crazy antics were ignored, in all probability he would soon fade out of the limelight. Let him die if he so desires. Why make a fuss about it?

The Russian Oil (No, we don't mean for medicinal purposes) and Canadian aluminum deal is creating a great furore. If the Hon. R. B. Bennett knew that this deal was going through during his debate against Russian trading with the Empire, at the recent Imperial Conference, he is not the man we thought he was. When the cargo of "Red" oil arrived it should have been heavily taxed to make the sale in Canada prohibitive, unless at a loss. There should be an embargo placed on Russian oil now.

A great many Ontario men who a few years ago threw up their jobs to secure what they thought were high paying and lucrative positions in the United States cities, are back again in the home fold, poorer but wiser for their experiences. When dull times came to the big cities the Canadians were the first to get their walking tickets. Some had been residents of the Republic for 12 to 14 years, but had failed to take out their final citizenship papers, with the result that they were recently told to "get out".

A deputation from the Allied Printing Trades of Toronto appeared before the Board of Control to ask their aid in inducing firms to give their printing to city printers instead of those outside of the city. How come? Toronto printing concerns have salesmen canvassing every town and city in Ontario for commercial printing. Do they want a monopoly in the printing industry? Toronto printing salesmen canvass merchants in every town in the province for printing, not even excepting Stirling, as the News-Argus knows to its sorrow. We hope the next time these salesmen canvass our local business men, the latter will not be backward in telling them they give their local printers all their work.

Students, when you leave the home district for Normal School or one of our Universities, how are you going to keep in touch with the happenings in Stirling? How are you going to keep track of the doings of your friends and acquaintances? Are you going to depend uponl etters? Why not do as others do—a better and cheaper way? Have the News-Argus sent to you while you are absent. Every week the News-Argus will come to you packed with news of the old home county, as well as interesting stories, articles, etc. The News-Argus with its great amount of news is especially appreciated when away from home. It is the connecting link to many hundreds of people.

A live wire merchant in an Eastern Ontario town not so far from Stirling, who is a firm believer in newspaper advertising and who backs up his belief with good sized advertisements in teh paper every week, reports that he is sometimes asked why he doesn't cut down the amount of advertising space and thus save enough money to sell his goods for less. He replies: "We can sell merchandise at less overhead by advertising consistently, because it increases our volume materially. We must have volume—and volume means more sales and a smaller proportion of expense per sale." Which hits the nail squarely on the head and shows how this merchant, as well as other courageous ones, are keeping up their sales volume by steady and consistent use of newspaper advertising.

A Suggestion For Stirling

Trenton Chamber of Commerce met recently to lay plans for a Trenton Week—a week in which the interests of the Trenton merchants will be displayed before the public. The idea at the present time is for the merchants to combine in putting out a special edition of the local paper which will deal exclusively with the various merchants of the town and their marchandise. It has been suggested that the week should begin with Saturday, September 24. It is expected that all stores will be kept open on Tuesday night of that week and the services of the Town Band will be secured if possible, merchants will offer special prices which should find favor with every household exchequer. A committee of eight merchants has been appointed to make the various arrangements. Here is a real suggestion for Stirling. We pass it along for what it is worth in the hope that it will receive some consideration.

Fair Is A Success

During the past few issues in these colums we ventured the opinion that if the people of Stirling and District made up their minds to do it, they could make this year's fair a complete success. We stressed the necessity of the greatest possible co-operation between the officials and directors of the fair and the citizens generally, and of proper support being given to the Fair. The Fair is over, and those things which we said could have been done have been done, even though the hard time cry is rampant. The weather yesterday was somewhat uncertain but the people came and it is reported the attendance eclipsed all previous years. One does not need to say much regarding the exhibit side of the fair. It was a great success, superior to last year, although several sections were eliminated and those who were in charge of the various departments are to be congratulated. The championship School Fair exhibits were most artistically displayed and demanded attention. The Stirling public school manual training and household science exhibit attracted a great deal of attention. This was the first year for this exhibit, and much credit for same is due the staff and pupils.

At this time we are unable to give definite information as to the financial side of the Fair, but we are confident that there will be a surplus. At this year's Fair the people of Stirling and district have demonstrated that they can do things when they want to do them. No Fair directors ever faced a tougher year than those of 1932. No Fair directors ever worked harder. And it must be gratifying to them to realize that in spite of the hard times in the community their efforts were well supported, and the Fair was made a success. This is a good omen for the future. If a Fair could be made successful in 1932, then there is no telling how great the developments will be when better times return, so that those who are charged with the responsibilites for the Fair of next year can look forward with hope to even excelling what has been done this year.

Twenty Years Ago

"We can thank *Long Distance* for that cheque"

Old man Carrington was selling his farm and there were two fine teams for quick sale. Bill Smart didn't need them but he thought of a man he knew in the cartage business in town.

Bill called his man by Long Distance telephone that night and arranged to buy both teams for him next day on commission.

A few days later he had a nice cheque in the mail — and his telephone call cost him only 30 cents.

Proved by Mathematics

"Arithmetic is a science of truth," said the professor, earnestly. "Figures can't lie. For instance, if one man can build a house in 12 days, 12 men can build it in one.

"Yes, interrupted a quick-brained student. "Then 288 will build it in one hour, 17,280 in one miniute, and 1,036,800 in one second. And I don't believe they could lay one brick in that time!"

While the professor was still gasping the smart "ready-reckoner" went on:

"Again, if one ship can cross the Atlantic in six days, six ships can cross it in one day. I don't believe that, either; so where's the truth in arithmetic?"

Then he sat down.

The farmer's pink-cheeked daughter was coming up the lane. She was clad in grimy overalls from the pockets of which bulged bunches of cotton-waste and sundry wrenches and pliers. In her hand was a dirty satchel of iron tools.

"Where are you going, my pretty maid?"

"I'm going a-milking, sir, she said.

"But why the tools, my pretty maid?"

"Trouble," she said, "with that blamed milking machine again."

No Dunking Allowed

He was very hungry, so he pushed open the swinging doors of the restaurant and entered. It was a rough ill-smelling place, but he thought he would try a cup of coffee and something to eat.

The waitress brought coffee in a thick, heavy cup.

"Where's the saucer?" inquired our fastidious friend.

"We don't give no saucers here," replied the girl. "If we did, some ill-bred ignoramus would come blowing in, and drink out of his saucer, and we'd lose a lot of our swellest customers".

No Argument

After a young lawyer had talked nearly five hours to a jury who were beyond the point of endurance, his opponent, a grizzled veteran of the legal cockpit, rose, sweetly smiled at the judge and jurymen, and said:

"Your honor, I will follow the example of my young friend who has just concluded, and I will submit the case without argument."

Very, Very Deserving

A "Paternity" Ward" for anxious fathers awaiting word from the stork will be a feature of the new Alleghany General Hospital now under construction in Pittsburgh.

The section will contain a dining room; parlors, where husbands may play cards while awaiting bulletins about the wife and baby; and a special barber shop to insure a good apeparance on the part of the proud parent.

"These men deserve all the attention and consideration we can give them," Percy Stephens, representing the architect, recently remarked.

"You're looking bad, old man," said an acquaintance to Browne. "What's the trouble?"

"Domestic," answered Browne.

"But you always said that your wife was a pearl," remarked a friend.

"So she is," returned Browne sorrowfully. "It's the mother o' Pearl that's the trouble."

Why U. S. A. Justice is Blind

Visitor in County Jail—What terrible crime has this man committed?

Warden — He didn't commit any crime at all. He was going down the street a few days ago, and saw one man shoot another, and he is held as a material witness.

Visitor—And where is the man who committed the murder?

Warden—Oh, he's out on bail.

Hints for the Household

Chewing gum fastened to your clothing or furniture can be easily removed without much trouble. Even on a "hairy" surface—there will be no trace left of the gum—if you wipe the spot with the white of an egg. Try it some time should you be in this predicament. It works splendidly.

Open Vegetable Sandwiches

Here are a few suggestions for some pretty and tasty vegetable sandwiches—ideal for serving at September parties.

Fresh Mushroom Sandwiches

Fresh mushroom (chopped fine)
Salt.
Flour (little).
Butter.

Method: Fry altogether until brown Cool and spread on bread. Do not spread butter on bread as this is a very rich sandwich filling in itself.

Asparagus Tip Sandwich with Mayonnaise.

String beans chopped with chili sauce makes a good sandwich.

Brown bread, buttered. Spread with minced sardines moistened with lemon juice. Decorate with pickle and pimento. Makes a very delightful sandwich.

Salmon Sandwich with Tartar Sauce is delicious.

Tomato and Summer Squash

Tomatoes.
Squash.
Flour
White Sauce

Method: Slice tomatoes quite thick. Slice squash same thickness as tomatoes. Dipi n flour. Fry brown and cook until done. When done remove toh ot platter. Make white sauce in pan vegetables were cooked in. Pour over vegetables and garnish with bacon.

Egg Beater

Egg beaters are now made inv arious sizes. One very convenient size is made to fit measuring cup. So when one egg is called for it can be beaten in measuring cup, thus saving an extra bowl. It is also handy when whipping a small quantity of cream.

Chili Sauce

30 red tomatoes.
6 onions.
3 red peppers (hot).
20 tablespoons of sugar.
5 tablespoons of salt.
5 cups of vinegar.

Method: Chop tomatoes, onions, and peppers together. Add the remaining ingredients and cook slowly for at leas tan hour.

Stuffed Flank Steak

Slice of Flank Steak, about 1 pound
Seasoning (including onions and carrots).
1 cup of boiling water.

Method: Spread dressing over meat. Roll it up and tie together. Place sliced carrots and onions in bottom of baking dish. Place meat on top of this and suet on top of meat. Pour boiling water over this. Cover and cook 20 minutes in hot oven. Then uncover and cook 30 minutes in a moderate oven. Make pan gravy.

Stuffing

1 cup of bread crumbs.
2 tablespoons of melted butter.
Parsley.
Onion.
Celery.
Seasoning.

Baked Peaches

These are different, easy to prepare and delicious.

Method: Wash desired number of peaches. Put in baking pans with skins on. Cover bottom of pan with water. Sprinkle sugar liberally over top. Bake 1 hour. Serve with plain cream.

USE BRITISH COAL

(Alliston Herald)

A townsman buying coal in hearing of The Herald a few days ago made some remarks which are worthy of being passed along to other householders. This Allistonian asked the price of Welsh coal and the price of Pennsylvania coal. The Welsh coal was $1.00 per ton higher in price than the American, but he unhesitatingly told the dealer to put in the Welsh coal, remarking that he would get more than a dollar's worth of satisfaction out of the British coal in not having to carry out clinkers and ashes. With the Americans shutting out Canadian grain, Canadian hogs and cattle, Canadian potatoes, Canadian lumber and Canadian products of all kinds, Canadians are not under any neighborly obligation to buy anything American. Britain has gven Canada profitable trade concessions and Canadians will consult their own inteerests by buying British coal.

PRESENTATION TO NEWLYWEDS

Anu nusually large crowd gathered at the home of Mr. E. T. Sarles on Thursday evening, Sept. 16th. to spend a social evening with Mr. and Mrs. Nelson Searles, (nee Helen Doris Bird). Mr. P. Carr called the gathering to order, after which the following address was read by Mr. Harold Ashley, and Mr. Lorne Wilson presented them with a wicker rocking chair and fernery. Nelson and Helen thanked the friends for the gifts, after which all joined in singing "For they are Jolly Good Fellows". Short speeches were then given by Mr. Howrd Ashley, also Rev. Mr. Sales. Mr. Clayton Tummon sang a couple of songs, after which a dainty lunch was served by the ladies. The following is the address:

West Huntingdon, Sept. 15, 1932

Dear Nelson and Helen,—

Having learned of your recent marriage we have come as friends to convey to you our sincere wishes for your every happiness in your voyage through matrimony. We come to your home tonight with the most cordial feelings of affection and esteem for you both. You were always willing to render every service in our community and any requests made of you have always been met with a cheerful response. You have won many friends here, who will not easily forget you and we hope that you shall continue to win many more friends in the community in which you are residing. We are glad that your home will not be so very far from us and that we may often have your presence among us at many of our social activities. Again we extend to you our hearty congratulations and best wishes for a long and prosperous married life. To remind you of this happy event in your future life and also of your many friends in this neighborhood, we ask you to accept these gifts as a slight expression of our regard for you. Signed on behalf of your many friends—Lorne Wilson, Russell Rupert, Fred Murray.

Hon. G. H. Ferguson and Hon. W. D. Herridge, $12,000 each, at London, Eng., and Washington, U.S.A.

NIX—WHITEHOUSE

A quiet wedding was solemnized in King St. United Church parsonage, Trenton, on Wednesday, September 14, at 2.00 p.m., when Maude, daughter of Mr. and Mrs. John Whitehouse, Brighton, became the bride of C. Carman Nix, olyn son of Mrs. Bert Nix and the late Mr. Bert Nix, Stirling. Rev. A. E. Jones officiated.

The bride was attired in a travel suit of navy blue Gabardine, navy and fawn hat with shoes, gloves, and purse to match.

Miss Leah Whitehouse, a sister of the bride, acted as bridesmaid, while Mr. Jack Whitehouse, a brother, was best man.

They left by motor for Niagara Falls, Buffalo, and other points west. On their return to the bride's home a reception will be held. Later the happy couple will leave for their new home in Stirling.

Sir G. Parker To Be Buried in Belleville on Tuesday

The funeral of the late Sir Gilbert Parker, Bart, P.C., has been fixed for next Tuesday afternoon, September 27th, at 2.45 o'clock at St. Thomas' Church, Belleville, and thereafter at the Cemetery where the choir will render the committal hymn. It is expected the body will arrive here on Sunday. Among other organizations the Board of Education and the Royal Society of Canada will be represented. The following are additional names of those who claim to have been taught by the late Sir Gilbert Parker before he went to the O.S.D. and Trinity University—Mrs. Park, Stirling; Mrs. Jackson, Belleville; Mr. Judson Gelley, Belleville R.R. 2; Mrs. Frances Evans, Belleville; Mrs. Smith, Foxboro. Two pews will be reserved for Sir Gilbert's old pupils and it is hoped that all will sit together as far as possible.

Rt. Hon. Sir Gilbert Parker, Bart., Deceased

(A Tribute by George Allen Kingston)

Hearken, Quinte Sons and Daughters!
Comes a sound from out the distance,
Midst the busy life of London:—
Sound of death bells, tolling, tolling;
News despatch soon tells the story;
Hear we this with pain and sorrow;
'Tis Sir Gilbert Parker's passing.

Who is this Sir Gilbert Parker,
That so much is said about him?
Come back three score years and twelve since
To a home in Camden Township
In the Bay of Quinte District;
Here amidst obscure surroundings,
Was born to the Parker parents
Boy they named "Horatio Gilbert"—
Destined in the years to follow,
Make the name of Parker famous
Where folks speak the English language.

Early boyhood, spent in Belleville;
Here his primary education
Gave good promise for the future;
Spends a year or two at teaching.
It was then his budding talents
First gave vent to strong expression,
And before the age of twenty,
While still teaching school at Marsh Hill
On the Foxboro-Stirling Highway,
Comes his first known published verses,

Then to Trinity in Toronto
To complete his education
And prepare for "Holy Orders"
To which service he seemed destined;
But a year or two as Curate
In the little Trenton parish,
Found his boundless strong ambition
Circumscribed in too small compass.

Keen as well for high adventure,
And to get a wider vision,
At the age of five and twenty
Travels out to far Australia,
Where his literary talent
Soon finds place in journalism.
This gave him the chance he wanted—
Travel in far distant regions—
Through Australia and Tasmania,
The Dominion of New Zealand,
And the Islands of the South Sea;
What a wealth of information
Gathered he on all these journeys.

Next we find him back in London
In the very heart of Empire—
Still a young man in his thirties
And a most prolific writer.
In the three decades that follow,
Comes whole library of fiction
From thisl iterary genius,
Question, who is Gilbert Parker?
Millions who have read his stories
Rich in thought and noble purpose.
Could rise up and give the answer.

But his genius was not confined
Mere to literary effort;
When just at the age of forty,
Sent was he by the electors
Of Gravesend Electoral District,
To the British House of Commons;
Here for eighteen years continuous,
Served he thus his King and Country,
And was honoured by his Sovereign
With the noble rank of Baronet;
Also was he made a member
Of the King's Own Privy Council.
Now he's dead, Sir Gilbert Parker!
Yet, not dead, his spirit's with us,
And his body home is coming
On its last long earthly journey,
For entombment in his Belleville,
On the Shore of Bay of Quinte,
Near the scenes of early boyhood,
By the side of Lady Parker,
Thirty years his life companion.

Shall we not his memory cherish,
This most noble Son of Quinte?
Whose whole life meant high achievement;
And for those now coming after,—
Inspiration and example.
Here, our tribute of affection
Pay we him, now passed beyond us.

Toronto, September 15th, 1932.

IMPORTANT DATES IN MUNICIPAL HISTORY

Voting by ballot at municipal elections was introduced in 1874. In 1876 the same system was applied to voting upon debenture by-laws, and in 1877 the provisions of The Voters Lists Act were made applicable to the preparation of lists for municipal as well as to those for provincial elections. Income voters were granted the franchise in 1874, farmers' sons in 1877, and women in 1884. Farmers' daughters were permitted to vote for the first time at the municipal elections for 1932.

PREST — JONES

At the United Church parsonage, Marmora, with Rev. C. W. Hollingsworth officiating, the wedding took place at 9.30 p.m. on Saturday, of Olive, daughter of Cyrus Jones, of Kingston, and granddaughter of Robert Jones, of Marmora Township, and William, son of Mr. and Mrs. Thomas Prest, of Bonarlaw. The bride, who was unattended, was prettily gowned in blue crepe de chine, with accessories to match. The groom was attended by Hugh Jones, of Marmora Township. Mr. and Mrs. Prest will reside at Bonarlaw.

BONARLAW GIRLS WIN FIRST PLACE IN EXHIBITION

(Last Thursday's Peterboro Examiner)

When R. J. Goring of the Robert Fair Store presented an entirely new award this year in the Judging Competitions for the Young Farmers and Farmerettes, he did it, as he explained yesterday in the big tent at the Exhibition devoted to these contests, for the purpose of identifying himself intimately with the local Fall Fair, and also for the purpose of interesting the young women on the farm in a distinctly worth while cross section of their daily life.

Mr. Goring presented a silver cup the ownership of which falls to the team capturing it twice in annual competition, to the winners in a contest for setting the table for a supper on the farm in the month of September.

The large crowd that thronged to the tent yesterday while this contest was in progress, demonstrated the interest taken by men and women alike, in an interesting and well-contested item in the judging program of the week.

The winners of this, the first year with six teams taking part in an inter-county contest, were a team from Hastings County; Miss Nellie Webb, of Bonrlaw, and Miss Kathleen McComb, of Bonarlaw. They received the silver trophy, also a cash award of $15. The second prize of $10 in cash (all cash prizes were made by the Peterborough Exhibition), went to Northumberland County, a team composed of Miss Georgina Hamilton and Miss Marion Tompkins both of Brighton.

The third prize of $6 was won by Peterborough County, represented by Eleanor Garvey of Indian River and Miss Elsie Girven of Norwood.

Prince Edward County won the fourth prize of $5 represented by Miss Mary Ellen Black, of R.R. No. 7 Belleville and Miss Kathleen Giles, of Ameliasburg. The fifth prize was tied between Durham and Victoria Counties, the former represented by Miss Viola Gray, of Pontypool and Miss Isabel Sisson, of Bethany, and the latter by Miss Ann Davidson and Miss Isabel Perrin, both of Oakwood.

CREAM PRICE LIMIT LIFTED BY MINISTER

Toronto—Announcement was made on Monday by Hon. Thomas L. Kennedy, Minister of Agriculture, that, with a view to aiding the pocketbook of the Ontario farmer, the regulations applying under the Dairy Products Act have been so amended as to place no curb on the prices which creameries may pay in future for producers' cream.

In fact, the sky's the limit, as to what they may pay, as long as the acidity of the cream they buy tests less than two-tenths of one per cent. The altered regulations undoubtedly will create stiff competition between creameries and some of the smaller ones may suffer as a result, but the farmer is bound to benefit from any increased prices, and that benefitting, after all, is the main goal for which Colonel Kennedy's department is striving.

In the past the farmer has had little incentive, the department feels, to produce special grade cream, and maintain his buildings and equipment to the strict letter of the law, but the change in regulations offers extra inducement to which it is felt he will promptly respond. In the production of special grade cream, Ontario, in recent years, has lagged considerably behind other provinces. The amended regulations will go a considerable distance, it is thought, toward regaining for this Province her lost ground.

The old regulation said: "A premium of (1) one cent per pound butter fat shall be paid for special grade cream over first grade cream, and a premium of (3) three cents per pound butter fat shall be paid for first grade cream over second grade cream."

The regulations, now operative, are: "(a) A premium of nat less than one (1) cent per pound butter fat shall be paid for special grade cream over first grade cream. But when a premium of more than two (2) cents per pound butter fat is paid, the cream for which such premium is paid shall test two-tenths per cent. (.2%) acid, or less. (b) A premium of not less than three (3) cents per pound butter fat shall be paid for first grade cream over second or off-grade cream".

Explanation is made by George H. Barr, Provincial Director of Dairying, that the maximum acidity for special grade cream is "not more than thirty one-hundredths of one per cent. (.3%) at the time of being graded at the creamery where it is to be made into butter," and the fat content shall not be less than 28 per cent.

CHEESEMAKERS WILL CONVENE IN NAPANEE

At a meeting last week in Napanee J. West, of Strling, president of the Central Ontario Cheesemakers' Association and J. L. Irwin, district dairy grader of Belleville, who have charge of arrangements for the 5th annual Convention of the Central Ontario Cheesemakers' Association in Napanee on December 6th and 7th next, met representative men of that town. The hearty support and co-operation of Mayor Kimmerly of Napanee; Warden Charles Both, of Lennox and Addington and Reeve Hugh Fitzpatrick of Richmond was promised to make the gathering a success.

Discussion of, and preliminary arrangements regarding the accommodation of delegates were made. The sessions of the convention are to meet in the ample town hall and the annual banquet of the association will be held in the Armouries. It is anticipated between 300 and 400 cheesemakers and cheese factory patrons will be in attendance. Speakers of importance in the dairying industry and interests, have already signified their intention of accepting the association's invitation to be present. The convention, in preliminary stages, gives promise of being the best yet held by the cheesemakers.

MOUNT PLEASANT

Mr. and Mrs. George Foster and family, of Moira were guests of Mr. and Mrs. Conger McConnell on Sunday.

Mrs. Roy Thrasher picked raspberries from her patch on Saturday and her daughter, Edna, enjoyed a feed of luscious berries and cream for her breakfast on Sunday, it being the occasion of her birthday.

Mrs. Ernest White spent a few days this week with her sister, Mrs. George Heagle at Wellmans.

Several from here spent Thursday evening at Frankford and enjoyed music by George Wade and his Cornhuskers.

Mount Pleasant was well represented at Wellmans anniversary on Sunday. Rev. A. E. McCutcheon, B. A., B.D., of Tabernacle Church, Belleville, was in charge of the services. The church looked lovely, as the altar and windows were laden with potted plants and cut bouquets. In the morning the Misses Mina and Lucille Dracup sang a lovely duet.

Miss Doris Sine, of Salem, spent the week-end with her grandparents.

This year some of the pupils of the Rawdon schools were unable to receive prize money for their exhibits as the officials in charge decided to economize and did not sign the necessary papers early in the spring. Following is a list of the schools of Rawdon who took an active part in the Fair, along with their directors: S.S. No. 1, Harry McGowan; S.S. No. 4, Vera McAdam; S.S. No. 5, Ruth Frest; S.S. No. 6, Laura Snider; S.S. No. 7, George Sutherland; S.S. No. 8, Karl Sharp; S.S. No. 11, Nora McAvoy; S.S. No. 13, Lorne McInroy; S.S. No. 14, Donald McKeown; S.S. No. 16, Stanwood Herrington; S.S. No. 17, Dorothy Dunham; S.S. No. 20, Frank Boyle and Donald Nicholson. The pupils of S.S. No. 4, Williams School, carried off several of the prizes and we congratulate them on their success. We are sorry to report that only a few of the S.S. No. 3 competed as their school is not paying any prize money.

Mr. and Mrs. Thomas McKeown and Mr. and Mrs. Charles Sharp spent Sunday at Wellington and visited the latter's daughters, Winnie and Luella.

Mrs. Locke Honoured

On Saturday evening the members of Mount Pleasant Choir and a few friends gathered at the home of Mr. and Mrs. Allan Bailey to say goodbye to their daughter, Vita, (Mrs. L. C. Locke) and family, before their departure for their home in Yellow Grass, Sask. Since Mrs. Locke came home last November she has always been very willing to assist whenever possible and her sweet voice will be greatly missed from our choir and social gatherings. Mr. Clifford Holmes acted as chairman and a short program of speeches, community singing led by Mrs. Ross Hoard, a solo by Mrs. Egdar McKeown, a piano duet by Misses Frances McKeown and Edna Thrasher, and a quartette by the junior boys; also Miss Marguerite White read a selection. The program was greatly enjoyed by all. Mrs. Roy Thrasher read the following address and Mrs. Allen Reid presented Vita with a lovely necklace and earrings to match.

Dear Vita,—

We, the members of Mount Pleasant choir, have met here tonight to try and show you in some small measure how deeply we appreciate your kind help in our work during the past months. Not only have you unselfishly acted as directress of our choir, but from time to time you have also delighted us as well as the congregation with your rare vocal talent.

We ask you to accept this little gift with our love and as you go back to your little home in the west may you carry with you happy memories of your Mount Pleasant friends.

Signed on behalf of the Mount Pleasant Choir.

Mrs. Locke feelingly replied, thanking her friends for their kindness and at the close a delicious lunch of sandwiches, cake, pie, tarts, home-made candy, apples and coffee were served. Vita's many friends here wish her a safe return to her home in the West.

Mr. and Mrs. Osborne Smith and Joan, of Peterborough spent a week here with his mother, sister and grandfather. While in our midst they were guests at the home of Mr. and Mrs. James Hubble and Mr. and Mrs. Will Hubble, also Mr. and Mrs. John Bailey. Osbourne also spent a day at Ketchener and Toronto.

Miss Winnie Sharp is spending a few weeks in Wellington.

Mr. and Mrs. L. C. Locke and Betty are leaving this week to visit Mr. and Mrs. Garnet Bailey in Toronto, and from there they will journey to their home at Yellowgrass, Sask.

On Sunday, September 25th, the annual Sunday School Rally Service will be held at 10.30 a.m. The following Sunday will be quarterly service at Wellmans. Rev. Joblin is taking anniversary services at Castleton on Sunday next.

Mrs. Reid and daughters, Mrs. J. B. Patterson, Mrs. Wanda Sine and her little daughter, Nama; also Nurse Moore, of Corbyville were guests of Mr. and Mrs. A. H. Bailey on Saturday evening.

Mrs. Frank Smith, Mrs. L. C. Locke and Mrs. Vernon Curry spent Tuesday at Madoc visiting at the home of Mr .and Mrs. Dick Bounie. Mrs. Bounie was formerly Miss Grace Ranson of Yellowgrass, Sask.

Little Patricia Ryan, aged four daughter of Mr. and Mrs. Jack Ryan, had the misfortune to receive a very bad scald on Saturday evening. Cmpbellford—One man at least is proud of his garden and that is J. P. Archer, of Campbellford, who has grown this summer the largest cabbage in this part of the country. Tipping the scales at 19 pounds, 12 ounces, this table delicacy measures exactly 40 inches in circumferance; enough at least to do the family for one day in this vegetable.

PRESBYTERIAN PRESBYTERY MET IN TRENTON

The regular quarterly meeting of the Presbytery of Kingston, Presbyterian Church of Canada, was held in St. Andrew's Church, Trenton, on Tuesday, last week. The attendance was not as large as usual. Most of the ministers were present, but only a few of the elders. Rev. C. K. Nicoll presided. As this was the date for the election of a new moderator, Rev. A. E. Cameron, being the next in order, was elected, on motion of Rev. S. M. Scott, seconded by Dr. MacTavish. As the meeting on Tuesday was held in the church of which the retiring moderator is pastor, Mr. Cameron suggested that it would be a seemly thing for him to preside. This the presbytery agreed to, and so Mr. Nicoll presided for the remainder of the day. Mr. R. B. Nelles of Madoc, interim moderator of the sessions of West Huntingdon and Stirling reported that he had met with the sessions of these congregations, and that an amicable arrangement has been made as to the remuneration each congregation would contribute to the candidates who supplied the pulpit during the vacancy and also as to the amount of stipend each would pay as soon as a minister was settled among them.

Dr. Seymour as convenor of a commission appointed at the last meeting of the presbytery to visit Stirling and West Huntingdon, reported that as Mr. Nelles had already attended to most of the duties assigned to the commission the commission had not been summoned. He moved and the Presbytery agreed that the commission should be dismissed. Mr. Scott was however appointed convenor of a commission to attend to any remaining matters that required attention.

The treasurer, Mr. W. V. Fairbairn reported that though returns were coming in rather slowly yet the Presbytery funds were in a satisfactory condition, several small outstanding accounts were ordered to be paid.

Mr. Scott reported for the committee on S. S. and Y. P. Societies. He stressed the importance of properly observing Rally Day, and of giving attention to temperance education at the time set for it by the Church.

Rev. A. G. Cameron, Deseronto, reported for the mission committee. There are now five charges under the care of this committee. Sunbury is supplied by a student, Mr. W. J. Purcell, and the congregation desires that he be permitted to remain with it during the winter months. Amherst Island appears to have taken on new life and activities since Rev. Mr. Earls was settled there. There is nothing new to report from Deseronto. Foxboro is moving along satisfactorily under the pastorate of Rev. D. C. Hill. Ernstown church has been destroyed by fire, but the congregation there will receive $750 insurance money and Rev. L. M. Sharpe has opened a new cause in Odessa in a room rented from the Salvation Army.

The report of Rev. R. B. Nelles for the committee on Evangelism struck a new note. Reviewing the action taken by the Synod and the General Assembly he indicated how the congregations might make the most of the proposed movement and stressed the importance of making due preparation for it by earnest thought and prayer. He urged that the Week of Prayer—the first week of the new year—be planned for and carefully observed. On motion of Mr. Scott the Presbytery agreed to endorse the idea underlying the Week of Prayer.

Against Action

The following resolution moved by Rev. A. E. Cameron and seconded by Dr. MacTavish was adopted: "It is obvious that to increase the number of places in which intoxicants can be legally sold and consumed will be to increase the amount consumed, therefore this Presbytery learns with regret that it is announced that it is the intention of the government to legalize the drinking of wine and beer in hotel dining rooms. In the opinion of this Presbytery that would be a retrograde step, making it more difficult to enforce the L.C.A. and increasing the quantity of liquor consumed with all its attendant evils."

The next meeting will be held in St. Andrew's Church, Kingston, on the first Tuesday in December at 10.30, forenoon.

RELIEF

from HEADACHES

COLDS AND SORE THROAT

NEURITIS, NEURALGIA

Don't be a chronic sufferer from headaches, or any other pain. There is hardly an ache or pain Aspirin tablets can't relieve; they are a great comfort to women who suffer periodically. They are always to be relied on for breaking up colds.

It may be only a simple headache, or it may be neuralgia or neuritis; rheumatism. Aspirin is still the sensible thing to take. Just be certain it's Aspirin you're taking; it does not hurt the heart. (Made in Canada.)

Norwood tax rate for this year is 44.6 mills, the lowest rate since 1920.

Kaye Don, British automobile and speed boat racer, and Miss Eileen Martin, 21-year-old heiress of a wealthy textile manufacturer of London, England, were married in U. S. last week prior to his return home from competing for the Harmsworth cup at Detroit.

Port Hope, Ont. — First radium from the Eldorado Mining Company's pitch-blends will probably be produced about the end of this year. Work on the refinery of the company is proceeding fast and treatment of the ore will probably be started by the middle of October, they added.

Tweed News — Ronald Sayers, son of Reeve and Mrs. Sayers and a pupil of Tweed Consolidated School, fractured a small bone in his left wrist while the sports program was proceeding at the school fair on Monday. Young Mr. Sayers who is a promising athlete was hurt while attempting the high jump. He will be denied the use of his arm for a short time.

Tweed—On going to the cellar of her home, Mrs. Beach was surprised to find someone else had been there and removed a quantity of preserves, also empty sealers. Hearing a conversation between two small boys, Constable W. Moon quickly rounded up Albert Bradley and Francis Donahue, who admitted entering the cellar by removing the screen and taking the missing articles.

Tweed News — Samuel Good, of Thomasburg, is eighty-five years of age but has all the appearances of a man ten years his junior. Last week he packed his bag and set off for the Canadian National Exhibition and enjoyed a couple of days sight-seeing. He is in excellent health and has been sick but a few days in the last ten years. He attributes his longevity to hard work, lots of sleep and non-use of tobacco and intoxicants.

London, Ont. — C. Ross Sandy Somerville, London's strong, silent man of the fairway, rests on his laurels today and thinks about new golfing worlds to conquer—the British Amateur and the British and U. S. Open championships. Sandy, who on Saturday brought fame to his home city and fortune to the telegraph companies when he annexed the United States amateur golfing crown and the $22,000 solid gold cup that goes with it, did not deny that other championships loom sweet to him.

London, Eng. — An Exchange Telegraph despatch from Calcutta said revolutionary pamphlets distributed there demanded the wholesale massacre of Europeans. The pamphlets urged all Indians to join in a campaign to carry on the work which the National Indian Congress failed to do owing to its non-violent policy. Those to be slain would include Europeans, officials, the wives and children, members of the European royalist associations and Indians who assist the Government, the pamphlet said.

Canadian farmers will have to watch their pigs if they want to obtain full advantage of the preference accorded Canadian bacon and other products in the British market by the agreement signed at the Imperial Economic Conference. This is the opinion of Sir Douglas Newton, M.P. for Cambridge, agricultural adviser to the British delegation at the Conference. He is spending a few days in Winnipeg on his way back to London after a tour of the west. To gain and hold the large British market, Sir Douglas said, Canadian pork must be of good, uniform quality and supplies must be continuous.

Kingston—Frederick McIlquhm was last Thursday freed of guilt in the murder of his brother William ,who was shot to death in an altercation in their home here. A Supreme Court Assizes jury brought in a verdict of not guilty after three hours' deliberation, upholding the plea that Frederick shot in self-defence in a fight that resulted from William playing a radio late at night. The verdict culminated a two-day trial before Mr. Justice G. H. Sedgewick, who dismissed the prisoner a few minutes after the foreman of the jury had anonunced the finding. Thursday's proceedings were taken up with McIlquham's testimony on his own behalf, the addresses of opposing counsel, and the Judge's charge to the jury.

RIVER VALLEY W. I.

The picturesque banks of the Trent River, adjoining the Rosebush residence, was an ideal setting for the outdoor meeting of the River Valley Women's Institute, where Mrs. H. Hulin entertained the members and friends, numbering about fifty, for their regular September meeting. The meeting opened in the usual manner by the singing of the "Institute Ode" followed by the Lord's Prayer. The roll call of "Health Hints" was responded to, many helpful suggestions on health lines for present and future needs were given. These were prepared by Mrs. M. Vandervoort. It was moved and seconded that an invitation be sent to the Uniondale branch for a joint meeting in the near future. A memorable interval took place between the business portion and the program when all took advantage of the opportunity of viewing the Eclipse with the aid of smoked glasses, as it cast its shades over the Trent waters. Mrs. Mary Vandervoort then took charge of the interesting program, which she, together with Mrs. Frank Carr had prepared. Opening chorus—"The Maple Leaf". A reading on "Hard Times" was next well delivered by Mrs. Carr, followed by a chorus "The Flu" from the W. I. Health Book. "Current Events", including personals and jokes were read by Mrs. M. Vandervoort. Splendid Health Posters of original character, which were very creditably drawn were exhibited by some of the school children, viz: Bertha Carr, Dorothy Utman, Helen McDonnell, Glen Morrow, Adeline Bush and Evelyn Bush. Suitable prizes were given to each and they are all to be commended on their excellent work. A humorous reading on depression "Looking on the Bright Side" was given by Mrs. P. Utman. This was followed by an interesting debate "Resolved that books are more company than young men", by Misses Pansy Lansing, Alta Hanna, Mary Hulin and Marian Bedford. An exciting few minutes took place and the young ladies are to be congratulated in their splendid efforts to prove that each is as entertaining in their own particular sphere. Miss Gladys Rosebush concluded with a contest, "Parts of the Body". After the singing of the National Anthem the hostess served iced tea, sandwiches and fruit. A hearty vote of thanks was tendered her and to all those who had helped to make the afternoon so enjoyable. The next meeting will be held on Oct. 7th, at the home of Mrs. P. Utman. A good program on "Agriculture and Education" is anticipated. Convenors, Mrs. Earl Morrow and Mrs. J. Sager.

HASTINGS COUNTY STATISTICS FOR 1931

Farmers of Hastings County in 1931 had invested in land, buildings, implements and livestock, the sum of $39,677,450, according to the annual report of the Statistics Branch of the Ontario Department of Agriculture for 1931, received by the News-Argus. This very large investment is divided as follows:

Land	$19,787,528
Buildings	11,266,302
Implements	4,459,120
Livestock	4,165,500
Total Value	$39,677,450

Chattel Mortgages

There was quite an increase in the number and value of chattel mortgages given by farmers in 1931 over the two previous years, of which mention was made in last week's issue. The number of mortgages in 1931 was 419 for an amount of $681,688. For 1929 and 1930 the figures are:

	No.	Amount
1929	301	$428,960
1930	336	545,515

Value Live Stock Poultry

Hastings County has always been noted for its leadership in cattle and swine breeding. The investment in livestock and poultry, $4,164,500, is a very large one. It may be less now on account of unfavorable conditions in the markets, and the decline in the market value of farm products. The division is as follows:

Value Live Stock, Poultry		
Horses	14,236	$1,262,886
Cattle	75,690	2,191,161
Sheep, lambs	31,419	175,455
Swine	37,580	324,780
Poultry	514,991	210,218

The total value of all field crops in 1931 was $3,264,644, or $13.97 per acre.

There were 989,364 acres of assessed land, and a total of 421,610 acres cleared. The per centage cleared was 38.78.

Average Prices

The average prices of agricultural products per bushel in the county were as follows:

Fall Wheat	57.
Spring Wheat	52.5
Oats	27.1
Barley	40.
Peas	64.5
Beans	58.8
Rye	40.
Buckwheat	44.9
Corn in ear	27.4
Hay	9.53
Potatoes	26.7

The above table will make an interesting comparison for prices of 1932.

CHEESE PRICE HIGHER

At the Belleville Cheese Board on Saturday morning the highest price yet paid for cheese this season was established when under spirited bidding, the price rose to 11 1-16c, an advance of 1-2 cent over the highest bid of a week ago. In all 1533 white cheese were boarded and all sold.

THE SCHOOL OF THE FUTURE

In the schools of tomorrow, we shall not try to cram knowledge into the brains of unwilling pupils. We will realize that education is guided growth. There will be less restraint, less unnaturalness less unreasonableness in our schoolrooms, and more freedom of the child to grow and develop himself.

Children will begin their school life younger and stay by it until older, and spend longer days and more months of each year in school; but they will love it. There will be more mechanical aids and extra curricular activities. There will be more laboratories; gynasiums and playfields; dramatic, music and art studios; radio, films, television, gardens, shops and clubs of a wide variety.

With freedom to use these rich opportunities, in the happy association with his fellows, the child will set for himself harder tasks than any teacher would set for him. He will find his school activities so fascinating that his achievement will be far beyond our expectations. His interest and the community spirit of the new school will take care of his behaviour problems, and he will build character unconsciously, by the lessons and habits he sets for himself.

WASTED MONEY

(Financial Post)

The height of absurdity in public expenditures in Canada is reached in the Trent Valley Canal and Trent River navigation improvements. Here $20,000,000 of the taxpayers' capital has been invested. Last year $200,000 was spent on improvements and the canal gets about enough from water power rentals and minor revenue to pay the wages of the men who run the locks. No tolls are charged.

The canal connects up a series of rivers and lakes and including these is about 300 miles long. It has 44 locks and the extreme hight of the waterway is 595 feet above Lake Ontario.

No large boat ever used it. Last year there were 11,000 lockages, mostly pleasure cruisers, launches, etc., and the cargo tonnage was 24,000 tons.

Now for a little history. Part of the canal was constructed before Confederation. The Dominion Government took it over in 1879. In 1904 the Minister of Railways said it would cost $6,960,000 when completed; Sir Wilfred Laurier in the election that year promised its early completion; various speakers urged that it was necessary as a new outlet for Western produce; in 1906 a railway commission urged completion of the canal; in 1907 the chief engineer said the canal would facilitate the great export trade from the Canadian West to Europe; in 1908 the party in power again used Trent Valley Canal appropriations to win votes; in 1913 a huge banquet in Orillia gave many people a chance to root for the canal. "It would be one of the finest tourist routes in the world—better than the Rhine or the Hudson"; it would promote tremendous industrious development; would so cheapen the cost of bran and shorts that beef-raising would come to the front; would bring a million people to the tributary territory.

The canal is a fine thing for motor boat owners; it provides good diving for small boys in the towns en route and $20,000,000 spent on it helped to win several elections.

When the Imperial Government launched the canal in 1837, Upper Canada was mostly backwoods and the canal had a certain prospective development and military value. As years rolled by, the possible value dwindled but it would never do for a government to stop anything it started.

Today governments do the same thing. Example: the Hudson's Bay Railroad and the Port Churchill docks and elevators.

FULLER

The weather is ideal for late summer and autumn with so much waiting for people—anniversaries, fowl suppers, threshings, silo fillings, etc.

Mrs. Robert Reid, of Oshawa who is very ill, is at her sister's, Mrs. Vane Mitts for a few weeks. We hope for a speedy recovery.

The funeral of the late Daniel Collins was well attended on Monday. Although Mr. Collins had been ill for a few weeks, his death came as a shock to the community. He had lived here nearly all his life. His wife (nee Georgia Fuller) predeceased him just three years ago. The deceased was of a bright cheery disposition and made friends readily. He leaves to mourn his loss two daughters and one son who have the sympathy of the community. Pall bearers were Messrs Levi Rutter, John Geen, David Hollinger, John Douglas, Sam Douglas and Harry Redcliffe.

The anniversary services in the United Church were quite well attended. Rev. C. Armstrong Sales preached two very inspiring and impressive sermons. The Palmer quartette helped with both services and were much enjoyed by all.

We are sorry to hear of Mrs. A. Andrews' illness lasting so long. We certainly hope she is quite herself again and enjoying a goodly portion of health. Mrs. Andrews is one who never murmurs, although perhaps the pain may be almost unbearable.

Mr. William Ray left on Friday to spend a few days in Toronto.

The School Fair on Thursday at Ivanhoe was well represented from this locality.

We are very sorry to learn of the loss by fire of barn an dseason's crop of Mr. Theodore Kleinsteuber of Potter Settlement. Mrs. Rutter of this neighborhood is a sister.

Farmers and wives were all smiles as they went to milk the cows on Saturday evening. Why? Because cheese soared to 11 1-16 cents on the cheese board.

WELLMANS

Mrs. Roland Reid is returning to her home in Belleville this week after spending a few weeks with her sister, Mrs. Butler Rupert.

Mr. and Mrs. James Sharpe, Mr. and Mrs. Roy Thrasher and Edna, of Mount Pleasant, Mr. and Mrs. Thomas Hay and son, Regie, of Seymour, were guests of Mrs. Edith Sharpe on Sunday.

Mr. and Mrs. Charles Hoard, Bob and Betty, of Hoards, Mr. and Mrs. Grenville Meikejohn, of Rylestone, took dinner at the home of Mr. and Mrs. Carl Clancy on Sunday.

On Wednesday evening a large number of friends and neighbors of Mr. and Mrs. Maxwell Embury gathered in our midst. The gathering was called to order by Mr. George Watson and an address was read by Miss Jessie Johnston after which a dainty lunch was served by the ladies. Music was then enjoyed and many tripped the light fantastic toe until the wee sma' hours.

Mrs. Martin Wiseman of Bath is spending a week with Mrs. Butler Rupert.

Mrs. John Reid of Mount Pleasant attended the anniversaries here on Sunday and spent the day with Mr. and Mrs. James Sharpe.

Mr. and Mrs. Irvin Hutcheon and daughter Reta, of Campbellford, Miss Maggie Hutcheon, of Burnbrae, Mr. and Mrs. John Farrell and family of Sine were Sunday guests of Mr. and Mrs. Lewis Pauley.

Mr. and Mrs. Merle Spencer and family, of Mount Pleasant, Mr. and Mrs. H. J. Lloyd, of Zion's Hill, visited at the home of Mr. and Mrs. George Watson on Sunday.

Rev. A. E. McCutcheon, of Tabernacle Church, Belleville, conducted the anniversary services here on Sunday and delivered two very inspiring addresses. The choir rendered special music. The church was filled to capacity both morning and evening.

Mr. and Mrs. S. Gummer, of Bethel, were dinner guests of Mr. and Mrs. B. Rupert on Sunday.

STIRLING FAIR SUCCESS

(Continued from Page One)

Slow Race

The slow race was interesting, although there were only two entries, J. C. Gay and Thos. Hanna. The entrants had to change horses and drive once around the track, no whips allowed, and the last horse in winning. Mr. Gay drove Mr. Hanna's horse home first and by doing this the former's horse won the $5.00 prize.

Horseshoe Pitching

There were eight entered in the Horseshoe Pitching Contest, an innovation this year. Keen events were staged and the three prizes were captured by Stirling "Flingers". "Tip" Bley and Walter Jeffrey defeated Arthur Hulin and Herb Lummis; Fred Hulin and Harry Ingram defeated Bronson Bros. of Springbrook. In the finals Bley and Jeffrey defeated Conley and Hulin, the former pair winning first prize of $3, the latter $2; Al Hulin and H. Lummis won third prize of $1.

Softball Tournament

Springbrook team won first prize of $8.00 in the softball tournament, defeating Glen Ross in the finals by a score of 20 to 5. In the first game Springbrook defeated Centenary 7 to 5. Unfortunately the line-ups for each team are not available.

Exhibit Hall

As one entered the exhibit hall a pleasant array greeted the eye. On the left was the display of the Championship School entries, on the right the Stirling Public School exhibit of manual training and domestic science which was shown for the first time, and much credit is due Principal Snowdon and Miss L. Johnston, the teachers, and pupils. The following are the members of the household science class: Neita Cranston, Ilene Chambers, Dorothy Utman, Mabel Dunkley, Marion Tucker, Mabel Lake, Reta Sheridan, Ruby Wannamaker, Marie Luery, Jean Munro, Marie Fitzpatrick, Olive Munro, Thelma Lalonde, Helen Ward, Pearl Stapley, Audrey Eggleton.

In the centre was the usual beautiful display of the Horticultural Society. There was an interesting display of of honey by A. R. Hollands, of Eldorado. Further in there were exhibits of grain by the Junior Farmers' Club, and the roots, vegetables, garden vegetables, domestic science, Ladies' work, art, etc., eclipsed last year, even though some of the sections of the prize lists had been eliminated. There were pumpkins as large as a tub, and the first prize winner was grown by Arthur Pyear, Glen Ross and which was kindly donated to the Editor. Mangels and turnips and sugar beets were beyond expectation as to size. There was a decrease in the apple display, but all in all, the exhibit bulding housed one of the finest general exhibits that will be seen at any fall fairt his year.

Livestock and Poultry Outstanding

The livestock entries eclipsed all previous years and it was difficult to accommodate all the entries. There were over 120 cattle exhibited, including Ayrshire, Jersey, Holstein, grade and beef breeds, with a good display of horses of all types; long and short wool sheep nd Yorkshire and Tamworth hogs. The poultry entries were beyond expectations, with over 300 chickens, 6 pairs of turkeys, 16 geese and 18 ducks. The fowl display has become one of the most important sections at the fair.

During the afternoon most enjoyable music was rendered by a sixteen piece orchestra under the leadership of Tom Furnival. The following are the members: 1st violins—leader, Miss A. Calow, A. Detlor, Miss E. Davidson; 2nd violins—R. Mathesin, Mrs. F. Hulin, Miss M. Hulin; 1st clarinet—S. A. Murphy; banjos—leader, Mr. M. Bell, K. Stapley H. West, D. Scott, R. Pitman; trumpets—A. Jones, G. Duffin, T. Furnival; bass—Mr. Bell; drums—F. Joblin; piano—Miss G. Pitman.

The picture "Million Dollar Legs" was shown in Stirling Theatre both nights with a good attendance last night.

List of prize winners next week.

Championship School Fair

As usual the entries at this exhibition were of the highest calibre, and after inspecting the display, it is rather difficult to believe that such high class work was accomplished by public school pupils. The teacher of the rural schools taking part merit great praise for their efforts in training the scholars.

Mr. Clarence Bailey's School, S. S. No. 14, Rawdon, won the first prize in the school parade, and also the shield donated by the News-Argus for same. The following are the winners of the parade in order: S.S. 14, Rawdon; S.S. 2, Sidney; S.S. 24, Tyendinaga; S.S. 19, Sidney; S.S. 11, Rawdon; S.S. 8, Rawdon. Strathcona Exercises—S. S. 19, Sidney; S. S. 4, Sidney; S. S. 2, Sidney, Avondale; S.S. 24, Tyendinaga; S.S. 14, Rawdon; S.S. 8, Rawdon. A complete list of prize winners will appear in next week's issue.

The cheese entry was lover than last year, with twenty-three on display.

St. Andrews-By-The-Sea

Sea bathing in the warm waters of Katy's Cove, St. Andrews-by-the-Sea, New Brunswick, and sun bathing on the shining sands, are two of the most healthful and entertaining occupations of those who visit this popular and smart resort, which centres on the Algonquin Hotel of the Canadian Pacific Railway.

The illustration shows a group of socially prominent people from Canadian and United States cities sun bathing after a most refreshing plunge, and includes :—Mr. and the Hon. Mrs. R. M. Redmond; the Hon. Peggy, Hazel and Anne Shaughnessy; Judge and Mrs Bond; Miss Margot Redmond; Mrs. S. Watson; Mrs. R. D. Bell; Mrs. George Balfour; Mr Donald Markey; Col. Allan Magee; Gordon Shirres; Gordon Reed; Miss Dora Magee; Mrs. Nora Wainwright; Mr. R. C. Stevens; Miss Cantlie, of Montreal; Miss H. D'Arcy, St. Louis; Miss V. Schoonmaker, New York; and D. A. Anderson, Ottawa.

Inset is little Miss Lucinda Marguerite Vaughan of Montreal, who is showing the world what the well-dressed infant wears when about to paddle in the warm water, or build a great big castle on the sands.

MORE RIPE RASPBERRIES

Last Thursday, Ross Bailey, son of Ex-Warden and Mrs. G. A. Bailey, Harold, picked a branch from a wild raspberry bush on his father's farm that was well laden with fruit. The berries were presented to the Editor and proved to have the same delicious taste as in the proper season.

Mr. Ed. Pyear presented the Editor with a branch of "tame" raspberries yesterday afternoon, picked from the garden of his father-in-law, Mr. Geo. Potter, in Frankford. They were large, well-ripened and a luscious flavour.

The Raynor Road Construction Co. have completed their road building through Holloway from Foxboro and have gone to Ivanhoe where another two miles of permanent highway will be built on the Madoc road.

JUDGED DECORATED CARS

Councillor J. E. O'Donnell, secretary of Stirling Agricultural Society attended Marmora Fair last Friday and was one of the judges selected to pick the best decorated cars in the parade held in connection with the Fair.

Poultry Wins Special Prizes

Councillor Wm. Fitchett Fitchett has gained considerable fame in poultry raising. At Stirling Fair last week he won six special prizes with his White Rocks and one of the specials was for the best cockerel on exhibition, regardless of class.

TRAIN TIME CHANGED

A change has been made in the C. N. R. time table effecting Stirling, which went into effect on Monday. The morning train, going west is now due at 6.31 a.m. in place of 6.10, and the evening train, going east, will arrive at 10.08, or 27 minutes before the former scheduled time. See time table on page eight.

LAST HALF-HOLIDAY

Yesterday was the last local Wednesday half-holiday for this year. Commencing next week the stores and places of business will remain open all day Wednesday, with the exception of the Banks which close on Wednesday afternoon the year round. The open nights, Tuesday, Thursday and Saturday will be observed until November 1st.

ATTEND R.A.M. SERVICE

Rt. Ex. Comp. T. W. Solmes and Ex. Comp. A. E. Dobbie represented Keystone Chapter at the Quinte Chapter Church service held in St. Thomas Anglican Church, Belleville, Sunday morning. The rector, Rev. A. Beauchamp Payne, preached an inspiring sermon on Royal Arch Masonry. Dr. C. W. Haentchell, Grand First Principal, was present. A banquet was given in honour of the Grand Z. on Monday night at which Rt. Ex. Comp. Solmes was given the honour of proposing the toast to Grand Chapter.

HELP THE EDITOR

The Editor cannot inquire at your home to see if there is any news. If you know of any hand it in. We want all the news there is, but no man can get all. We are just as anxious to mention your company or visitors as we are those of your neighbours, but probably your neighbors give us more assistance in securing the facts. We are always pleased to receive local news. If any of our readers know of an accident, a personal item, a birth, a marriage, a death or anything that may be of general interest, if they would send it to us either personally or by mail, we would always be pleased to publish it. Write it in your own way; all we want is the particulars and facts, and, if necessary we can easily put in readable shape ourselves.

CAIN VS. O'NEILL

Judge Madden, of Napanee delivered judgment on Saturday in an action brought by Mary Ann Cain against Joseph O'Neill, one of the Executors of the last Will of her husband, for the payment of arrears of an annuity left her under her husband's will. The Executor took the position that Mrs. Cain was not entitled to any payments under the Will until the proceeds of a Benefit Certificate taken out by her late husband in the Catholic Order of Foresters, wherein the Plaintiff was named as beneficiary, had been exhausted by being applied on the annuity bequeathed her by the Will. The Judge held to the contrary, and found that any attempt by the deceased to change the payment of the proceeds of the insurance on this benevolent society by his Will was ineffective by reason of the fact that the beneficiary certificate was a contract between the society and the deceased and could not be altered by the Will and in this respect differed from an ordinary policy of insurance. Judgment was given for $1050.00 the annuity in arrears, with interest and costs. Charles A. Payne, K.C., C. R. Bastedo for the Plaintiff; E. J. Butler, K.C., for the Defendant.

Ireland of the Welcomes

Dear Mr. Editor,—

In obiesance to your kind invitation to write a few memoirs of a transatlantic trip which may prove interestng to your readers, I shall endeavour to do so, but I must confess I scarcely know where to begin. However, I shall just write as the events come to my pen and shall not try to observe chronological sequence.

Ireland of the Welcomes! Ah, yes, she calls wtih all the vigour of her centuries of culture and feeling, bidding you and me to come and thread her green valleys, visit her cities, towns and villages, see her antiquities and, coming to the doors of her cabin, enter and feel the warmth of what an Irilsh welcome means. Every letter in that word calls heartily a hundred thousand welcomes. Sir Walter Scott, after an extensive visit to Ireland, wrote "There is a perpetual kindness in the Irish cabin," and again "In Ireland I have met with everything that is kind and have seen much which is never to be forgotten."

So to Ireland we shall go and to get there one must say adieu or rather au revoir to this fair land and taking ship at Montreal, travel for seven days in the luxury of an Atlantic liner, in this particular instance, the Duchess of York. Out over the expansive ocean we plow the blue waters, having had a delightful sail down the majestic St. Lawrence. On—on—we go to meet the rising sun.

Life on an ocean liner is a life apart by itself. You are a stranger among strangers, but soon you get acquainted and then views on various subjects are exchanged and you begin to knock off the edges of your narrow existence and see the world and life in a new light. When you grow weary of conversation you can betake yourself to the serenity of the library or lounge and read to your heart's content. This when this suggests a change, lo! there goes the gong and you are invited to dine. There is no limit to the amount or variety, except when Nature says enough. After breakfast, lunch or dinner, as the case may be, a stroll a chat and a smoke on the promenade deck bring that care-free feeling that is the elexir of life, the quintessence of contentment. The relaxation and novelty of an ocean voyage is a holiday in itself.

At the end of the sixth day, to be accurate at about ten o'clock the first light off the Northern Irish coast is sighted as its intermittent beam flashes a signal to all navigation. We pass by night along this coast for we must first call at Glasgow. Morning comes. It is an old country Spring morning and we are sailing up the Clyde, feasting our eyes on the scenic grandeur of that famed river. How attractive land looks after the wastes of ocean. How eagerly the shore line is scanned — here a village sparkling in all its simple beauty—the white roads winding up the receding hills on the top of which stately trees enfold the pancarma that lies beneath. Here and there in the bays small sailing yachts frolic in the morning freshness. We come to Greenock and the anchor is dropped and the tender comes alongside to embark passengers and mail. This operation ended we sail again. For those of us who are Ireland bound our hearts throb more rapidly for it will only be a matter of hours until we are gazing on the hills of heart's desire. Ah! there it is and from pent-up feelings there bursts the greeting "Oh, Ireland, isn't it grand you look. I bid you the top of the morning". Here we are —'tis Erin — green and fair land. Ireland North and South, 'tis Ireland still and Ireland it shall remain, a land whose charms are unique, whose people the world is forced to admire. The usual formalities associated with landing are courteously gone through at Belfast, our destination, and then we say good-bye to our fellow-passengers, wishing one another a pleasant holiday. Now we go our various ways — mine to the town of Drogheda, on the banks of the Boyne 75 miles south from Belfast. A motor trip brings one through many pleasant towns and villages. The roads are excellent and all along the way the hedges of hawthorn in bloom stretch their perfumed way. What an abundance of flowers, even in front of the lowly cottage—everything so neat and clean bespeaking the simple, happy life of the people whose concern is not for the luxuries of the world, but for those things that truly give contentment and the genuine joy of life.

A purring engine slowly retards its pace through the traffic of a Saturday afternoon in the town of Drogheda and a turn of the ignition key says stop, for here is home sweet home—a home that it took three thousand miles to reach. Welcome indeed to the old home town of happy and sacred memories. No need to dwell here fore every human being knows full well what are the feelings that come when after a long journey and after the lapse of years you are back again and friends and acquaintances come and clasp your hand in greeting. Dropheda is a town of twelve thousand inhabitants, thirty miles north of Dublin, whose history is very old. It is today a thriving business town and one of the largest in Ireland. Three miles west of the town in the verdant valley of the Boyne lies the famous battleground.

Dublin, the capital of the country with over half a million population, has a charm that is Dublin's. It is a city where the stranger feels at home and where one longs to linger. This year Dublin was an international city, by reason of the holding there of the great Eucharistic Congress, which is a great religious festival lasting a week and held in different countries every two or three years. The great finale of the entire celebration ended with the open-air mass in Phoenix Park, followed by the procession five miles long. During part of this procession people marched thirty-two deep. No traffic officers were necessary, so perfect were the arrangements. It requires some elasticity of imagination to conjure up the tremendous spectacle of over a million people worshipping together in that great open-air cathedral with all the simplicity and devotion of their Faith.

WHY NOT PAINT GUNS?

The guns, souvenirs of the late World War, placed at the base of the cenotaph, are in their proper place, but would make a better appearance if they were given a coat of paint. We know what they represent, but in their present state they are an eyesore, in place of a decoration. Perhaps some local "philanthropist" would donate sufficient paint to cover them.

PROTECTING PAPERS FROM FRAUD

Court decisions respecting newspaper subscriptions are very clear. Any person who takes a paper regularly from the post office, whether in his name or another's or whether he has subscribed or not, is responsible for payment. If a person orders his paper discontinued he must pay all arrears or the publisher may continue to send it until payment is made, and then collect the whole amount, whether the paper is taken or not. The courts have decided that refusing to take newspapers or periodicals from the post office or removing and leaving them unpaid is prima facie evidence of intention of fraud.

DO NOT BURN LEAVES ON AMEISITE

With leaf-raking time approaching the News-Argus warns readers residing along the ameisite pavement not to burn the leaves on same. In the majority of cases the dead leaves are raked into small piles on the side of the road and set on fire. As long as the road on which the leaves are being burned is a gravel one, no harm will be done by the fire, but when the road is of the ameisite type, like Front and Mill Streets, it is injurious. Burning leaves on ameisite roadways detroys the protective coating and leaves small voids in the surface. These fill with ice and snow in the winter and help create large rough spots. In time the deterioration becomes quite marked. The best thing to do with dead leaves declare market gardners and professional lawn keepers, is to leave them on the lawns. They form a valuable fertilizer for straggly grass which has been starved.

FALL FAIR WINNERS

A complete list of the prize winners at Stirling Fall Fair, held last week, appears on pages six and seven in this issue. The list also includes the winners in Championship School Fair and the Horticultural exhibits.

WINS B. A.

It has been officially announced that Miss Dorothy Clare Morton has been awarded her Bachelor of Arts degree at Queens University and is attending the College of Education in Toronto. We extend to Dorothy our heartiest congratulations on her success.

CLUSTER OF SPUDS

An oddity in sweet potatoes was taken from the garden of Mr. John Osborne, Campbellford road, last week. There was a cluster of seven potatoes joined together, all clean and perfectly formed, which is most unusual in this vegetable kingdom. It may be termed "a sweet bunch of spuds."

ST. PAUL'S Y.P.S.

St. Paul's Young People's Society met on Monday evening with a splendid attendance. The President was in charge of the Devotional period. Mrs. A. Shaw, assistant to the Kahki Vice-President, presided over the program. Morgan Rowland gave a very thoughtful and interesting talk on "Can War be Abolished". The speaker traced the origin of war from the clashes of clans to the present international warfare, showing that no two nations can be at war without effecting other countries.. Wars were caused mostly by hate and suspicion. The younger generation were urged to form peace ideals and if same was done then future wars were impossible. Mrs. F. Hulin sang a solo "Home, Sweet Home". Mr. Clarence West very ably recited "Farmer Brown." Marion Jones, who had charge of the Current Events Dept., told about Great Britain's new powerful searchlight; also about the Women doctors in China. Ruby Wannamaker put on a very interesting contest and the Mizpah benediction closed this profitable meeting.

ST. ANDREW'S GUILD

The opening meeting of St. Andrew's Guild was held on Monday evening, under direction of Mrs. H. Rollins. It was an enthusiastic gathering and a great year is looked for by the organization. Previous to the actual opening a short song service of well-known hymns was held. Miss Smith read the Scripture after which two of the young boys, Jack Tulloch and Tommy Foster, sang a duet. These boys sing well together and great things are expected of them in the future. William Dermity gave a short reading on "Rally" and Mrs. Rollins continued along the same line with a few remarks on organizing. At this point Art Duncan sang a solo "In the Garden of Your Heart." Miss Trenelda Eggleton gave a reading which was very amusing. Miss Eggleton made a very careful study of her reading and brought out all points of value very efficiently. Mr. Dermity then sang, and as usual pleased the audience very much. The topic "How we can make our Society more successful," was taken by Miss Gena Spry. In it she brought out the necessity of whole-hearted co-operation in all undertakings, the necessity of a willingness on the part of each individual member, not only to do that required, but more—a willingness to go a second mile as by required by Christ of all Christians. In closing the speaker made it clear that the responsibilities of the officers in charge were no greater than those of the membership at large. Being just a member means work and more work. It was a well prepared talk and its results will no doubt be seen as the year goes by. It was decided the next meeting would be devoted to a social evening, with a program and a lunch at the close.

Senator Arthur Meighen, Hon. R. J. Cooke, chairman of the Ontario Hydro-Electric Commission and Major W. W. Pope and F. A. Gaby members, officiated at the openinig of the new offices of the Belleville Hydro Commission on Tuesday.

Advised to Leave India

Mrs. M. W. Sine received the shocking news last Friday that her sister, Mrs. (Rev.) J. S. MacKay, a missionary in India, has been advised to leave that country in an effort to save her eyesight. At present her right eye is blind and the doctors state that she must leave India's hot and sunny climate if the left eye is to be saved. Further particulars are expected. Mrs. MacKay is well known in this district and has addressed meetings in the local Presbyterian church when visiting Mrs. Sine, on furlough. She has been doing missionary work in India for the past 44 years, having taken her first field there when she was 22 years old. Her many friends in this district will hope and trust that complete eyesight will be restored to her.

WIN FIRST PRIZE AT MADOC

A local rink composed of Mrs. Walter Wright, W. J. Whitty, Mrs. W. J. Whitty and Walter Wright, skip, won first prize at a mixed bowling tournament held at Madoc yesterday. The prize was pyrex pie plates and silver servers for the ladies, and sweaters for the men.

Dr. E. A. Carleton and Mr. J. S. Morton took part in a Scotch Doubles bowling tournament held in Deseronto yesterday. They won one game and lost two.

CURRENT COMMENT

With winter approaching now is the time to examine and clean the chimney on your building and help to eliminate fire hazards.

These cool nights have just been a warning that fall is really here, and that the coal shovelling season is close at hand.

We notice where Mahatmi Gandhi has broken his fast. Too bad. However his "threat" has given him world-wide publicity, which apparently was what he desired.

Jack Frost has made his appearance in this district. Flowers and vegetable tops have suffered and the leaves on the trees will soon be turning to their many fall shades.

Oshawa Times — The scheme to promote prosperity by agricultural production will not make much of an appeal to farmers who cannot find markets for their present day production.

An Exchange says: Quite a fuss is being made because Soviet Russia has secured the Japanese market for oil. Still that is not quite so bad as handing Russia part of the Canadian market for the same commodity.

Goderich Star—Police magistrates in convention passed a resolution condemning the fee system for magistrates. What is bad for magistrates, of course, is also bad for constables and a host of otheer officials too numerous to mention.

Parliament has been called to meet on October 6, for the purpose of ratifying the trade agreements with the United Kingdom and the other Dominions negotiated at the Ottawa Conference. The country will await with deep interest particulars of the proposed tariff changes.

The census returns account for 163 centenarians in Ontario. We have no details of the ages, but probably several of them are well beyond the century. There are 74 men and 89 women in the list, indicating that women are the most tenacious. The return shows that about one person in 18,000 has a chance to become a centenarian in the provnce.

The census returns show that, of the 723,664 farms in Canada, 586,229 are owned by their occupiers, and 67,942 partially owned. There are only 74,382 tenant farms, but even this number, scarcely more than a tenth of the total, represents an increase of 32 per cent in ten years. It is a healthy condition when the great bulk of the farms are owned by those working them.

During the last school term there were 2,152,262 young Canadians between the ages of 5 and 24 years in the seats of learning. The Dominion Bureau of Statistics learned from its Census of last June that 20.77 per cent of the population was in school. Add to this figure the teachers, school janitors and all those on salary or wages connected with school administration, and the total would probably equal one-quarter of our whole population.

Grownups, including parents, should realize that the rights of the child include warmth, shelter, food, clothing, protection and the "pursuit of happiness". Whoso brings a child into the world—with no choice on his part—should see that he gets these rights. If the parent cannot, it is the duty and the practical advantage of the state to see that every child is provided with these fundamental necessities. The welfare of the nation depends upon the character of its citizens; and no child will make a normal adult who has grown up deprived of his rights.

The ancient riddle of who pays for advertising can be argued forever, but it boils down to this: Everybody pays for bad advertising, but good advertising pays everybody. Advertising is one of the essentials which have created in our nation more opportunities to the square mile than in any other area on earth. It can lower our costs of living and raise our standards of living. However, at this particular time, as the business pendulum is starting an upward swing, it is to the advantage of consumers that advertising should be enlisted among the other great economic forces of the hour.

On the first of the month there came into operation in Canada an Unfair Competition Act designed to keep business on more ethical lines. Under this law it becomes a crime to discredit the goods of a competitor, and all practices "contrary to honest industrial and commercial usage" are forbidden. Strict rules are established for registration and use of brands and trademarks. It also becomes a crime for an advertiser to refer to competing merchandise in such a way as to create confusion. Apart from these and other discouragements of practices in the twilight zone of business morals, the commercializing of sentiment is autlawed by prohibiting the use of the royal arms, crest and flags of the Dominion or its Provinces, or emblems of fraternal societies. Personal names as trademarks are circumscribed by a provison that the business must be conducted for the benefit of the individuals named.

Discount on Canadian Dollar

A great many people cannot understand why Canadian money should be discounted in the United States, in view of the financial conditions in the two countries. From that standpoint, there is good reason to wonder why the Canadian dollar should be worth only ninety cents or less on the other side of the border.

The Orillia News-Letter, in discussing this subject, makes some pointed observations. It points out that so far no Canadian city has failed to pay its debts or its payrolls promptly. Yet, in the United States, Chicago is practically bankrupt, unable to pay even its school teachers, Detroit owes a million dollars to its employees, Philadelphia is in dire financial straits, and the banks have refused to loan money to New York.

Here in Canada, Toronto, Montreal and Hamilton have been able to secure large loans without difficulty, and are absolutely sound financially.

In Canada, there has not been a single bank failure in recent years. In the United States, scores of banks have had to close their doors, unable to meet their obligations.

Of the two countries, then, Canada is undoubtedly the sounder financially. Canadians have over a billion and a quarter dollars on deposit in the banks. In spite of this, we have to bow to the dictates of the United States when the financiers over there say our dollar is worth only ninety cents. On the record of the two nations the boot should be on the other foot.

The Peddlar

In these days when business houses are having a considerable struggle, not only through the reduced buying power of the public, but from the extremely strenuous nature of competition of various kinds, it is worth while to consider whether the protection is being afforded them which is their right in many cases, as provnded by the Statutes, by-laws and equity.

Take the case of peddling of fruits — peaches in particular — which lately have been sold to local grocers who discovered very shortly that those who had sold the peaches to them immediately went out to sell the householders by house-to-house canvass.

If the truck drivers selling the fruit were owners of peach orchards, (producers of peaches in Ontario) or their agents working on salary or commission, they were within their rights in selling from house-to-house without a license. But anyone who should go to a peach-grower and buy a load of peaches from him would require "a hawker's and peddler's license" before selling peaches from house to house in Stirling. The County's by-laws lay down a fee for such a license, depending on the type of conveyance used in the peddling. This matter is covered in sec. 422, clause 1, sub-section (a) and (b) of the Revised Statutes of Ontario, quoted below:

(a) No such license shall be required for hawking, peddling or selling goods, wares or merchandise to a retail dealer, or for hawking, peddling or selling goods, wares or merchandise, the growth, produce or manufacture of Ontario, ... if the same are hawked or peddled by the manufacturer of producer of them, or by his bona-fide servants or employees having written authority to do so;

(b) Such servant or employee shall exhibit his authority when required to do so by any municipal or peace officer.

In the matter of complaints by retailers regarding peddling of various kinds, they are the ones who are first in touch with such situations. Protection as outlined above is afforded them. They have the right to demand that municipal or police officers immediately investigiate the authority of peddlers, and see that they either secure a license or stop sellinig, if required to do so under the law.

The Country Church Supper

The season for the fall church supper and the harvest festival is here. These delightful events crowd the late summer and the early autumn evenings with joy and friendship. Carmel, Eggleton and Rylestone churches, with suppers have already set the pace. The fowl suppers will soon be coming in such numbers that a problem of selection is oft times presented. The pity is that there is no clearing house to regulate the dates so that co-operation might eliminate competition, as it were.

In this day and generation of so-called high-speed existence when we seem to depend so largely on manufactured enjoyment it is indeed a refreshing treat for business men and townspeople to attend the average country church supper. At these events there is to be found a wholesomeness and a plenty of food and association of far greater value than the price paid for the ticket. Just think of it, all the chicken you can eat for no more than 50c! These affairs are conducted for profit of course, but a broader profit than monetary gain alone. The good folk, who sponsor and provide them, add to the menu a measure of good will that makes one always want to come again.

If other attractions lose their appeal and enjoyment runs at a low ebb, if the appetite fails and life goes a little stale, crank up the car and seek out one of these suppers. In this prescription you will find a tonic that will restore lost appetites, soothe jaded nerves and revitalize a low spirit all in one evening. Such good food you have never tasted, unless perchance you are a "supper fan," and such quantities of it. The good folk, who willingly serve you are never content until you cry quits after having eaten your fill. And such delicacies as you will find—plenty of food of course—but then added to it will be crisp pickles, and a sauce that sharpens the appetite, tasty jellies, the pride of some neighboring housewife, and dozens of little touches that the average meal lacks.

Added to this one finds opportunity for widening the circle of acquaintance, of knowing one's neighbors just a little better. There are no finer people to be found anywhere nor any better place to spend one's appointed years than here in Hastings County, the gem of the counties. To get the most out of living is not such a hard job after all. There are plenty of opportunities and these countryside events are part and parcel of them. If you aren't already a country supper fan, join up — you're passing up a valuable opportunity to add to life's enjoyment.

What Others Say

INTEREST RATE SHOULD BE LOW

(Cobourg World)

There is talk of Canada launching another internal loan this autumn to the extent of about $200,000,000. Great jubilation is apparantly felt in government circles because the new loan will probably only bear interest at the rate of four and one-quarter per cent or four and one-half per cent, instead of five or five and one-half or six per cent as heretofore.

We feel that any government jubilation on this score is mistaken. We would like to know why Canada has to pay such high interest on her loans when the United States can borrow all she wants at three and one-quarter per cent.

The American government has just sold to its people a $750,000,000 five year issue bearing interest at the rate of three and one-quarter per cent. When this loan was offered it was tremendously over-subscribed.

It is time that our government took steps to see that it gets its money at a reasonable rate. If necessary it should make a definite allotment of the new loan to banks, insurance companies and trust companies and compel them to accept the loan at an interest rate no higher than that paid by the United States. If such a move gave any signs of leadinig to the further export of Canadian capital the government ought to prohibit such export just as it now prohibits the export of gold.

Altogether too much Canadian capital has been invested abroad and it is time that some steps were taken to see that the money needed for the carrying on of our government is kept at home and is available at a reasonable rate of interest.

SCHOOL COST PROBLEM UP TO PROVINCES

(Financial Post)

The chief reason why school cost taxes have risen at such a rapid rate in Canada is that provincial departments of education have been raising educational standards every year without regard to the possible limits of the taxpayers' purse. There are other reasons but primarily the provinces have called an expensive tune and have not only increased their own taxes to pay their share of the educational bills but they have required the municipalities to pay a larger share of the piper's fee.

In the series of articles on costs of government in Canada that The Financial Post ran last winter, there was a comprehensive summary of rising educational costs and examples were cited of provincial regulations, that have increased taxes out of all reason. In most cases these regulations were put into force at the behest of educationalists who knew a theoretical maximum about teaching the youth of the land, but a practical minimum about the economic pressure of high governmental costs.

This week The Post publishes an article by Victor Lauriston, the well-known Canadian author, who tells some things he has learned about school costs during his public service in his home city of Chatham.

Mr. Lauriston attempts to find a solution of the problem of controlling school expenditures. At present control falls between the three stools of provincial regulation, school board management and municipal council tax collection. He proposes that a fixed allotment so much per capita so much per pupil or so much per dollar of assessment—be established as school expenditure. Any expenditure above the allotment would have to be vised by the town or city council. The plan has some weaknesses. The allotment would no doubt be fixed by provincial governments who would take the advice of the very theorists who now run their educational departments and impose onerous burdens on school boards everywhere.

The real remedy lies in closer study of the whole problem of education by members of provincial parliaments so that they may themselves bring under control, by legislation and through departmental routine, of the constantly advancing rule of free and faddist education that has gone beyond the simple needs of a young country.

Hints for the Household

Serving Tea Daintily

To give a touch of daintiness and temptation in serving beverages should naturally be the aim of every hostess. Especially is that true when serving tea.

There are still some warm days this month when a glass of iced tea can be appreciated. And to serve it prettily—just add a little mint to each glass. Get fresh mint if you can and sprinkle it with powdered sugar. Colored sugar can also be used—the kind that comes in red and green can be purchased at most any confectioner's.

Scale For Cooking For Large Numbers

Coffee for 6 helpings—allow 1-2 cup coffee to 1 quart water.

Coffee for 50 helpings—allow 1 pound of coffee.

Ice Cream for 6-10 helpings—allow 1 quart.

Ham for 50 helpings—allow 20 pounds.

Meat for 1 helping—allow one-third pound raw meat.

Butter for 2 dozen helpings—allow 1 pound.

Butter for 6 dozen rolls—allow 1 pound.

Loaf sugar for 50 helpings—allow 2 pounds.

Cream for coffee for 50 helpings — allow 1 1-2 to 2 quarts.

To Clean Spots On Rubber Raincoat

Slice a raw potato. Rub well the spot to be cleaned—with pieces of this raw potato.

MISCELLANEOUS SHOWER

On Thursday evening, Sept. 22, the neighbours and friends, along with relatives from Trenton, Brighton and Belleville gathered at the home of Mr. and Mrs. Carman Nix to spend a social hour with them and present them with a miscellaneous shower. Mr. Clifford Sharpe called the gathering to order and the following address was read by Mrs. Geo. Maybee:

To Mr. and Mrs. Carman Nix:

Having learned of your recent marriage, we, your friends and neighbours gathered here tonight to spend a social hour with you. Knowing that you have entered a new walk in life, we have gathered here to assure you of our good wishes for your future. We all join in wishing you a long and happy wedded life and trust that your home may be blessed with health and prosperity.

We ask you to accept these gifts, not for their intrinsic value, but as a token of our esteem and best wishes for you. Hoping that they ever remind you of your many friends and neighbors in this community.

Signed—Mrs. Geo. Maybee, Mrs. Wilfred Sine.

Mr. and Mrs. Nix then thanked the friends for their gifts and invited them to come and see them in their home. Lunch ws then served and the rest of the evening was spent in social intercourse,, music, songs, etc., after which all departed for their several homes.

HOLLOWAY WOMAN FATALLY BURNED

Mrs. Viola Roblin, wife of Ivy Randell Roblin, of the 9th concession of Thurlow passed away late Friday at the Belleville General Hospital as a result of burns sustained Thursday afternoon when a portable gasoline torch exploded which Mr. Roblin was operating in his home. The late Mrs. Roblin was born at Kitchener, Ont., thirty-eight years ago, the daughter of the late William Meinke and Mrs. Meinke. She had lived at her late residence near Holloway for the past seventeen years and was a member of the United Church. Since making her home in this part of the province Mrs. Roblin had endeared herself to the neighborhood, and her many friends deeply regret her tragic and untimely passing. To those left to mourn her loss their sympathy is extended. The immediate family surviving are the husband, the mother, Mrs. William Meinke, at present residing at Holloway, one sister, Mrs. Bates, of Kitchener, and a brother, Alexander Meikne, of Toronto. The funeral was held on Sunday afternoon at her late home and Monday morning the body was conveyed to Kitchener for interment there.

Low Railway Fares For Hunters

Ontario hunters, going north for their annual outings at hunting clubs and camps, are to have the advantage of special low rates of Canadian railways, it was announced on Friday by C. P. Riddell, Chairman of the Canadian Passenger Association. From October 15 to November 15 inclusive, on presentation of current year's hunting license, parties of five or more hunters travelling together may secure return tickets at one and one quarter times the regular first-class one-way fare. These tickets will be good from stations west of Kingston, Narrow-smith and Sharbot Lake and South of Parry Sound and Scotia Junction to points north of the two-last named stations, but not west of Heron Bay, Longlac or Nakina nor east of Pembroke, Ont., or Amos, Quebec, and their limit will be 21 days but in no case later than December 1st. Arrangements have also been made by Canadian Railways handling this hunters' traffic for the provision of special baggage cars, combination baggage and passengers and colonist coaches, with minimum number of tickets required for such facilities and with the provision that hunters may carry dogs, which are permitted in Ontario hunting, and their other paraphernalia in such cars without extra charge.

The World Baseball Series opened in New York yesterday between the Yankees and the Chicago Cubs. The Yanks won by the score of 12 to 6.

MISSIONARY STUDY GROUP AT RIVER VALLEY

Those who failed to attend the meeting of River Valley Study Group at the home of Mrs. Lindenfield on Wednesday afternoon, last week, missed a very profitable and enjoyable afternoon. Although the attendance was small the gathering carried on in the usual manner, each entering heartily in doing her part. The meeting opened with "Rescue the Perishing", followed by prayer led by Mrs. Sager, the Vice-President. Mrs. Lindenfield conducted a very interesting Scripture lesson from 1st Cor., 3rd Chapt., 13-17, giving a sermonette on the attitude of Christ in work and happiness. The minutes of the last meeting were read and were very interestingly written by Miss D. Donohoe. This was followed by the Roll Call, "The Favourite Character in the New Testament". After the reports of the Secretaries were called for, Mrs. Lindenfield, the Temperance Sec., responded by giving a talk to the small children present. She had an illustrated story which not only proved very interesting to the children, but the adults alike. Each child was given a temperance verse of scripture to learn and a Sunday school picture. Mrs. Lindenfield, convenor of temperance program for the day then took charge. Hymn "See the Church of Christ Arises" was sung. Mrs. Sager gave a reading "But he Didn't Blame the Booze." Each one present read a clipping telling some startling things concerning the liquor traffic in our midst. Mrs. Lansing then gave a most interesting and educational address in her usual efficient manner along the lines of Temperance. She told of the comparison of expenditures, the effect on the body and illustrated with charts and mottos, which certainly gave one something to think about. Mrs. Roy Bush gave the study book chapter on the interesting subject "New Schools" which was prepared by Mrs. Robt. Bush. Owing to the absence of the Society's regular pianist, Mrs. Robt. Chambers kindly assisted at the piano. After siniging a hymn the meeting closed by the Mizpah Benediction. Next meeting will be a Thanksgiving one conducted by Mrs. Ross Bush and the roll call a Thanksgiving verse. Everyone welcome.

MADOC JUNCTION

The fiftieth anniversary supper held at Eggleton church on Tuesday night was a decided success. The weather was all that could be desired, while the tables literally groaned with the abundance of good things to eat. When the inner man was satisfied the crowd gathered in the church. Rev. Mr. Sales acted as chairman and the program which was furnished by local talent also by friends from Mount Pleasant, was opened by singing "Blest Be the Tie that Binds". Mrs. Percy MacMullen favored with several delightful readings, while Miss Olive McConnell sang two solos in her usual pleasant manner and was heartily encored each time. Miss Frances McKeown gave instrumental music which was much enjoyed by all. Mr. McNabb, student preacher at Sidney Church, was called on for a few remarks. "Amos and Andy", in the persons of Messrs Melville Tanner and Charles Jamieson sang a couple of "darkie" songs, which created much merriment. The Stapley Orchestra made their first appearance and did remarkaby well. Mr. Sales gave a short address and called on Mr. Geo. Eggleton, who moved a hearty vote of thanks to all those who helped to make the anniversary a success. This was seconded by Mr. William Stapley. All joined in singing the Doxology and Mr. Sales closed with prayer.

Mr. and Mrs. Nathan Wannamaker motored to Tweed on Monday to attend the funeral of the latter's aunt, Mrs. Wallace Moon.

Mr. and Mrs. Sam Danford entertained the members of the A.Y.P.A. at a corn roast at their home on Friday night. There were about forty present and a very pleasant evening was spent.

Miss Mona Barron spent the week-end in Belleville the guest of Mr. and Mrs. Jack Barron.

On Tuesday at the noon hour your correspondent was privileged to visit St. Thomas Church, Belleville where the body of the late Sir Gilbert Parker lay in state, in a sealed oak casket, surrounded by a profuse assortment of beautiful flowers. Mrs. M. Park, mother of Mrs. Ross Hoard, attended the funeral service in the afternoon, as Mrs. Park was one of Sir Gilbert's pupils and a special seat was reserved for her.

CARMEL

Mr. and Mrs. Myron Bray and daughter, of Rochester, N.Y., are visiting Mrs. Brays' sister, Mrs. Lorne Brooks.

Mr. and Mrs. Mac Sutton, of Oshawa, spent the week end with the latter's mother, Mrs. Perry Palmer.

The anniversary services held in connection with our church on Sunday were well attended both morning and evening. Rev. C. W. Barrett, of Brighton, a former minister conducted the services. In the morning, the choir rendered two anthems, "A song of Thanksgiving," and "The Lord is my Light." In the evening the anthems were "Praise Ye the Lord," and "Sing a new song of Thanksgiving." Mrs. Marie Dracup sang in good voice a solo, "The child of Nazareth." On Monday evening the ladies of the congregation served a fowl dinner in the dining hall after which a program was given in the church. The numbers included solos by Miss Betty Conley and Mr. P. Way duets by Mr. Jones and Mr. Way, readings by Mrs. Hubel and Mrs. E. Munro and the Carmel orchestra furnished music before the program. Rev E. W. Rowland very capably acted as chairman and Rev. Joblin delivered an address. The proceeds of the two days amounted to $200 which was quite satisfying to the officials of the church.

Miss Evelyn Neal spent the week-end at the home of Mr. W. Carlisle.

Mr. and Mrs. Lewis Wilson, of Harold were Sunday guests of Mr. and Mrs. Alfred Wilson.

Mr. and Mrs. Clarence Dunham, of Wellman's, visited at the home of Mr. F. Bailey on Sunday.

Mr. and Mrs. C. Hoard, took dinner with Mr. and Mrs. S. Holden on Sunday.

MENIE

Mr. George Wallace is suffering with inflamation in his eye; also Mr. Lorne Wallace is suffering with blood poison in his hand. We hope that they will soon recover.

A number from here enjoyed the dance in Campbellford, with George Wade and his Cornhuskers.

Mr. and Mrs. Melville Gibson and Mr. and Mrs. Percy Gibson spent Sunday with Mr. and Mrs. Jas. Thompson.

The neighbors were aroused on Sunday afternoon when the alarm was given that Mr. Thomas Weatherill's house was on fire. It was soon extinguished after the crowd gathered.

Honey produced in Canada in 1931 totalled 27,867,397 pounds valued at $2,058,094. Honey is produced commercially in all the provinces of Canada.

Registering an impressive advance in prices over recent years the first batch of Nova Scotia apples in the Liverpool market brought 23s to 25s per barrel as compared with 9s to 15s in 1931.

Great improvement and development over a period of 20 years has been noted in the Canadian seed industry. Last year 3710 seed farms with 12,000 persons occupied in the production and marketing of improved seed were estimated engaged in the industry.

Preliminary returns of maple sugar production in Canada just completed for 1932 show a total yield of 1,744,479 gallons of maple syrup valued at $2,054,277 and 7,217,300 pounds of sugar valued at $692,480. This production compares favorably with that of former years.

Cutting of wheat is nearing completion and threshing is well advanced in all the Prairie Provinces, with Manitoba leading, according to a report from the agricultural department of the Canadian Pacific Railway, western lines, dated September 10. Oats and barley at that date were 76 per cent. cut.

Liza Commanda, Chippeawa Indian girl golf caddy at the Canadian Pacific French River Bungalow, who came eighth in the women's marathon swim at Toronto, recently, has been presented with a purse of $150. J. G. Strathdee, manager of the Camp, stated that she would be thoroughly trained and would enter the contest annually until she won.

Wheeling airplanes added a roaring farewell to the cheers with which passengers and well-wishers speeded Captain J. A. Mollison on his return to England aboard the Empress of Britain as she sailed on her seventh departure of the 1932 season from Wolfe's Cove, Quebec. The intrepid solo trans-Atlantic flyer was promised a quiet time on his trip by Captain Latta, commander of the Empress.

"I am not running away from the election. I am out of politics and have no vote in the district of Columbia," said Mrs. Woodrow Wilson, widow of the famous United States war-time President, interviewed at the Banff Springs Hotel recently, where she stopped en route to Tokio where she is attending the marriage of a family connection. Mrs. Wilson motored on to Chateau Lake Louise as part of her tour of the Canadian Rockies.

"I have never seen a more beautiful country or enjoyed a visit more," said Sir Philip Cunliffe-Lister, British Secretary-of-State for the Colonies, as he said farewell to British Columbia when boarding the Canadian Pacific Imperial Limited on his way to Calgary. He enjoyed his favorite sport, fishing, in that province, where he and his party took four fine fish, including a 17-pound salmon. (869)

BELLEVILLE PRESBYTERIAL EXECUTIVE

An executive meeting of Belleville Presbyterial was held in the parlours of Bridge Street United Church, Belleville, on Tuesday, with an attendance of eighteen. Mrs. B. Finlay and Miss A. Hume, two of the absent members, sent reports of their work. Mrs. T. H. P. Anderson, the new President, opened the morning session with "I need Thee Every Hour" Mrs. E. L. Fraser read the lesson found in St. John 3: 1-17, and Mrs. Gay offered a gracious prayer for our work. The new president asked all the members for their loyal co-operation and their prayers. Splendid reports full of instructive and inspirational thoughts were given by the different secretaries. All subscriptions for the "Missionary Monthly" and "World Friends" are to be forwarded to Mrs. Sharp during the month of November. All reports of anniversaries and special open meetings are to be sent to Mrs. MacMullen as soon as possible after the event takes place. Temperance Sentiment is needed as alcohol is an enemy to our Missionary work, especially on the foreign fields. The C.G.I.T. groups are holding a Rally at Cannifton United Church on October 15th, all girls are invited, each to bring her own lunch. Mrs. Reddick would like worn clothing and shoes, also Christmas gifts, same to be sent to her not later than November 15th. Mrs. Hooper has been appointed "World Peace" secretary and has already sent literature to every auxiliary and missionary organization. Mesdames Anderson, Gay and Farnsworth were appointed a committee to meet with the men of the Presbytery re "Kingdom of God Movement". The President, Rec. Sec., Cor. Sec. and Presidents of two Trenton auxiliaries are to arrange for the coming Presbyterial next April. Several excerps from the recent Branch executive were handed down and all auxiliaries are urged not to disband even though money is scarce rather they are to carry on with prayer and study.

A most interesting luncheon was served the delegates at noon by Mrs. Loyd and Mrs. Seymour's group of the W.C.T.U.

Members present were—Mrs. S. C. Gay, Foxboro; Mrs. T. P. H. Anderson, Newburgh; Mrs. E. Farnsworth, Belleville; Mrs. F. Dafoe, Madoc; Mrs. F. L. Hooper, Napanee; Mrs. G. Switzer, Napanee; Mrs. W. How It Works

One of childhood's choicest queries has ever been and ever will be: "How does it work?" and it seemed a wholly enthralling idea to two young passengers, who recently travelled from Nottingham, England, to Lemberg, Sask., when Engineer Fred Munt, of the Canadian Pacific Railway" invited them into the cab of his huge "2800" type locomotive. The young travellers were Walter and Willie Wilson, aged 12 and 10 years, who journeyed alone from their grandmother's home in the Old Country to join their mother. They crossed the Atlantic in the Canadian Pacific liner Montclare and the Dominion on C. P. R. lines, making many friends and seeing many absorbing sights en route. Picture shows the interested pair, and their kindly tutor in a brief explanation of the mysteries of the gauges of the great engine. And what boy, either in Canada or England, would not envy them!

General News of Interest

Parliament will assemble on Thursday, Oct. 6th, according to the official announcement made by Prime Minister R. B. Bennett.

Ottawa — A New York banking syndicate headed by the Chase Harris Forbes corporation has purchased an issue of $60,000,000 one-year four per cent notes of the dominion. The issue will provide funds for all principal payments of the Dominion in United States maturing until Oct. 1, 1933.

Hastings—R. Johnson, C.N.R. station agent, was badly injured on Monday night, in a car accident on the Norwood-Peterboro highway, which happened about nine o'clock. Mr. Johnson was on his way to Peterboro, accompanied by Mrs. Johnson, son Roy, and Mr. and Mrs. Hugh Cox, of Orillia. When just west of Palin's Corners, they came head-on into a car driven by Mr. Lonergan, of Indian River.

Campbellford — A peach story is to hand and it is doubtful if this one can be beaten. Recently John S. Smith, of Campbellford harvested a peach crop from a seven-year-old tree one that he started from a stone. Now it comes to light that apart from being an excellent crop, one of the fruit is more than the average. This peach weighs 7 ounces and in circumference at the widest point is exactly 9 inches. This is surely a record for a first crop.

Orillia — E. Webb, Orillia contractor, announced on Monday a syndicate of Orillia sportsmen had been formed to enter a boat in next year's Harmsworth Trophy races for the competitive speed boat championship of the world. Webb's announcement said Bert Hawker, Gravenhurst designer, had completed drawings for a Miss Canada I., which he will pilot himself in an attempt to win for the British Empire the trophy which Gar Wood, Detroit, ace designer and driver, has held for many years.

Thomasburg — On Saturday, September 24th, Miss Lily Wilson, of Thomasburg, and Mr. William Andrews Anderson of Point Anne were united in marriage by the Rev. L. M. Sharpe, Presbyterian minister. The ceremony was performed in the presence of witnesses and relatives of the uniting parties at the home of Belleville. Mr. and Mrs. Anderson left for a motor trip to Campbellford, Rev. Mr. Sharpe, 237 W. Moira Street, Heeley's Falls and Trent Valley points of interest. They will reside in Point Ann upon their return.

While endeavoring to purchase gasoline at a Marmora service station, a man giving the name of Harold Jackson, Toronto, was held for questioning by Provincial Constable Gray early Friday morning. The officer became suspicious of the young man when he tried to purchase a quantity of gasoline, he not having sufficient funds to pay for the purchase. The officer arrested Jackson on a nominal charge of vagrancy and after questioning him at some length, the youth admitted stealing the car, in which he was travelling, in Scarboro, on Thursday morning.

The officer mmediately informed the local office of the provincial police and Jackson,s story will later be confirmed, when the police communicate with the Scarboro authorities. In the menatime Jackson will be held in custody.

IVANHOE WOMAN'S INSTITUTE

The Institute met at the home of Mrs. R. Haggerty on Tuesday, Sept. 13th. President, Mrs. G. Cooke, in the chair. After singing "The Old Folks at Home" prayer was led in unison. Minutes of last meeting were read and approved. This being "Grandmothers' Day" the grandmothers were the leading members to take part and contributed something. The roll call was answered by "My Favourite Hymn" and responded heartily to the real old hymns, such as "The Ninety and Nine", "Shall we gather at the River", and other old songs our mothers sang years ago. Mrs. G. Poste then sang "The Old Arm Chair". Several items were dealt with pertaining to the School Fair. Mrs. C. Tummon then gave a splendid reading "Home" and what it should mean to us who have homes, as we are passing through stressing times. Mrs. C. Sills then gave a demonstration on "Invalids' Trays and how to Serve Them." She also gave an address which caused a general discussion and several interested ladies asked questions. Mrs. Sills spent some time overseas during the Great War and this gave her a great experience in caring for those who are suffering. A solo was rendered by Mrs. J. J. Wilson "Cast Thy Burden on the Lord", Mrs. Donnan presiding at the piano. Mrs. S. Donnan then gave a very enjoyable reading "Long, Long Ago" was sung from the community song books. Mrs. Cooke took great pleasure in thanking all those who helped to make this meeting a success, especially Mrs. Sills, who spent her time and talent to prepare such a fine talk, full of help for all. Mrs. J. Wallace gave a reading of interest. There was a splendid demonstration of salads by several ladies, Mrs. C. Tummon, Mrs. Foster Wilson and Mrs. J. Wallace. At the close the hostess liberally served fresh fruits. The meeting was then dismissed. Next meeting will be at the home of Mrs. S. Tweedy, Rawdon.

MISS. D. CALDWELL
FRONT ST. STIRLING

A. Y. P. A.

A social evening of the A.Y.P.A. was held in the vestry of the church on Monday evening. Hymn 619 was sung, after which Mr. Byers led in prayer. The minutes of the last meeting were read and adopted. Mr. Byers then installed the officers to their positions for which they had previously been elected. The remainder of the evening was spent in games, which were enjoyed by all. After a dainty lunch was served the meeting closed with the National Anthem.

ST. PAUL'S MISSION BAND

The first meeting of the fall term was held on Sunday. Hymn 473 was sung. The Secretary, Jean Munro, then read the minutes. Watch-towers were given on Korea and on Indian work. The scripture was read by Madeline Leury. Jackie Moise gave a reading on Temperance. This was followed by a reading by Olive Munro entitled "Little Things" The collection was then taken. Mrs. Luery told the Mission Mand another story of Sunny, the little Korean girl. "A little kingdom I possess," by Louise M. Alcott, was sung. Mrs. Luery said that the proceeds of the Travelling Basket averaged $3.40. The bale was valued at $17.00 and was sent to Kingston and to be distributed from there. The Lord's Prayer ended the meeting.

ST. ANDREW'S W.M.S.

The Women's Missionary Society met for their September meeting at Mrs. Harold Foster's home. In the absence of the president, Mrs. Joe Reid took the chair. The meeting opened with hymn "More Love to Thee, O Christ". Mrs. J. M. Magee read the Scripture lesson. Mrs. Nolan led in prayer. Mrs. C. Baker gave a full review of Glad Tidings. Minutes and communications were read. Mrs. Baker was appointed as Keywoman to look after mite boxes. Roll Call was answered with the keyword "Joy". The first part of the topic on South China was ably given by Mrs. Alex Fargey. Some of the people still carry on the Master's work. In one of the churches are the words "Jesus is coming for all men. Be prepared to meet Him." Mrs. J. Montgomery also gave a splendid paper on "The Pulpit Carpenter" A man wished to do something for his church and he made a pulpit and a table with a picture of Christ and fancy carving. When his work was finished he was ready to die. His last words were "I have finished the work Thou gavest me to do". Plans were made for the next meeting. Officers reported work done since July meeting. Hymn 437 was sung as a closing hymn. All repeated Lord's Prayer. A dainty lunch was served at the close.

BEAUHARNOIS POWER STARTS SATURDAY

The St. Lawrence, now pressing at the gates in the power house, will begin to turn the great generators of the Beauharnois Light, Heat & Power Co., on Saturday, October 1. A small switch in the control room is ready to dispatch the energy of the St. Lawrence eastward to the Quebec-Ontario boundary for delivery to the Ontario Hydro-Electric commission.

IRELAND OF THE WELCOMES

(Continued from Page One)

The eye could not scan that vast concourse of people. The scene created in the minds of those who witnessed it an impression that years will not efface. Here were assembled people from all parts of the earth—from Australia and New Zealand, from Canada and America, from Africa and India and from all over the European continent. The decorations in Dublin were lavish. Every street had its scheme of decoration and especially in the poorer sections did one notice the profusion of floral and artificial decoration. At night the principal buildings were flood-lighted and even sky-writing was in evidence. Not alone in Dublin but in every town and village, aye, even the open country, the eye beheld the pageantry of colour. During that week of Congress I had the pleasure of being present at a garden party attended by 20,000 people. It was a beautiful afternoon and the scene was one of splendour and of sociability. Across the trees of the great lawn were the waters of Dublin Bay where lay at anchor no less than ten great ocean liners that had brought their human cargo from across the seven seas.

And now a word about the much-talked scenic beauty of the old land. Here in Canada we have scenery second to none—majestic in its splendour, soul-stirring in its magnitude — but for all that there is in Ireland something more. It is the charm; the old world charm that hovers over all. It is the antiquity that centuries have written on every mile of territory. It is the sorrow that has left its mark, and it is lastly the merry ripple of laughter that changes sadness into joy.

About ten miles south of Dublin, and on the East Coast lies Killiney Hill from the summit of which one can gaze on the famed Vale of Shanganah, stretching on towards the seaside resort of Bray. Far below the waters of the Irish Sea chant their increasing melody of sea song as wave upon wave ripples on the sandy beach. Out at sea the majestic ship goes silently on. Close to the seashore runs the railway line and by its side the roadway and above this another excellent road twists its circuitous route up the hill, a stiff climb for any car. Standing on the top of the hill, which is a park, and gazing over the vale, the eye beholds here and there beautiful homes, some in castellated form as they nestle apparently on a ledge, or among the trees. The richness of trees gives nature's setting to the scene as the brilliance of an afternoon sun sends its varied hues across this panorama. Flowers and foliage of every shade shed their lustre too, and as far as you look, spellbound you wonder if there is anything more beautiful. In the words of another—"Other lands look lovlier far away. But Ireland never is so beautiful as when the eye rests upon her face. You need never be afraid that you are flattering her while painting her from even your fondest memory."

It is amid scenes of enchantment like this that a holiday in the old land is spent and when the days of such joy are over and one must say adieu, you hear each landmark and each hill and valley call as you leave—Good-bye, good-bye, come back again.

I remain,
Yours truly,
REV. H. J. FARRELL.

"FIRST GRAND MASTER"

A new Masonic book on a Canadian theme, written especially for Canadian Masons by a Canadian author and published in Canada, is something of a rarity. The latest volume of this nature to be offered to Masons in Ontario is the life story of William Mercer Wilson, First Grand Master of the Grand Lodge of Canada A.F. & A.M., and the great figurehead of Masonry in this province.

Written in interesting, narratice style, the book should find instant appeal among Freemasons. It tells in a fascinating way of the amazing career of this great man and Mason, who came to Canada as a Scottish lad of nineteen years, without friends or resources, and who rose to high position in the Masonic fraternity as well as in the military, judicial and educational life of his adopted country.

The story is told of his leadership in the movement which took Canadian Freemasonry from under the wing of the Mother Grand Lodge of England and resulted in the formation of the Independent Grand Lodge of Canada which has continued to the present day. His invaluable service as Grand Master for the astonishing total of ten years is effectively described.

In his youthful days, William Mercer Wilson fought through the Rebellion of 1837-38 and had a hand in the setting fire to the "Caroline" at Navy Island and sending her over the Falls. He made a memorable journey to Virginia during the Civil War. These incidents, embodying a wealth of historical drama, are vividly related.

Happiness and tragedy are interwoven in this Masonic biography. To Freemasons of his time the First Grand Master was almost an idol. His memory is still honoured by annual Masonic pilgrimages to his grave. This new, complete story of his career as Mason, soldier, editor, orator, lawyer and judge, fills a definite need in Canadian Masonic literature.

The book contains 190 pages, is well-illustrated and finished in cloth binding. As an epilogue to the main story, it has a resume of the Masonic career of the late Grand Master M. W. Bro. the Hon. John S. Martin, which in many respects resembled that of the First Grand Master.

The volume retails at one dollar. Orders should be sent to the author, Bruce M. Pearce, c/o Simcoe Reformer, Simcoe, Ontario, or may be secured through the News-Argus.

She:

If all the world and love were young
And truth in every lover's tongue,
These pretty pleasures might we yield
To live with thee and be thy love.
